

El Llano Estacado

Steve Bogener, William E. Tydeman

El Llano Estacado:

El Llano Estacado John Miller Morris,1997 Using historical writings of early explorers the author captures the mystery and magic of the great Llano Estacado or Staked Plains that begin in West Texas and extend north and west Particularly amusing is the effort of early railroad surveyors to find underground water at the edge of the Llano aka the caprock only to miss one of North America s largest aquifers the Ogalla by a matter of miles and in some cases yards **On the Staked Plain** Eric Philbrook Kelly,1940 *Llano Estacado* S. R. Simpson,1957 **El Llano Estacado** John Miller Morris,1991

Llano Estacado Steve Bogener,William E. Tydeman,2011 Essays and photography on the nature and culture of the Llano Estacado Demonstrates multiple visions of the region and serves as a much needed corrective to characterizations of the Llano Estacado as featureless flat and uninteresting Provided by publisher *Death on the Lonely Llano Estacado* Bill Neal,2017-07-15 In the winter of 1901 James W Jarrott led a band of twenty five homesteader families toward the Llano Estacado in far West Texas newly opened for settlement by a populist Texas legislature But frontier cattlemen who had been pasturing their herds on the unfenced prairie land were enraged by the encroachment of these nesters In August 1902 a famous hired assassin Jim Miller ambushed and murdered J W Jarrott Who hired Miller This crime has never been solved until now Award winning author Bill Neal investigates this cold case and successfully pieces together all the threads of circumstantial evidence to fit the noose snugly around the neck of Jim Miller s employer What emerges from these pages is the strength of intriguing characters in an engrossing narrative Jim Jarrott the diminutive advocate who fearlessly champions the cause of the little guy The ruthless and slippery assassin Deacon Jim Miller And finally Jarrott s young widow Mollie who perseveres and prospers against great odds and tells the settlers to Stay put *Hidden History of the Llano Estacado* Paul H. Carlson,2017-11-13 The Llano Estacado or Staked Plain of Texas and eastern New Mexico spreads two hundred miles across what early visitors called an ocean of land No other place on Earth is quite like it Humans first inhabited the area more than twelve thousand years ago Subsequently settlers came to convert the grassland to ranches and then to sprawling farms Every new generation performed its duty at this cultural crossroads from the trade routes established by the comancheros to the fateful meeting between Buddy Holly and Elvis Presley at Lubbock s Cotton Club Noted West Texas historians Paul H Carlson and David J Murrah compiled and edited fifty six brief stories presenting the Llano Estacado s heritage at its liveliest and most unfamiliar **Riding for the Brand** Michael Pettit,2012-11-27 Folks all over West Texas and eastern New Mexico will tell you Cowdens have been ranching here for as long as anyone can remember The Cowdens in fact have been at the forefront of the cattle business for 150 years Arriving in Texas in the 1850s Cowden men and women raised and trailed cattle sought out water and better grazing land tangled with Comanches and helped extend the western line of Anglo settlement as they raised their families They eventually moved to New Mexico where they established the renowned JAL Ranch Award winning writer Michael Pettit a Cowden descendant and former rancher offers a compelling

portrait of this genuine American ranching family Riding for the Brand spans six generations and two states to serve up a real slice of the Old West complete with cowboys and Indians cattle and buffalo open range and barbed wire Pettit skillfully blends family saga with an urbanite s firsthand look at life on today s 50 000 acre Cowden Ranch where the one dependable factor is the constant wind Riding for the Brand traces the evolution of the Texas and New Mexico cattle business from the era of intimate ranching communities to today s oil enriched or corporate operations But it s also the story of one man s search for identity through his connections to a family a place and a way of life

Caprock Chronicles: More Tales of the Llano Estacado John T. "Jack" Becker and David J. Murrah, 2021-10-11 The hardpan layer of the Caprock undergirds the high plains of the Llano Estacado where it has resisted erosion with the same tenacity that it has collected stories From Apache hunting grounds to Mennonite settlements the region is no stranger to the searching gaze of the weary traveler In this exceptional collection of forty eight essays from local contributors David Murrah and John T Jack Becker continue the work of cataloguing the memory of the mesa Back cover
