Women Challenge The Lie Regina Sara Ryan, Shinay Tredeau, 2017-02-02. This book invites women of all ages into a conversation that challenges the pervasive lie of never good enough. This common subtext of modern life undermines a woman's appreciation of her own inherent beauty and goodness. The authors recommend 8 Radical Moves that women can make alone or ideally in the good company of other women to take on this challenge to deepen this conversation. The Moves are radical because they aim directly at the center of a woman's being: the inner space of her true nature, her basic goodness, rather than because they require any extreme actions. Nonetheless, the conviction that never good enough is a lie requires more than lip service. The authors guide readers in identifying the courage, strength and love they already possess but habitually deny to embrace and live by this conviction of self-respect day to day in mind, body and heart. They further encourage women to make this stand with and in the presence of other women to increase everybody's likelihood for success. Regina Sara Ryan, author of numerous books in wellness, women's studies and spirituality. *Wellness Workbook: Woman Awake*. Igniting the Inner Life is an elder in her seventies.
