

**Earth Evolution theory is based on mathematical modelling – hot!**

## What changes with the new EagleEye data??

Solar System formed 4.57 Ga  
Collision with Mars sized planet  
4.47 Ga. Earth semi-molten.

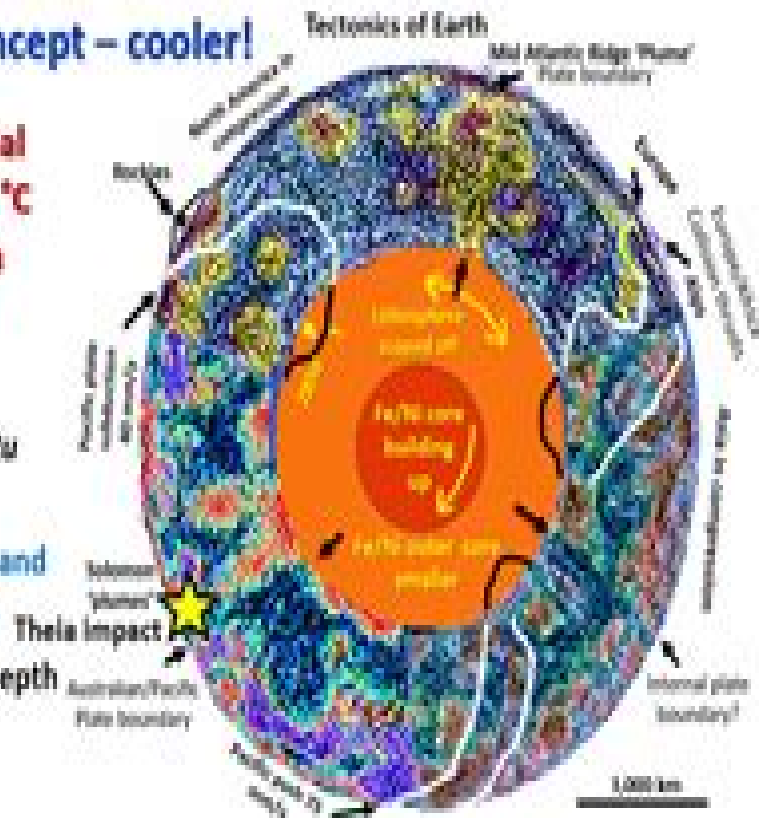

**Watchorn Earth Evolution concept – cooler!**

After collision Earth cooler, original debris at space temperature -100 °C and gradually heated up - ocean covered.

No mobile lava lamp plumes seen - lithosphere generally brittle and *insitu* replaced forming magma

Mineralising fluids from core scavenge and deposit minerals when ascending

Ring and linear structures to 2,850 km depth correlate with surface mines.

## Evolution Of The Earth W Labstudies:

*Which Degree?* ,1981      **The Evolution of Sex** Kevin Lee Teather,2024-10-31 The evolutionary objective of both sexes is to optimize the number of genes they contribute to following generations Invariably the most efficient way to achieve this is to have many high quality offspring However males and females can be influenced by very different biological forces that subsequently shape their reproductive strategies This readable account of the evolution of sexual reproduction highlights these differences between the sexes specifically the potential for both conflict and co operation at the level of the individual Males and females are often very different when it comes to carrying out their reproductive strategies and may be at odds as to how best to maximize their success This book discusses those differences how they arose what they are and provides a wealth of examples to better understand how the two biological sexes approach sexual reproduction The Evolution of Sex is an accessible primer suitable for both undergraduate and graduate students of anthropology psychology and biology It will also appeal to a more general audience seeking a better understanding of human sexual behaviour from an evolutionary viewpoint      **Annot Inst Edit Lab Man Biol 3e /Campbell** Benjamin-Cummings Publishing Company,Judith Giles Morgan,1994-02      **Government-wide Index to Federal Research & Development Reports** ,1967      **Nuclear Science Abstracts** ,1976      U.S. Government Research & Development Reports ,1966-11      **Department of Transportation and Related Agencies Appropriations for 2002: 2002 budget justifications** United States. Congress. House. Committee on Appropriations. Subcommittee on Department of Transportation and Related Agencies Appropriations,2001      **A History of the USDA National Tillage Machinery Laboratory** William R. Gill,1990      Energy and Water Development Appropriations for 2010: Dept. of Energy fiscal year 2010 justifications United States. Congress. House. Committee on Appropriations. Subcommittee on Energy and Water Development,2009      **Scientific and Technical Aerospace Reports** ,1995 Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database      *Department of Transportation and Related Agencies Appropriations for 2002* United States.
