The Messianic Matrix Loren W Caudill,2006-10 The Messianic Matrix is a thrilling journey of theological concepts that define the Pentecostal experience It is a ground breaking and sweeping endeavor that utilizes the best of modern scholarship Finally in this exciting redefinition of baptism in the Spirit Loren Caudill has produced a fascinating theology of Pentecost that is at once complex and compelling Reaching into modern scholarship and his Pentecostal experience the author lifts the veil on ultimate reality and its relationship to Spirit Baptism and to the heavenly places in Christ For the first time in modern history definitions of New Testament terms like born again new creation and yes even the term Christian are defined from within their original Pentecostal settings The reader will sense a fresh wind of excitement as the traditional concepts of eternal life the kingdom of God water baptism the mystery of Christ the church and of believers inheritance are scrutinized Just as believers in mass have become fatigued of church as usual The Messianic Matrix offers Pentecostals and Fundamentalists alike a new and biblical paradigm for life together in Christ [Philippians, Colossians, & Philemon](#)

But God Cheryl David,2012-11 The bible tells us that faith is the substance of things hoped for the evidence of things unseen However as believers when faced with adverse circumstances we waiver in faith during the

waiting period and although we won't readily admit it we doubt God's ability to step in and change what seems impossible to possible Scripture reminds us that God is the ultimate supreme ruler We have evidence scriptural personal and otherwise where indeed He has made a way where there previously seemed to be only obstacles barriers and mountains But yet when going through periods of adversity testing or challenge we forget We cave in under the pressures and like Peter we begin to sink Peter defied laws of gravity and successfully walked on water for the time when his eyes were completely fixed on Jesus The moment he looked down at the reality of his circumstances he began to experience natural rather than spiritual results and sank This book is a reminder that in spite of what we are going through our eyes are to remain fixed on our God There are real people who have been healed of all types of terminal diseases There are marriages that were considered irreparable which have been restored women who were diagnosed as being barren have gone on to bear healthy children and there are children who were labeled as educable mentally retarded who have grown up to achieve and succeed academically and otherwise Does your situation seem hopeless Are you about to give up on your children marriage or search for a job Who has the final say Is it man is it your circumstance or is it God Man may make a negative proclamation diagnosis or declaration but God is able to deliver positive favorable and rewarding results **Antiquitates Apostolicæ, etc** William CAVE (D.D.),1694

Antiquitates Christianae Jeremy Taylor,1678 **I Am** Ann Sowell Brock,2014-12-09 In scripture a person's name epitomizes the very essence of his identity The abundance of God's names in His Word showcases the many aspects of His identity that reflect the ways He meets the daily situations of our lives God desires that we seek Him know Him and understand His ways One can attain a deeper revelation of the majesty of God by what He has revealed about Himself through His names A canvas of His names vividly displays the majesty of His inexhaustible character to one hungry to know Him Gazing into the face of I AM through His names captivates the seeking heart to drink in the thirst quenching beauty of our awesome God I Am is a collection of 366 meditations on the names and attributes of God that reveals the splendor of His character to every heart seeking to know and understand Him I Am invites those who long for new heights of joy and delight in His presence to discover daily revelations about Him to develop a renewed passion to know Him to experience deeper levels of intimacy with Him to create a deeper longing for prayer to Him to build a stronger foundation of faith in Him
