Television's Strangest Moments Quentin Falk, Ben Falk, 2014-02-25 Ever since John Logie Baird first publicly demonstrated this now all pervasive medium in his small Soho laboratory the history of television has been littered with remarkable but true tales of the unexpected Ranging from bizarre stories of actors shenanigans to strange but true executive and marketing decisions and covering over one hundred shows series and episodes from both behind and in front of the camera in British and American television studios *Television's Strangest Moments* is the ultimate tome of TV trivia Why did the quintessential English sleuth The Saint drive a Swedish car What happened when Michael Aspel met Nora Batty on the set of the 1960s drama documentary *The War Game* Why is the Halloween chiller *Ghostwatch* still unofficially banned by the BBC From live TV suicide to Ricky Martin's disastrous candid camera style episode involving a young female fan and several cans of dog food

Television's Strangest Moments will keep you hooked when there's nothing worth watching on the box What Fresh Lunacy is This? Robert Sellers, 2013-06-13 Oliver Reed may not have been Britain's biggest film star for a period in the early 70s he came within a hairsbreadth of replacing Sean Connery as James Bond but he is an august member of that small band of people like George Best and Eric Morecambe who transcended their chosen medium became too big for it even and grew into cultural icons For the first time Reed's close family has agreed to collaborate on a project about the man himself The result is a fascinating new insight into a man seen by many as merely a brawling boozing hellraiser And yet he was so much more than this For behind that image which all too often he played up to in public was a vastly complex individual a man of deep passions and loyalty but also deep rooted vulnerability and insecurities Why was a proud patriotic intelligent successful and erudite man so obsessed about proving himself to others time and time again Although the Reed myth is of Homeric proportions he remains a national treasure and somewhat peculiar icon Praise for other books by Robert Sellers Hellraisers The Life and Inebriated Times of Richard Burton Richard Harris Peter O Toole and Oliver Reed So wonderfully captures the wanton belligerence of both binging and stardom you almost feel the guys themselves are telling the tales GQ Vic Armstrong The True Adventures of the World's Greatest Stuntman This is the best and most original behind the scenes book I have read in years gripping and revealing Roger Lewis Daily Mail Don't Let the Bastards Grind You Down a rollicking good read Sellers has done well to capture a vivid snapshot of this exciting time Lynn Barber Sunday Times War Representation in British Cinema and Television Kevin M. Flanagan, 2019-10-25 This book explores alternatives to realist triumphalist and heroic representations of war in British film and television Focusing on the period between the Suez Crisis of 1956 and the Falkland War but offering connections to the moment of Brexit it argues that the lost continent of existential satirical simulated and abstractly traumatic war stories is as central to understanding Britain's martial history as the mainstream inheritance The book features case studies that stress the contribution of exiled or expatriate directors and outsider sensibilities with particular emphasis on Peter Watkins Joseph Losey and Richard Lester At the same time it demonstrates concerns and stylistic emphases that continue to the present in television series and films by directors such as Lone Scherfig and Christopher Nolan Encompassing everything from features to government information films the book explores related trends in the British film industry popular culture and film criticism while offering a sense of how these contexts contribute to historical memory **Hollywood Stories** Stephen Schochet, 2010 Just when you thought you've heard everything about Hollywood comes a totally original new book a special blend of biography history and lore Hollywood Stories is packed with wild wonderful short tales about famous stars movies directors and many others who have been part of the world's most fascinating unpredictable industry Full of funny moments and twist endings Hollywood Stories features an amazing icons and will keep you totally entertained **Dark Victory** Ed Sikov, 2007-10-30 The legendary Hollywood star blazes a fiery trail in this enthralling portrait of a brilliant actress and the movies her talent elevated to greatness She was magnificent and

exasperating in equal measure Jack Warner called her an explosive little broad with a sharp left Humphrey Bogart once remarked Unless you re very big she can knock you down Bette Davis was a force of nature an idiosyncratic talent who nevertheless defined the words movie star for more than half a century and who created an extraordinary body of work filled with unforgettable performances In *Dark Victory* the noted film critic and biographer Ed Sikov paints the most detailed picture ever delivered of this intelligent opinionated and unusual woman who was in the words of a close friend one of the major events of the twentieth century Drawing on new interviews with friends directors and admirers as well as archival research and a fresh look at the films this stylish intimate biography reveals Davis s personal as well as professional life in a way that is both revealing and sympathetic With his wise and well informed take on the production and accomplishments of such movie milestones as *Jezebel* *All About Eve* and *Now Voyager* as well as the turbulent life and complicated personality of the actress who made them Sikov s *Dark Victory* brings to life the two time Academy Award winning actress s unmistakable screen style and shows the reader how Davis s art was her own dark victory

Raising Hell Richard Crouse,Stacey Madden,2013 From exclusive interviews with director Ken Russell and new interviews with cast crew and historians comes this examination of the beautifully blasphemous film *The Devils* Based on historical fact this controversial 1971 film is about an oversexed priest and a group of sexually repressed nuns in 17th century France and the ensuing trials and exorcisms that followed Details the production and the personalities of two of cinema s great eccentrics director Ken Russell and star Oliver Reed as well as the film s reception and legacy

Harry Alan Towers Dave Mann,2014-10-21 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded

as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the burgeoning niche markets becoming available in the wake of technological developments and government initiatives *"Twice the Thrills! Twice the Chills!"* Bryan Senn,2019-02-28 In the mid 1950s to combat declining theater attendance film distributors began releasing pre packaged genre double bills including many horror and science fiction double features Though many of these films were low budget and low end others such as Invasion of the Body Snatchers Horror of Dracula and The Fly became bona fide classics Beginning with Universal International s 1955 pairing of Revenge of the Creature and Cult of the Cobra 147 officially sanctioned horror and sci fi double bills were released over a 20 year period This book presents these double features year by year and includes production details historical notes and critical commentary for each film **Embracing the Darkness** John Callow,2017-10-30 As dusk fell on a misty evening in 1521 Martin Luther hiding from his enemies at Wartburg Castle found himself seemingly tormented by demons hurling walnuts at his bedroom window In a fit of rage the great reformer threw at the Devil the inkwell from which he was preparing his colossal translation of the Bible A belief like Luther s in the supernatural and in black magic has been central to European cultural life for 3000 years From the Salem witch trials to the macabre novels of Dennis Wheatley from the sadistic persecution of eccentric village women to the seductive sorceresses of TV s Charmed and from Derek Jarman s punk film Jubilee to Ken Russell s The Devils John Callow brings the twilight world of the witch mage and necromancer to vivid and fascinating life He takes us into a shadowy landscape where in an age before modern drugs the onset of sudden illness was readily explained by malevolent spellcasting And where dark winding country lanes could terrify by night as the hoot of an owl or shriek of a fox became the desolate cries of unseen spirits Witchcraft has profoundly shaped the western imagination and endures in the forms of modern day Wicca and paganism Embracing the Darkness is an enthralling account of this fascinating aspect of the western cultural experience
