Evidence Casesmaterials Problems:

Criminal and Forensic Evidence Goodwin, *Criminal and Forensic Evidence* Robert J. Goodwin, Jimmy Gurulé, 2009

Criminal and Forensic Evidence Robert Goodwin, Jimmy Gurulé, 2014 This unique casebook adopts a modern comprehensive approach to the study of evidence issues that arise in the context of criminal trial litigation It covers evidentiary issues associated with the admission of forensic evidence including expert testimony as well as traditional evidence issues such as evidence of prior bad acts offered for purposes other than to prove propensity and evidence of a rape victim s prior sexual behavior The materials are presented in two parts that allow for a Criminal Evidence course focused solely on forensic science solely on traditional criminal evidentiary issues or a combination of both topics The Fourth Edition represents a major revision of the casebook Virtually every chapter has been updated with new and more recent cases and materials A total of twenty six new cases have been added to the fourth edition followed by comprehensive notes and questions Some of the main updates Chapter 5 Evidence Based on Research in Social and Behavioral Science includes several new cases on the admissibility of expert testimony on eyewitness identification rape trauma syndrome child sex abuse syndrome and battered woman syndrome Chapter 8 Hearsay Where the Availability of the Declarant is Immaterial includes three recent U S Supreme Court cases *Bullcoming v New Mexico* 2011 *Michigan v Bryant* 2011 and *Williams v Illinois* 2012 Additionally a case recently decided by the California Supreme Court discussing the implications of *Williams* has been added to the new edition Chapter 10 Impeachment has been substantially revised with the addition of several new cases on impeachment by prior conviction misconduct not resulting in a conviction and opinion testimony regarding the truthfulness of a government witness as well as impeachment by contradiction Chapter 11 Photographs Videotapes Audio Recordings and Demonstrations includes new cases on the admission of graphic autopsy photographs the foundational requirements for the admission of videotape recordings and a new section discussing the admission of computer generated evidence e g computer animations and computer simulations This book also is available in a three hole punched alternative loose leaf version printed on 8 5 x 11 inch paper with wider margins and with the same pagination as the hardbound book **Evidence** Edward W. Cleary, John William Strong, 1981 Evidence Paul F. Rothstein, 1986 *Criminal and Scientific Evidence* Robert J. Goodwin, Jimmy Gurulé, 1997 Evidence Paul F. Rothstein, Tamara F. Lawson, 2018-11-07 **Burden of Proof and Related Issues** Mojtaba Kazazi, 2023-07-24 This study on evidence before international tribunals with an emphasis on the burden of proof is one of the more important and interesting issues of evidence under both municipal and international law The study is mainly based on documented cases and special attention is paid to the case law of the Iran United States Claims Tribunal in the Hague The study is divided into three parts Part One presents the preliminary issues concerning the concept of the burden of proof and the burden of evidence as well as the nature and scope of the burden of proof Part Two discusses the main aspects of the burden of proof identified by considering the fact that there are three main actors in each litigated

case viz the claimant the respondent and the judge or arbitrator Different chapters are allocated to the claimant s role in bearing the main task with respect to the burden of proof general aspects of collaboration of parties in matters of evidence and the authority and duties of international tribunals with respect to the burden of proof Part Two ends with a chapter on the rules of the burden of proof and a discussion on whether or not there are any such rules that could be considered as principles of international law Some related issues are discussed in Part Three Among the items considered are presumptions and the effect that they may have on the burden of proof practical aspects of the collaboration of parties the issue of possible sanctions against non production of evidence and the question of the standard of proof to be applied in international proceedings and the discretion of international tribunals in that regard The study ends with a concluding chapter As noted by Professor Verhoeven in his foreword the subtleties of evidence in international proceedings has not been systematically studied for a number of decades The book will become a standard work of reference in the area Audience An invaluable tool for practitioners of international law and Government advisors as well as university professors and students of law The long experience of the author as a judge in a civil law system his intimate knowledge of the work of the Iran United States Claims Tribunal in The Hague and currently with the United Nations Security Council Compensation Commission for Claims against Iraq have made him eminently well equipped to address the subject competently both from a theoretical and practical perspective

Basic Legal Research for Criminal Justice and the Social Sciences James R. Acker, Richard D. Irving, 1998 This essential primer on legal research is written specifically for criminal justice and social sciences students The book s basic how to approach makes it suitable not only as a guiding text for research courses but also as a key supplementary text for courses in which legal research is a secondary requirement Stripped of the cumbersome information found in similar texts for legal students this slim essentials book gives criminal justice and social sciences students the tools they need for successful research
