Eves Party:

Redeeming Eve Nicole Bokar, 2015-05-12 Thirty year old Eve Sterling is a 90s woman with a hankering for the 18th century A literature scholar writing her thesis on Jane Austen Eve lives alone in Manhattan is eclipsed by her domineering mother Maxie and doubts she'll ever find a man to rival her beloved fictional heroes When a friend sets her up with Hart a funny gentle photographer Eve simultaneously discovers true love and loses control over her own fate Eve aims to achieve a choreographed graceful existence one modeled on the elegant world portrayed in Austen's novels But in a series of both comic and painful mishaps she learns just how clumsy and chaotic real life can be Irrevocably changed by marriage and motherhood Eve struggles to reconcile contrasting allegiances those to herself versus those to her family And if carving out a niche for herself while balancing the demands of a new baby isn't enough Eve has the additional burden of living in the shadow of an imposing celebrity her mother Suddenly thrust into the limelight Maxie has been transformed into a media darling just as her own daughter's career begins to falter Embarking on a journey to reclaim her lost sense of purpose Eve is forced to face the toughest question of all can she fulfill herself without severing the bonds to those she loves most By turns witty and poignant Redeeming Eve is an accomplished engaging first novel Anyone who has ever risked old dreams for a richer more complex life or ever longed to do so will identify with its very contemporary heroine **Milton's Ovidian Eve**

Mandy Green, 2016-04-22 Milton's Ovidian Eve presents a fresh and thorough exploration of the classical allusions central to understanding *Paradise Lost* and to understanding Eve one of Milton's most complex characters Mandy Green demonstrates how Milton appropriates narrative structures verbal echoes and literary strategies from the *Metamorphoses* to create a subtle and evolving portrait of Eve Each chapter examines a different aspect of Eve's mythological figurations Green traces Eve's development through multiple critical lenses influenced by theological ecocritical and feminist readings Her analysis is gracefully situated between existing Milton scholarship and close textual readings and is supported by learned references to seventeenth century writing about women the allegorical tradition of Ovidian commentary hexameral literature theological contexts and biblical iconography This detailed scholarly treatment of Eve simultaneously illuminates our understanding of the character establishes Milton's reading of Ovid as central to his poetic success and provides a candid synthesis and reconciliation of earlier interpretations *Savor the Flavor & Get Twice the Luv* Jamala M. Johnson, 2015-01-23 Pink Passion

A ruling passion motivates pushes stretches encourages inspires and in some instances a ruling passion might even challenge you to reach your full potential Make no mistake about it a ruling passion is much different from a goal In general a goal is a set deadline or time frame establish by the goal setter to complete and accomplish a particular task Normally goal setters classify goals into categories short term and long term For a tantamount of consumers and shoppers once a goal is set it stays at the center of attention until the goal is accomplished Totally different from a goal__putatively a passion so to speak is something that you love to do more than anything else that you do daily Straight forwardly speaking when you have a

passion it consumes your every thought it pretty much paints the picture of how you view see and live life A strong feeling longing or desire each of us as consumers and shoppers have different passions__ostensibly even with the various passions available as choices some consumers and shoppers have not found their ruling passion understandably it could take years before a consumer or shopper stumbles upon their ruling passion At any rate that you find your passion a passion or a ruling passion could be just about anything that you love and enjoy to do at home away from the job on vacation and during holidays From shopping to blogging to cooking to singing to acting to dancing it s what you love to do the most it s what motivates pushes stretches encourages inspires and challenges you it s your ruling passion In previous years I have had a passion to try and do many things While in college I rediscovered my passion for the English language and writing Within the past seven years I developed a passion for shopping and blogging 2009 I developed a passion for pink Along with my passion for pink I believe my ruling passion is to be an award winning editor and writer Veritably all passions begin with you _if you have found your ruling passion stick with it share it and create a niche for your passion And for the percentage of you consumers and shoppers who you havent found your ruling passion start _right now and start doing what you love and enjoy it s not too late

God Is Real Roy Davidson, 2008 God is real and He will take care of you That's what Roy Davidson's grandpa used to tell him It was a simple statement that has had a profound effect on the author's life By the time he was out of college Roy had survived a forty foot fall from a tree and walked away unhurt from a fifty mile per hour collision with a tractor trailer after the truck suddenly dematerialized before Roy's eyes Though Roy had never attended a church service or picked up a Bible he says that experiencing these miracles left him with this indescribable knowing feeling not just in my mind but in my whole being that God was real no matter what anyone else said That feeling would follow him for many years until he learned the source of it and made a commitment to spend his life serving God The miracles and healings Roy has experienced offer a compelling testimony of the power of simple childlike faith and God's desire to pursue our hearts His account of the supernatural in his life does not indicate that he is anything special the author says Instead the compelling stories you will read in this book should inspire you to believe that however imperfect or skeptical you may be God sees you and wants to make Himself real to you Book jacket
