## **Evil God Of Love:**

**God Is Love** Gerald Bray, 2012-03-31 While there is no substitute for personal faithful and careful Bible reading and prayer the Bible's vast size and diversity can make distilling its truth a daunting task Thus most Christians benefit from supplemental resources to help learn and apply what Scripture teaches Renowned theologian Gerald Bray has produced just such a resource in his new systematic theology Though packed with robust content he writes about this volume the aim is to reach those who would not normally find systematic theology appealing or even comprehensible This volume is unique from others in that Bray traces the common theme of God's love through the Bible categorically from God's love for himself and his creation to the cross as the ultimate expression of God's love among other categories The centrality of God's love in Bray's theology reflects a deep conviction that the Bible shows us God for who he really is This volume will be of interest to Christians seeking to grow in their faith God Is Love Ron Swingle, **The Good God** Michael Reeves, 2012-03-01 In a very accessible way Michael Reeves writes about God as Trinity in order for both our understanding and faith to grow In **The Good God** Michael Reeves writes about growing in our enjoyment of God and seeing how God's triune being makes all his ways beautiful He sees it as a chance to taste and see that the Lord is good to have our hearts won and ourselves refreshed

Evil and the God of Love John Hick, 2007-11-28 When first published *Evil and the God of Love* instantly became recognized as a modern theological classic widely viewed as the most important work on the problem of evil to appear in English for more than a generation It has continued to be at the centre of discussions ever since Alongside a new preface by the author this reissue of the work includes a foreword by Marilyn McCord Adams **Student's Guide to As Relig. Studies, Ocr** Rhinegold Publishing Limited, **Understanding and Knowing God** Roan Rickard, 2018-11-12 Though unseen and unheard the God of the Bible exists Religious wars and atrocities in the history of the Christian West may cause many to disbelieve in God or see Him in a negative light God did not cause these horrors nor is He responsible for these or any other sins of man God is in fact love as John described Him Much of popular culture today reviles God based upon spiritually naive opinions What of pain suffering inequity and injustices How can we say that God is love in the face of this reality Understanding such difficult questions requires development of a spiritually informed perspective Consider if the God of the Bible exists God Almighty our creator surely He must be competent to reveal Himself to us Indeed He is competent and biblical scripture reveals God to mankind Yet God is an elegant personality and scripture is an elegant message Knowing Him and comprehending His scripture require effort The mendicant seeking God and studying scripture must yield heart and mind to renewal unlearn many biases learn new and astonishing ideas and become susceptible to God's Spirit informing retraining and transforming us Spiritual objectivity is possible This book is the product of one adult life spent tenaciously seeking God The author declares that the biblical God does exist He is understandable and knowable Life with God with God dwelling with us and within us is our greatest birthright By God's design we are all children of God As children of God we

have a glorious spiritual inheritance available to us if only we can lift our eyes upon it and make it our own This book has been written to help people everywhere cut through the philosophical theological social cultural and spiritual static of our times that they might walk with God as Enoch Abraham Moses David or Elijah walked Our intimacy with God can and should be as vibrant and constant as any Bible hero we could name To this end bringing people into not only relationship but also spiritual intimacy with God this book was written     The Love of God Rev. Dr. Sue Perry,2023-10-17 The Love of God is everywhere you look It is in the very air we breathe His love is unique and incomprehensible yet available for all His children It creates us sustains us and opens the door to God s presence and eternity The more you learn the more you will be awed that you are indeed the object of that perfect love The Love of God presents a study of passages of scripture that relate God s love revealing His presence and plan for all of humanity It was there at the beginning and has no end and there is nothing more powerful or faithful It guides protects and delivers comforts and heals It is free There is no greater love than the love of God and you are His beloved     *To Thee Be the Kingdom, the Power, and the Glory* Dwayne Lesueur,2018-04-07 We are living in the last hour The plot thickens between the forces of light and darkness Jesus Victory is on the rise and his victory is eminent His era has begun Jesus Christ has cracked open the code to the Abundant Life He hasl abolishes foes He will obtain the kingdom the power and the glory that are rightfully his He is a door whoever enters him will be saved     *Fill Your Life with Love* Mark Lehman,2007-08 Lehman reveals how to ensure every phase of life becomes a blessing through Gods supernatural power Practical Life     The Transforming Fire of Divine Love John H. Armstrong,2025-03-01 Most Bible readers know God is love 1 John 4 8 16 And most have heard the words of John 3 16 God so loved the world perhaps the best known verse in the entire Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe     **Love Does Not Control** Thomas Jay Oord,John Loppnow,Annie DeRolf,Christy Gunter,Lon Marshall,2023-04-03 That love does not control seems obvious to many people And yet the temptation to control often with good motives is strong The long term results of yielding to this temptation damage everyone Contributors to Love Does Not Control explore uncontrolling love and a vision of God as uncontrolling They do so from their perspectives as therapists psychologists and counselors Writers ponder what uncontrolling love might mean for human healing Open and relational theology operates as

the underlying framework for most contributors That theology fits nicely with the belief that love is uncontrolling Open and relational theology rethinks divine power in light of love and postulates what it might mean for creatures to imitate their Creator s uncontrolling love The essays in Love Does Not Control are diverse Readers may discover some differences of opinion as they move from essay to essay But contributors share in common the quest to explore what uncontrolling love means for issues in counseling psychology and or therapy These essays have a power that goes beyond mere theoretical reflection The ideas in these pages have the capacity to transform our living And even reading Love Does Not Control has the potential to become an exercise in uncontrolling love

**For the Glory of God** Stephen Stonehocker,2024-11-26 Growing up in a small town in Montana author Stephen

Stonehocker loved the outdoors hiking the mountains and photographing the beauty of God's creation. But one question haunted him: Am I the person God created me to be? Is there more to this relationship with God? Stonehocker wrote articles as he explored who God is and who God wanted him to be. In *For the Glory of God*, Stonehocker shares a compilation of these articles that focus on living the Christian life. He addresses the questions he so often asked himself as he tried to figure out who he is, who God is, and to understand the relationship God wants to have with each of us. Through these stories, Stonehocker provides encouragement and guides you into deeper faith in God and a closer relationship with the creator of the universe. Jesus desires to have a close relationship with each of us. *For the Glory of God* asks if you are ready to find that relationship with Jesus.

*Waiting for Heaven* Heather Gillis, 2014-03-27 Life can sometimes lead us to unexpected places to only leave us broken, desperate, and hurting. Heather Gillis and her husband Mac waited in anticipation for the birth of their third child. Like many Christian couples, their dreams and expectations in marriage, parenthood, and daily life developed differently than they'd planned, and left them grieving a life that would never be. Their journey gives insight into a new normal and uncovers the stepping stones of the healing process. In their process, they re-discovered God's abounding love through their experiences of joy, heartbreak, and purpose. Heather reaches out to parents around the globe to speak openly about being a wife, mother, friend, relative, or stranger during life-changing trials and devastating struggles. In God's love, she has found beauty in the midst of pain, as well as peace in His presence on Earth while waiting for heaven.
