## **Eve's Choice Discovering God's Blessing:**

**Eve's Choice** Walter Graham, 2005 Eve's Choice is a short imaginative exploration of the biblical narrative of the Fall the murder of Abel the banishment of Cain and the birth of Seth as Eve remembers them Graham honors the biblical text in Genesis and biblical scholarship as he imagines how Eve might tell the story His reverie invites the reader to consider new perspectives and to ask questions about events that brought both tragedy and joy to Eve to her family and to all humankind Eve recalls her choices as well as those of her family and in the process she learns to celebrate the gift of life and to live with a growing trust and faith in God She comes to believe in God's blessing of all creation As we hear Eve tell her deeply human story of disobedience and faithfulness despair and joy love and anger jealousy and remorse we identify with her and recognize that we are very much like her We begin to realize that we too have a choice We can discover for ourselves the benefits of a close relationship with the God of mercy justice and grace the God who is able to bring blessing through human tragedy Questions are included for reflection

*Finding Eve* Rita Springer, 2013-06-04 Find your way to the heart of God where you will discover all you need to fulfill His

purposes for your life In Genesis 3 the serpent came to Eve and within moments caused her to think she was lacking something When she looked at the forbidden tree she saw that it was pleasant to the eyes good for food and had the power to make one wise Although she already possessed beauty provision and an intimate relationship with God she thought she needed more So she ate the fruit and lost the comfort and security of the garden because she doubted God Many women today are falling into the same trap We allow Satan to convince us we aren't enough when in fact we are already complete in Christ Finding Eve follows Eve's journey to find her way back to God's heart and to discover her true identity as a daughter of God This book is designed to encourage women who may be facing disappointment the fallout from bad choices or the pain of unfilled dreams It will offer hope and equip them to be all they were intended to be in the kingdom of God

**Self-Discovery and Identity** Chris Christian, 2022-01-11 This book has both revelation and expository knowledge of how a man can discover himself The book is like a loaded gun which points at darkness so as to bring people to light It spent its virtues on revealing the principles of self discovery and identity The revelation is so desperate in alleviating the pains and ordinariness of men by telling them who they are When a man discovers himself he becomes a supernatural man The clothing of men with the jacket of revelation and accomplishment of great exploit is an opportunity that is reserved for men who have discovered themselves It is only men who have discovered themselves that can take their place in God *Where's My Miracle?* Morey Schwartz, 2010 At one time or another every person of faith asks himself questions like these What must I do to deserve some Divine intervention in my life Is there anyone really listening to my prayers When do miracles happen and when do they not Where s my miracle Am I not worthy Here is a fresh new thought provoking approach to the eternal mystery of the miracle based on the multiple texts found in Jewish tradition as well as lessons learned from experience The Al Aksa Intifada and its bloody consequences serve as backdrop for the many important messages about belief contained in this book The Intifada forced Jews and rabbinic leaders to actively confront the difficult philosophical questions that arose in the wake of continual random acts of violence in Israel Having made aliyah just weeks before the onset of the bloody violence the author took note of the reactions of survivors and spiritual leaders throughout the years of violence and was struck with the pat simplistic and often not well thought out reactions and explanations offered by Israeli spiritual leaders to give meaning and purpose to the violence Rabbi Morey Schwartz an only child orphaned by age twenty has spent more than twenty years searching for a satisfying answer to his personal misfortune Searching traditional Jewish responses he never found a response that addressed his need to believe in a benevolent merciful and all powerful divine being while simultaneously honoring what he considers his right to understanding To believe in a God that was less than all powerful seemed pointless and to accept that we just cannot understand seemed to be meaningless The author is a graduate of Yeshiva University and Bernard Revel Graduate School and musmach of the Rabbeinu Yitzchak Elchanan Theological Seminary During his twelve years in the American rabbinate helping others to deal with suffering and loss the author found himself expressing a refreshing theological approach to this question one which has helped countless individuals work through these difficult issues in their own lives The book provides a look at the way the sages dealt with the suffering of the innocent throughout the centuries providing the reader with easy to read rabbinic texts arranged in a text and counter text format for the purpose of presenting multiple Jewish approaches to some very difficult questions In addition the author provides a new inspiring way of looking at the whole business of miracles The age old idea that miracles arise for those who deserve them is reconsidered and a whole new perspective on the function and incidence of miracles is proposed Any person of any faith will want to read these words and ponder the Divine s role in our lives in the good times and the bad This book will become a source of great comfort to Jews looking for alternative Jewish approaches to suffering and to God s role in suffering This book is a must for

those who counsel for they above all need to be sympathetic to the deep sensitivities of those who seek consolation     We Make the Road by Walking Brian D. McLaren, 2014-06-10 From critically acclaimed author Brian McLaren comes a brilliant retelling of the biblical story and a thrilling reintroduction to Christian faith This book offers everything you need to explore what a difference an honest living growing faith can make in our world today It also puts tools in your hands to create a life changing learning community in any home restaurant or other welcoming space The fifty two plus a few weekly readings can each be read aloud in 10 to 12 minutes and offer a simple curriculum of insightful reflections and transformative practices Organized around the traditional church year these readings give an overview of the whole Bible and guide an individual or a group of friends through a year of rich study interactive learning and personal growth Perfect for home churches congregations classes or individual study each reading invites you to Cultivate an honest intelligent understanding of the Bible and of Christian faith in 21st century Engage with discussion questions designed to challenge stimulate and encourage Reimagine what it means to live joyfully and responsibly in today s world as agents of God s justice creativity and peace If you re seeking a fresh way to experience and practice your faith if you re a long term Christian seeking new vitality or if you feel out of place in traditional church circles this book will inspire and activate you in your spiritual journey
