Ex-Italian Somaliland Estelle Sylvia Pankhurst, 1951 Ex-Italian Somaliland E. Sylvia Pankhurst, 1969 **Ex-Italian Somaliland** Sylvia Pankhurst, 2013 **Ex-Italian Somaliland, Etc. [With Maps and Plates.]**. Estelle Sylvia Pankhurst, 1951 **Ex-Italian Somaliland; with a Foreword by Peter Freeman**, 1951 The Disposition of Ex-Italian Somaliland by the General Assembly of the United Nations Charles Owen Ingram, 1958 **Ex-Italian Somaliland. With a Forew. by P. Freeman** Estelle Sylvia Pankhurst, P. Freeman, 1951 *A History of Italian Colonialism, 1860-1907* Giuseppe Finaldi, 2016-11-10 This book provides a narrative history of Italian colonialism from Italian unification in the 1860s to the first decade of the twentieth century that is it details Italy's imperialism in the years of the Scramble for Africa. It deals with the factors that drove Italy to search for territory in Africa in the 1870s and 1880s and describes the reasoning behind the trajectories adopted and objectives pursued. The events that brought Italy to open conflict with the Ethiopian Empire culminating in the Italian defeat at Adowa in March 1896 are central to the book. However, its scope is much broader as it considers the establishment of Italian power in Eritrea as well as Somalia before and after the defeat. By telling its history it explains why Italy emerged irresolute and humiliated in this its first thrust into Africa yet nonetheless determined to pursue expansion in the future. The seeds for the conquest of Libya in 1911 and Ethiopia in 1935 had been sown. Ethiopian Revolution 1974-1991 Teferra Haile-Selassie, 2013-12-19 First published in 1997 Ethiopia the only country in Africa to survive the nineteenth century European scramble for the continent has a long unique and complex history. This stretches back over three million years to Lucy or as the Ethiopians call her Dinkeneshe the earliest known ancestor of the human race to the political turmoil of late twentieth century Africa. Teferra Haile Selassie writes partly as a historian but also and perhaps more importantly as a sincere and sensitive observer who lived through the later historical events which he describes and indeed played a notable role in several of them. *Decolonising Europe?* Berny Sèbe, Matthew G. Stanard, 2020-04-01 *Decolonising Europe* Popular Responses to the End of Empire offers a new paradigm to understand decolonisation in Europe by showing how it was fundamentally a fluid process of fluxes and refluxes involving not only transfers of populations, ideas and sociocultural practices across continents but also complex intra-European dynamics at a time of political convergence following the Treaty of Rome. Decolonisation was neither a process of sudden rapid changes to European cultures nor one of cultural inertia but a development marked by fluidity, movement and dynamism. Rather than being a static process where Europe's former metropolises and their peoples at home reacted to the end of empire, out there decolonisation translated into new realities for Europe's cultures, societies and politics as flows, ebbs, fluxes and cultural refluxes reshaped both former colonies and former metropolises. The volume's contributors set out a carefully crafted panorama of decolonisation's sequels in European popular culture by means of in-depth studies of specific cases and media analysing the interwoven meaning, momentum, memory, material culture and migration patterns of the end of empire across eight major European countries. The

revised meaning of decolonisation that emerges will challenge scholars in several fields and the panorama of new research in the book charts paths for new investigations The question mark in the title asks not only how European cultures experienced the end of empire but also the extent to which this is still a work in progress

State Collapse and Post-conflict Development in Africa Abdullah A. Mohamoud, 2006 Mohamoud's work considers the underlying causes for the breakdown of the state across both time and space Time is considered across the triple history the pre colonial colonial and post colonial processes Space is used in the sense of taking the whole of Somalia as a unit of analysis This approach enables the discovery of different structural crises over a period of time and examines these cumulative effects on the current upheavals in Somalia Among the approaches *State Collapse and Post Conflict Development in Africa* covers the constraints in the harsh material environment the subsistence pastoral mode of existence the colonial intervention and the subsequent division of the land into five parts Cold War geopolitics decades of armed struggles and the post colonial crisis of governance Dr Abdulla Awil Mohamoud runs SAHAN an academic research and consultancy agency which conducts policy oriented research and fact finding missions abroad mainly in Africa undertakes evaluation and monitoring activities provides training and offers advisory services on integration and multi cultural issues He holds an MA degree from Jawaharlal Nehru University New Delhi and earned his PhD at the University of Amsterdam Mohamoud has served regularly as an election observer in UN EU Council of Europe and OSCE missions to conflict and war torn societies to East Timor Kosovo Nigeria Serbia and Zimbabwe

King's African Rifles Malcolm Page, 2011-03-30 Whatever one may think about the rights and wrongs of colonial rule it is hard to deny that during the first half of the this century those African countries which then came under British administration enjoyed a period of stability which most now look back upon with a profound sense of loss Paradoxical though it may seem one of the bulwarks of that stability was each country's indigenous army Trained and officered by the British these force became a source of both pride and cohesion in their own country none more so than the King's African

Rifles founded in 1902 and probably the best known of the East African forces In this the first complete history of the East African forces Malcolm Page who himself served in the Somaliland Scouts for a number of years has had access to much new material while researching the history of each unit from its foundation to the time of independence Historians in several fields will be grateful to him for having put on record this very important period in the annals of both Great Britain and East Africa while the memories of many who served there were still fresh and they themselves will perhaps be most grateful of all for this lasting tribute to the men they served and who served them for in that shared sense of duty lay the true spirit of East African Forces *Widener Library Shelflist* Harvard University.
