## **Evolving Human A True Story Of Awakened Kundalini:**

*The Evolving Human* Penny L. Kelly,2005-06-01 The Evolving Human is the compelling true story of one woman's struggle with a sudden spontaneous awakening of kundalini the ancient Eastern term for a massive awakening of the powers of consciousness From the surprising beginning through the confusing sometimes life threatening events that unfold to its profound conclusion it gradually becomes clear that the awakening of consciousness is the entry into true spiritual development What is unexpected however is the fact that we are all designed and built to evolve in this way and that the evolution of human beings into truly spiritual creatures is a far more extensive and life changing process than anyone may have suspected

*EVOLVING HUMAN ANNIVERSARY WITH* Penny Kelly,2017-02-05 We are designed to unfold into great beings of power wisdom and unlimited consciousness This is the true story of awakening kundalini and the massive transformations of consciousness it generates in the body mind system

**The True Story of Human Evolutionary Genesis** Elvis Newman,2015-01-20 No doubt history is littered with theories and beliefs that not only proved to be wrong in the end but also costly as far as the human search for truth and development is concerned The view that the Earth was the physical and the biological center of the Universe was one such failed theory one that cost many famous scientists most of their lives and held back societies everywhere for decades or hundreds of years behind what is now considered a given truth In the current work under consideration religion and evolution theories come under scrutiny in light of recent scientific facts that dispute their most important claims about the origins of the species In *The True Story of Human Evolutionary Genesis* Elvis Newman presents both astounding facts and findings about the human genome as well as paradigm shifting theories emanating from Zecharia Sitchin's work around the Sumerian clay tablets

**The Pleiadian House of Initiation** Mary T. Beben,2014-08-16 A step by step tour through our spiritual home in the Pleiades Recounts the author s spiritual trials to reach the highest levels of her soul s celestial mansion and her encounters with immortal wisdom teachers such as White Buffalo Woman Taliesin Mother Mary and Grandmother Spider Includes lessons to help jettison fear and jealousy so we can continue our ascension to higher consciousness Offers a prophetic glimpse into the future of life on Earth

how our planet is the key to conscious evolution and humanity's divine role as Keepers of Earth. Inviting each of us to discover our spiritual home in the higher realms, Mary Beben provides a visionary tour of the celestial mansion of her family in the Pleiades, a home she inhabited prior to this incarnation on Earth. She explains how transitioning into materiality causes each of us to forget our starry origins, yet it is still possible to remember our Pleiadian heritage and divine reasons for choosing to manifest on Earth. Beben details her initiatic journey as she rediscovered the beautiful rooms on each floor of her Pleiadian house and learned to ascend to higher consciousness while remaining lovingly rooted in the Earth. She recounts her trials to reach the higher levels of the building and her encounters with immortal wisdomkeepers such as White Buffalo Woman, Taliesin, Mother Mary, and Grandmother Spider. Embedded throughout her story are lessons to help each of us jettison psychological baggage like fear and jealousy so we can continue our ascension and fulfill our Pleiadian birthright. Beben explains how her journey offers a prophetic glimpse into the future of life on Earth as well as the key to opening the heart to the higher realms of existence. She shows how ascension will not mean departing Earth but will place our Earthen reality in perspective and help solve problems that seem insurmountable from this dimension. In rediscovering the celestial origins of our souls, we recognize not only the Earth as the key to conscious evolution but also our role as the Keepers of Earth, the planet celebrated throughout the universe on which each of us is fortunate to have chosen incarnation.

Touched by the Light Yvonne Kason, 2019-08-03. How Peak Spiritual Experiences Transform Lives. Today Dr. Yvonne Kason's life was touched by five Near Death experiences (NDEs), the most recent in 2003. In 1994, she coined the now widely used phrase Spiritually Transformative Experiences (STEs). These include Near Death Experiences, mystical experiences, spiritual energy or kundalini awakenings, diverse psychic experiences, and inspired creativity. Touched by the Light is a synthesis of forty years of Dr. Kason's research on STEs and their profound after effects on body, mind, and spirit. Filled with fascinating case studies, Touched by the Light is inspiring to all as well as a practical guide for those experiencing STEs and their counsellors. *Sacred Path of Reiki* Katalin Koda, 2008.
