The Little Blue Book Aka El Librito Azul Alio Publishing Group,Conny Méndez,2023-08-12 Conny Mendez firmly believed in metaphysics for everyone and dedicated a significant portion of her life to teaching spiritual truths in plain simple terms that anybody can begin to apply today One of her most important prized and popular books is El Librito Azul or The Little Blue Book It is a compact and concise read that is designed to be carried and read on a regular basis until its laws and principles are second nature for the reader This book can show even a young child of average intellect how to combine laws of thought with spiritual truth producing the fruits of what can best be described as a life truly worth living By popular demand The Little Blue Book has been revised and updated for the busy 21st century reader while painstakingly preserving Conny s masterfully written legacy as faithfully as possible Speaking of faith by the end of this book you will know beyond all doubt why and how your faith can move mountains Cuestionamientos a la Metafísica Cristiana de Conny Méndez Rolando José Olivo,2019-03-13 El término metafísica proviene del griego y significa más allá de la física Constituye una rama de la filosofía que intenta ir más allá de la realidad visible para comprender los misterios que trascienden a las capacidades cognitivas humanas abarcando los enigmas relacionados con el origen propósito y destino de la humanidad Sin embargo la metafísica cristiana de Conny Méndez no es consistente con el propósito trascendental de la metafísica ir más allá para comprender los grandes misterios existenciales y es más un método de autoayuda que una disciplina filosófica válida Aunado a esto la metafísica cristiana se basa en principios esotéricos gnósticos y herméticos de la Nueva Era incompatibles con el cristianismo e incluso rechaza algunos fundamentos cristianos Dios no es el juez de la humanidad Jesús no es Dios ni el Salvador etc y la noción judeocristiana del pecado Por lo tanto esta metafísica cristiana también denominada cristianismo dinámico es cuestionable y fácil de rechazar debido a que no es metafísica y tampoco es cristiana
