El Flamboyán Amarillo:

El flamboyán amarillo Georgina Lázaro, Georgina Lázaro León, 2004 El flamboyán amarillo es un cuento de Georgina Lázaro que trata sobre un niño que va de paseo con su madre en el campo. Luego de caminar un rato se encuentran con un flamboyán amarillo. Allí a la sombra del árbol meriendan. Después de estar a la sombra del árbol el niño recoge una semilla del árbol y la guarda en su bolsillo. De regreso a su casa sembraron la semilla en una maceta y mientras el niño iba creciendo así lo hacía la semilla del flamboyán amarillo. El árbol había crecido tanto que el niño tuvo que transplantarlo y tanto era su amor con el árbol que hasta sabía que un grillo le indicaba que su árbol había florecido. librosparaninosyninas.blogspot.com El Flamboyán Amarillo Georgina Lázaro, 2006-10-01

Side by Side Marilisa Jiménez García, 2021-03-19 Winner of the Children's Literature Association's 2023 Book Award. During the early colonial encounter, children's books were among the first kinds of literature produced by US writers introducing the new colony to its people and the US's role as a twentieth-century colonial power to the public. Subsequently, youth literature and media were important tools of Puerto Rican cultural and educational elite institutions and Puerto Rican revolutionary thought as a means of negotiating US assimilation and upholding a strong Latin American Caribbean national stance. In *Side by Side: US Empire, Puerto Rico, and the Roots of American Youth Literature and Culture*, author Marilisa Jiménez García focuses on the contributions of the Puerto Rican community to American youth, approaching Latinx literature as a transnational space that provides a critical lens for examining the lingering consequences of US and Spanish colonialism for US communities of color. Through analysis of texts typically outside traditional Latinx or literary studies, such as young adult literature, textbooks, television programming, comics, music, curriculum, and youth movements, *Side by Side* represents the only comprehensive study of the contributions of Puerto Ricans to American youth literature and culture, as well as the only comprehensive study into the role of youth literature and culture in Puerto Rican literature and thought. Considering recent debates over diversity in children's and young adult literature and media and the strained relationship between Puerto Rico and the US, Jiménez García's timely work encourages us to question who constitutes the expert and to resist the homogenization of Latinxs, as well as other marginalized communities that has led to the erasure of writers, scholars, and artists. *Multicultural Literature for Latino Bilingual Children* Ellen Riojas Clark, Belinda Bustos Flores, Howard L. Smith, Daniel Alejandro González, 2015-11-25. While there are volumes that fall into the category of children's literature, there appears to be relatively few that explore the needs of bilingual learners and the linguistic and sociocultural context of Latino children's literature. This volume makes a needed contribution by addressing the social, cultural, academic, and linguistic needs of Latino bilingual learners who are still underserved through current school practices. We aim to conceptualize different forms of social knowledge so that they can serve as cultural resources for learning, acquiring knowledge, and transforming self and identity. This volume presents a balance of theory, research, and practice that speak to authentic multicultural Latino literature and helps ensure its availability for all students. The intended

outcome of this volume then is to create a heightened awareness of the cultural and linguistic capital held by the Latino community to increase Latino students social capital through the design of critical pedagogical practices and for the formulation of a new perspective that of Latino multicultural literature for children *El flamboyán amarillo* Georgina Lázaro León,1996 A little boy lives the excitement of planting a seed and watching it grow until it becomes a beautiful tree
