Their marriage and the peace and prosperity it represents are a lightning rod for all, including Imperial remnants still clinging to power. Facing their most desperate hour, the soldiers of the Empire have dispersed across the galaxy, retrenching on isolated planets vulnerable to their influence. As the *Halcyon* travels from world to world, one thing becomes abundantly clear: The war is not over. But as danger draws closer, Han and Leia find that they fight their best battles not alone but as husband and wife.
