Everything You Need A Novel Vintage Contemporaries:

Everything You Need A. L. Kennedy, 2007-12-18 From the prodigiously talented A L Kennedy comes a flamboyantly stylish and fiercely emotional novel about fathers and daughters creation and self destruction and love s paradoxical power to heal its most devastated victims One such victim is Nathan Staples a writer whose hilarious contempt for humanity is surpassed only by his corrosive self loathing Along with five equally dysfunctional colleagues Nathan lives on an island retreat off the coast of Wales where he yearns for the daughter he lost years before Now in defiance of all his hopes Mary Lamb herself an aspiring writer is about to join him as the seventh member of the colony As Nathan tortuously wins the trust of the child who has no inkling of their true relationship Mary comes to a gradual understanding of her gift In *Everything You Need* A L Kennedy combines the mythic resonance of Arthurian legend with a sensibility as lyrical as it is profane

Literary Afterlife of Raymond Carver Jonathan Pountney, 2020-04-15 No detailed description available for *The Literary Afterlife of Raymond Carver* *Conversations with Richard Ford* Huey Guagliardo, 2001 Interviews with the Pulitzer Prize winning author of *The Sportswriter* and *Independence Day* *Narrative, Social Myth and Reality in Contemporary Scottish and Irish Women's Writing* Tudor Balinisteanu, 2009-10-02 This book offers an original interdisciplinary analysis of the relations between myth identity and social reality involving elements of narratology theory linguistics philosophy anthropology and social theory harnessed to support an argument firmly located in the area of literary criticism This analysis yields a fairly extensive reinterpretation of the concept of myth which is applied to the examination of the relationship between narrative and social reality as represented in texts by contemporary Scottish and Irish women writers The main theoretical sources are Mikhail Bakhtin s theories of heteroglossia Jacques Derrida s theories of citationality and Judith Butler s theories of subjectivity The analysis framework developed in the book uses these theories to create a new way of understanding how literary texts change readers worldviews by enticing them to accept alternative possibilities of cultural expression of identity and social order The texts analysed in this book reconfigure naturalised stories that have become normative and constraining in conveying identities and visions of legitimate social orders The book s focus on feminine identities places it alongside feminist analyses of reconstructions of fairy tales myths or canonical stories that establish what counts as legitimate feminine identity Studied here for the first time together the writers whose texts form the interest of this book continue the revisionist work begun by other women writers who engage with the male generated literary philosophical and humanist tradition They share a view of narratives as tools for continually negotiating our identities social worlds and socialisation scenarios While the high level theoretical discourse of the first part of the book requires specialised knowledge the second part of the book offering close readings of the texts is both lively and accessible and should engage the interest of the general reader and academic alike This book is written for all those who are interested in the power words have to hold sway over our inner and outer social worlds *The Vintage Book of Contemporary World Poetry* J. Facing life alone at an advanced age Julius Herz cannot shake the sense that he should be elsewhere doing other things Walking through bustling streets that seem increasingly alien to him he s confronted by life s pressing questions with an urgency he has never known before what do we owe the people in our lives How should we fill our days Feeling fortified despite the growing ache in his heart Herz finds himself also blessed with a stirring sense of exhilaration After a lifetime of deferring to others stronger wills he faces a future of possibility the only constraint the deeply ingrained habits of his mind Profound and deeply resonant *Making Things Better* explores the quandaries of aging longing and self discovery with transfixing precision and spellbinding acuity *New York Magazine* ,1989-03-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1986-12-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Conversations with Steve Erickson** Matthew Luter,Mike Miley,2021-06-28 Much like his novels Steve Erickson b 1950 exists on the periphery of our perception a shadow figure lurking on the margins threatening to break through but never fully emerging Despite receiving prestigious honors Erickson has remained a subterranean literary figure receiving effusive praise from his fans befuddled or cautious assessments from reviewers and scant scholarly attention Erickson s obscurity comes in part from the difficulty of categorizing his work within current trends in fiction and in part from the wide variety of concerns that populate his writing

literature music film politics history time and his fascination with his home city of Los Angeles His dream fueled blend of European modernism American pulp and paranoid late century postmodernism makes him essential to an appreciation of the last forty years of American fiction but difficult to classify neatly within that same realm He is at once thoroughly of his time and distinctly outside it In these twenty four interviews Erickson clarifies how his aesthetic and political visions are inextricable from each other He diagnoses the American condition since World War II only to reveal that America's triumphs and failures have been consistent since its inception and that he presciently described decades ago certain features of our present Additionally the interviews expose the remarkable consistency of Erickson's vision over time while simultaneously capturing the new threads that appear in his later fiction as they emerge in his thought Conversations with Steve Erickson will deepen readers understanding of how Erickson's books work and why this utterly singular writer deserves greater attention

I Want to

Do Bad Things: Modern Interpretations of Evil ,2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 Far from the confines of black and white evil today is an often complex and ever evolving concept which can be found in all facets of life This book offers a collection of views on the concepts of evil and wickedness from a variety of subjects helping to show the range and scope of this universal concept Chapters begin by exploring the concept of evil from a philosophical perspective attempting to question the very nature of evil itself and what issues help to constitute the subject They continue by discussing evil as it relates to monetary value in terms of capitalism politics and binary code The last two sections focus on evil through the lens of literature and film touching upon a wide range of characters from the villain hero of the Elizabethan era to the modern day antihero featured in twenty first century film **Things that Fall from the Sky**
Kevin Brockmeier,2007-12-18 Weaving together loss and anxiety with fantastic elements and literary sleight of hand Kevin Brockmeier s richly imagined Things That Fall from the Sky views the nagging realities of the world through a hopeful lens In the deftly told These Hands a man named Lewis recounts his time babysitting a young girl and his inconsolable sense of loss after she is wrenched away In Apples a boy comes to terms with the complex world of adults his first pangs of love and the bizarre death of his Bible coach The Jesus Stories examines a people trying to accelerate the Second Coming by telling the story of Christ in every possible way And in the O Henry Award winning The Ceiling a man s marriage begins to disintegrate after the sky starts slowly descending Achingly beautiful and deceptively simple Things That Fall from the Sky defies gravity as one of the most original story collections seen in recent years
