Excavation Of The Donner Reed Wagons:

Excavation of the Donner-Reed Wagons David B. Madsen, 1990 *Excavation of the Donner-Reed Wagons* David B. Madsen, 1999 Well illustrated with maps and site plans drawings and photographs of such items as tools weapon fragments china and the wagons themselves this is a must read for anyone interested in trail history and the Donner party The Archaeology Of The Donner Party Donald L Hardesty, 2005-10-05 The tragic saga of the Donner Party has inspired both legend and scholarship ever since the survivors were rescued from the High Sierra snows in the spring of 1847 When archaeologist Donald L Hardesty and four colleagues a historian and three other archaeologists turned their collective attention to the ordeal of the Donner Party the result was an original and sometimes surprising new study of this pioneer group and their place in the history of overland migration Now available for the first time in paperback The Archaeology of the Donner Party combines the fruits of meticulous investigation of the Sierra Nevada sites with scientific analysis of artifacts discovered there and interpretation of the documents of the party and the memoirs of survivors Through this interdisciplinary approach Hardesty and his colleagues offer new insight into the ordeal of these ill fated emigrants and demonstrate the vital role that archaeology can play in illuminating and expanding our understanding of historical events Contributions by Michael Brodhead Donald K Grayson Susan Lindstrom and George L Miller **Wagons West** Frank McLynn, 2007-12-01 An acclaimed historian's compellingly told year by year account of the pioneering efforts to conquer the American West in the mid nineteenth century The Guardian In all the sagas of human migration few can top the drama of the journey by Midwestern farmers to Oregon and California from 1840 to 1849 between the era of the fur trappers and the beginning of the gold rush Even with mountain men as guides these pioneers literally plunged into the unknown braving all manner of danger including hunger thirst disease and drowning Employing numerous illustrations and extensive primary sources including original diaries and memoirs McLynn underscores the incredible heroism and dangerous folly on the overland trails His authoritative narrative investigates the events leading up to the opening of the trails the wagons and animals used the roles of women relations with Native Americans and much else The climax arrives in McLynn's expertly recreated tale of the dreadful Donner party and he closes with Brigham Young and the Mormons beginning communities of their own Full of high drama tragedy and triumph rarely has a book so wonderfully brought to life the riveting tales of Americans trek to the Pacific Publishers Weekly **Reading Aridity in Western American Literature** Jada Ach, Gary Reger, 2020-12-14 In literary and cinematic representations deserts often betoken collapse and dystopia Reading Aridity in Western American Literature offers readings of literature set in the American Southwest from ecocritical and new materialist perspectives This book explores the diverse epistemologies histories relationships futures and possibilities that emerge from the representation of American deserts in fiction film and literary art and traces the social cultural economic and biotic narratives that foreground deserts prompting us to reconsider new provocative modes of human nonhuman engagement in

arid ecogeographies **An Archaeology of Desperation** Kelly J. Dixon, 2014-10-20 The Donner Party is almost inextricably linked with cannibalism In truth we know remarkably little about what actually happened to the starving travelers stranded in the Sierra Nevada in the winter of 1846 47 Combining the approaches of history ethnohistory archaeology bioarchaeology and social anthropology this innovative look at the Donner Party's experience at the Alder Creek Camp offers insights into many long unsolved mysteries Centered on archaeological investigations in the summers of 2003 and 2004 near Truckee California the book includes detailed analyses of artifacts and bones that suggest what life was like in this survival camp Microscopic investigations of tiny bone fragments reveal butchery scars and microstructure that illuminate what the Donner families may have eaten before the final days of desperation how they prepared what served as food and whether they actually butchered and ate their deceased companions The contributors reassess old data with new analytic techniques and by examining both physical evidence and oral testimony from observers and survivors add new dimensions to the historical narrative The authors integration of a variety of approaches including narratives of the Washoe Indians who observed the Donner Party destroys some myths deconstructs much of the folklore about the stranded party and demonstrates that novel approaches can shed new light on events we thought we understood **Utah Historians and the Reconstruction of Western History** Gary Topping, 2003 Among historians of Utah and the American West few names have greater resonance than Bernard DeVoto Dale Morgan Juanita Brooks Wallace Stegner and Fawn Brodie Each of these writers made enduring contributions not only to our knowledge of the American West but also to our view of the region and its history In many ways their writing set the standard for scholarship and interpretation and their influence is still felt today Yet they were not flawless As Gary Topping explains in this the first comprehensive appraisal of their work each had serious shortcomings DeVoto and Stegner master storytellers distorted their histories with excessive use of literary and artistic techniques Morgan the thorough researcher failed to see larger contexts and interpretive possibilities Brooks courageous in finding damning new information on the Mountain Meadows massacre stopped short of drawing conclusions that might alienate her from her fellow Mormons and Brodie psychobiographer extraordinaire nonetheless succumbed to reading too much into the lives of her subjects based on her own emotions and conflicts All five writers experienced Mormon Utah in the formative stages of their lives and whether they wanted to or not fashioned their work on the American West under that indelible influence Topping shows ultimately how despite weaknesses each created exemplary models of diligent research and narrative elegance while establishing new traditions in western historical scholarship **The Snow Fell Three Graves Deep** Allan Wolf, 2020-09-08 In powerful vivid verse the master behind *The Watch That Ends the Night* recounts one of history's most harrowing and chilling tales of survival In 1846 a group of emigrants bound for California face a choice continue on their planned route or take a shortcut into the wilderness Eighty nine of them opt for the untested trail a decision that plunges them into danger and desperation and finally the unthinkable From extraordinary poet and novelist Allan Wolf comes a

riveting retelling of the ill fated journey of the Donner party across the Sierra Nevadas during the winter of 1846 1847
 Brilliantly narrated by multiple voices including world weary taunting and all knowing Hunger itself this novel in verse
 examines a notorious chapter in history from various perspectives among them caravan leaders George Donner and James
 Reed Donner s scholarly wife two Miwok Indian guides the Reed children a sixteen year old orphan and even a pair of oxen
 Comprehensive back matter includes an author s note select character biographies statistics a time line of events and more
 Unprecedented in its detail and sweep this haunting epic raises stirring questions about moral ambiguity hope and resilience
 and hunger of all kinds *Utopias and Utopians* Richard C.S. Trahair,2013-10-31 Utopian ventures are worth close attention
 to help us understand why some succeed and others fail for they offer hope for an improved life on earth Utopias and
 Utopians is a comprehensive guide to utopian communities and their founders Some works look at literary utopias or political
 utopias etc and others examine the utopias of only one country this work examines utopias from antiquity to the present and
 surveys utopian efforts around the world Of more than 600 alphabetically arranged entries roughly half are descriptions of
 utopian ventures the other half are biographies of those who were involved Entries are followed by a list of sources and a
 general bibliography concludes the volume **HorseMuleGrizzlyIndianBuffalo Wrecks of the Frontier West** Mike
 Stamm,1996-07 *Desperate Passage* Ethan Rarick,2008-02-04 Drawing on fresh archaeological evidence recent research
 on topics ranging from survival rates to snowfall totals and heartbreaking letters and diaries made public by descendants a
 century and a half after the tragedy Ethan Rarick offers an intimate portrait of the Donner party and their unimaginable
 ordeal a mother who must divide her family a little girl who shines with courage a devoted wife who refuses to abandon her
 husband a man who risks his life merely to keep his word But Rarick resists both the gruesomely sensationalist accounts of
 the Donner party as well as later attempts to turn the survivors into archetypal pioneer heroes The Donner Party Rarick
 writes is a story of hard decisions that were neither heroic nor villainous Often the emigrants displayed a more realistic and
 typically human mixture of generosity and selfishness an alloy born of necessity **The Mule Alternative** Mike
 Stamm,1992 **The Donner Party Chronicles** Frank Mullen,1997 The Donner Party has become a tragic icon of the
 American march west From Independence Missouri to Sutter s Fort California the party endured almost unimaginable
 hardship and suffering Author Frank Mullen Jr gives us a day by day account of their struggle for survival as they journey
 across the trail west The Reno Gazette Journal and the Nevada Humanities Committee present Frank Mullen s account of the
 Donner Party accompanied by hundreds of historical illustrations and Marilyn Newton s photographs of the trail today Book
 Jacket Lost California Treasure W. Craig Gaines,2023 Tales of California s buried treasures lost mines and hidden loot
 From the Pacific Ocean to the eastern Sierra Nevada Mountains California is bursting with rumors of lost riches Sunken
 cargo from the steamship Brother Jonathon is rumored to still be out there awaiting discovery as well as the location of the
 famous lost Breyfogle Mine Outlaws like Three Finger Jack and Joaquin Murrieta were said to have stashed their loot while

evading law enforcement and Sir Francis Drake's English pirates buried treasures all along the coast. Deep underground and underwater a bounty waits for some lucky prospector. Join author W. Craig Gaines as he unearths stories of legendary and historic lost treasures yet to be found in the Golden State.

Archaeology Kevin Greene, 2002-11 This fourth edition constitutes the most extensive reshaping of the text to date. In a lucid and accessible style Kevin Greene explains the discovery and excavation of sites, outlines major dating methods, gives clear explanations of scientific techniques and examines current theories and controversies. New features include a completely new user-friendly text design with initial chapter overviews and final conclusions, key references for each chapter section, an annotated guide to further reading, a glossary, refreshed illustrations, case studies and examples, bibliography and full index, a new companion website built for this edition providing hyperlinks from contents list to individual chapter summaries which in turn link to key websites and other material, an important new chapter on current theory emphasizing the richness of sources of analogy or interpretation available today. This new edition provides students with a sound introduction to the field of archaeology and guides them towards further study.

Partisans, Guerillas, and Irregulars Steven D. Smith, Clarence R. Geier, 2019-06-25 Essays that explore the growing field of conflict archaeology. Within the last twenty years the archaeology of conflict has emerged as a valuable subdiscipline within anthropology, contributing greatly to our knowledge and understanding of human conflict on a global scale. Although archaeologists have clearly demonstrated their utility in the study of large-scale battles and sites of conventional warfare such as camps and forts, conflicts involving asymmetric guerilla or irregular warfare are largely missing from the historical record. *Partisans, Guerillas, and Irregulars: Historical Archaeology of Asymmetric Warfare* presents recent examples of how historical archaeology can contribute to a better understanding of asymmetric warfare. The volume introduces readers to this growing study and to its historic importance. Contributors illustrate how the wide range of traditional and new methods and techniques of historiography and archaeology can be applied to expose critical actions, sacrifices and accomplishments of competing groups representing opposing philosophies and ways of life which are otherwise lost in time. The case studies offered cover significant events in American and world history including the French and Indian War, the American Revolution, Indian wars in the Southeast and Southwest, the Civil War, Reconstruction, Prohibition and World War II. All such examples used here took place at a local or regional level and several were singular events within a much larger and more complex historic movement. While retained in local memory or tradition and despite their potential importance, they are poorly and incompletely addressed in the historic record. Furthermore, these conflicts took place between groups of significantly different cultural and military traditions and capabilities, most taking on a David vs Goliath character, further shaping the definition of asymmetric warfare.

Unfortunate Emigrants Kristin Johnson, 1996 A selection of rare early accounts of the 1846 emigrant party that was trapped in the winter snows of the Sierra Nevada, recounting their strenuous and conflict-ridden trail west, their experiences of starvation, death and cannibalism, and the

herculean but disorganized effort s of Californians to rescue survivors
Deem,1994-05 Discusses what treasure is and how to go about finding it
Bibliographic Guide to Anthropology and Archaeology ,1991

How to Hunt Buried Treasure James M.
"A Magic Mirror" Richard Scott Mobley,1997
