Quiroz,2005-01-01 While Fernando Ortiz s contribution to our understanding of Cuba and Latin America more generally has been widely recognized since the 1940s recently there has been renewed interest in this scholar and activist who made lasting contributions to a staggering array of fields This book is the first work in English to reassess Ortiz s vast intellectual universe Essays in this volume analyze and celebrate his contribution to scholarship in Cuban history the social sciences notably anthropology and law religion and national identity literature and music Presenting Ortiz s seminal thinking including his profoundly influential concept of transculturation Cuban Counterpoints explores the bold new perspectives that he brought to bear on Cuban society Much of his most challenging and provocative thinking which embraced simultaneity conflict inherent contradiction and hybridity has remarkable relevance for current debates about Latin America s complex and evolving societies **The Arthur of the Iberians** David Hook,2015-06-15 Up to date Coverage of the scope and extent of the important tradition of Arthurian material in Iberian languages and of the modern scholarship on it Wide ranging bibliographical coverage and guide to both texts and research on them Written by Specialists in the different Romance languages of the Iberian Peninsula Portuguese Catalan Galician Spanish and its dialects Expert

analysis of different traditions by leading scholars from Spain and the UK Wide ranging Study not only of medieval and Renaissance literary texts but also of modern Arthurian fiction of the global spread of Arthurian legends in the Spanish and Portuguese worlds and of the social impact of the legends through adoption of names of Arthurian characters and imitation of practices narrated in the legends A comprehensive guide to both literary and social impact of Arthurian material in major world languages *The general and departmental libraries* University of California, Berkeley. Library,1928 **Juana of Castile** María A. Gómez,Santiago Juan-Navarro,Phyllis Zatlin,2008 Focusing on pictorial literary screen and operatic representations of Juana of Castile this is the first interdisciplinary book that incorporates both sides of the coin history and myth fact and fiction that shaped the enigmatic image of this much maligned Spanish queen Even though the fictional reinvention of Juana of Castile has been the subject of sporadic articles this is the first time that an English language reader has access to a book that takes an in depth look at the panorama of literary pictorial musical and cinematic recreations of this historical character The editors aim is to incorporate works of authors from different countries Spain Mexico the Dominican Republic France and an entire spectrum of literary genres narrative poetry theater essay as well as opera and the visual arts From publisher s description *Spain and Spanish America in the Libraries of the University of California* University of California, Berkeley. Library,Alice Irene Lyser,1928 Monthly Bulletin of the Philippine Library and Museum National Library (Philippines),1912 **Dissonances of Modernity** Irene Gómez-Castellano,Aurélie Vialette,2021-03-15 Dissonances of Modernity illuminates the ways in which music as an artifact a practice and a discourse redefines established political social gender and cultural conventions in Modern Spain Using the notion of dissonance as a point of departure the volume builds on the insightful approaches to the study of music and society offered by previous analyses in regards to the central position they give to identity as a socially and historically constructed concept and continues their investigation on the interdependence of music and society in the Iberian Peninsula While other serious studies of the intersections of music and literature in Spain have focused on contemporary usage Dissonances of Modernity looks back across the centuries seeking the role of music in the very formation of identity in the peninsula The volume s historical horizon reaches from the nineteenth century War of Africa to the Catalan working class revolutions and Enric Granados central role in Catalan identity from Francisco Barbieri s Madrid to the Wagnerian s influence in Benito Pérez Galdós prose and from the predicaments surrounding national anthems to the use of the figure of Carmen in Francoist cinema This volume is a timely scholarly addition that contemplates not only a broad corpus that innovatively comprises popular and high culture zarzuelas choruses of industrial workers opera national anthems but also their inter dependence in the artists creativity **Bulletin of the Philippine Library** National Library (Philippines),Philippine Library and Museum, Manila,1912 Monthly Bulletin National Library (Philippines),1912 Intersections of Race, Class, Gender, and Nation in Fin-de-siècle Spanish Literature and Culture Jennifer Smith,Lisa Nalbone,2016-09-01 This volume focuses on intersections of race class gender and nation in

the formation of the fin de siècle Spanish and Spanish colonial subject Despite the wealth of research produced on gender social class race and national identity few studies have focused on how these categories interacted frequently operating simultaneously to reveal contexts in which dominated groups were dominating and vice versa Such revelations call into question metanarratives about the exploitation of one group by another and bring to light interlocking systems of identity formation and consequently oppression that are difficult to disentangle The authors included here study this dynamic in a variety of genres and venues namely the essay the novel the short story theater and zarzuelas These essays cover canonical authors such as Benito Pérez Galdós and Emilia Pardo Bazán and understudied female authors such as Rosario de Acuña and Belén Sárraga The authors included here study this dynamic in a variety of genres and venues namely the essay the novel the short story theater and zarzuelas The volume builds on recent scholarship on race class gender and nation by focusing specifically on the intersections of these categories and by studying this dynamic in popular culture visual culture and in the works of both canonical and lesser known authors *Galdós Beyond Realism* Timothy Michael McGovern, 2004
