Evidence of the Truth of the Christian Religion Alexander Keith, 1846 *Evidence of the Truth of the Christian Religion*
Alexander Keith, 2015-06-16 Excerpt from *Evidence of the Truth of the Christian Religion Derived From the Literal Fulfilment of Prophecy* The following pages are presented to the public in the hope that they may not be altogether unproductive of good The idea of the propriety of such a publication was first suggested to the writer in consequence of a conversation with a person who disbelieved the truth of Christianity but whose mind seemed to be considerably affected even by a slight allusion to the argument from Prophecy Having endeavored in vain to obtain for his perusal any concise treatise on the Prophecies considered exclusively as a matter of evidence and having failed in soliciting others to undertake the work who were far better qualified for the execution of it the writer was induced to make the attempt and to endeavour to bring the object into view In the following Essay the argument is brought within narrow limits Those prophecies are not included which were fulfilled previously to the era of the last of the prophets or of which the meaning is obscure or the application doubtful And the only question to be resolved is Whether there be any clear predictions literally accomplished which from their nature and their number demonstrate that the Scriptures are the dictates of inspiration or that the Spirit of Prophecy is the testimony of Jesus About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Evidence of the Truth of the Christian Religion** Alexander Keith, 1836

[With Plates.]** Alexander Keith, 1831 **Evidence of the Truth of the Christian Religion, Derived from the Literal Fulfilment of Prophecy** Alexander Keith, 1856 *Evidence of the Truth of the Christian Religion* Alexander Keith, 2017-11-22 Excerpt from *Evidence of the Truth of the Christian Religion Derived From the Literal Fulfilment of Prophecy* Jesus dishonoured not his name But they sought more than a passive and unexamining belief They knew in whom they believed they felt the power of every truth which they professed And the same cause in active operation would be productive of the same effects The same strong and unwavering faith established on

reason and conscious conviction would be creative of the same peace and joy in believing and of all their accompanying fruits And as a mean of destroying the distinction wherever it exists between the profession and the reality of faith it is ever the prescribed duty of all who profess to believe in the gospel to search and to try to prove all things and hold fast to that which is good and to be able to give an answer to every one that asketh them a reason of the hope that is in them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Evidence of the Truth of the Christian Religion, Derived from the Literal Fulfilment of Prophecy;
