**Everything You Need** A. L. Kennedy,2007-12-18 From the prodigiously talented A L Kennedy comes a flamboyantly stylish and fiercely emotional novel about fathers and daughters creation and self destruction and love s paradoxical power to heal its most devastated victims One such victim is Nathan Staples a writer whose hilarious contempt for humanity is surpassed only by his corrosive self loathing Along with five equally dysfunctional colleagues Nathan lives on an island retreat off the coast of Wales where he yearns for the daughter he lost years before Now in defiance of all his hopes Mary Lamb herself an aspiring writer is about to join him as the seventh member of the colony As Nathan tortuously wins the trust of the child who has no inkling of their true relationship Mary comes to a gradual understanding of her gift In **Everything You Need** A L Kennedy combines the mythic resonance of Arthurian legend with a sensibility as lyrical as it is profane **Johnny Came Home** Edward Goodan,2000-12 Isolation and despair Three individuals are caught in a tapestry of deceit and drug dependency Drug use helps them escape from the pressures of reality and their inability to adjust to and confront their problems Their deceit is necessary to rationalize their

actions to themselves and explain their activities to others John's war experiences still haunt him but not any more so than his failed marriages and the children he so desperately longs to see again Jack loves his father but can't escape the specter of his crippling injuries to find a life of his own Larry just wants to impress his peers and enjoy life but his means don't tend to accomplish those ends Perhaps John the older man with the much more tangible problems is in a position to see more clearly how his drug dependency and deceit has destroyed what was most precious in his life Perhaps John can find a way out of the morass that his life has sunk into Perhaps his efforts can help the men a generation younger than himself find their way
