Rachia, 1999 This bibliography comprises a selection of Library of Congress catalog records for some 1 500 books periodicals and websites related to youth violence Anyone wanting such a bibliography could probably compile it from the Library of Congress web site and the deficiencies in conception and design of this product defy understanding A brief preface sounds an alarm no one should be surprised that youth violence lurks behind every school house door but sets forth no criteria for selection of citations no indication of time frame purpose or audience Entries are arranged alphabetically by title within chapters on school violence guns and youth gangs campus violence dating and violence and periodicals and Web sites Unforgivably primitive alphabetic sorting puts all titles beginning with The together the same with other articles and in addition those titles are indexed together Though the title indicates the presence of abstracts there are none except the summaries supplied by Library of Congress for juvenile titles of which there are many Cross referencing and indexing except by title are absent The compiler s credentials motivation and orientation are not cited Furthermore with better design the contents would have consumed half the number of pages and a few typeface variations would have eased scanning Annotation copyrighted by Book News Inc Portland OR     Everything You Need to Know about Drug Abuse Jacqueline A.
