Federal Republic Germany Since 1949:

The Federal Republic of Germany since 1949 Klaus Larres, Panikos Panayi, 2014-08-27 Today the problems of reunification seem to feature more often in the international spotlight than the benefits This timely volume offers a reassessment of Germany's postwar development from its inception through to reunification including a thorough examination of the implications for economic political and social policies The impressive team of contributors include leading names in the history of modern Germany together with some of the ablest younger scholars in the field They are Hartmut Berghoff David Childs Immanuel Geiss Graham Hallett Klaus Larres Terry McNeill Torsten Opelland Richard Overy Stephen Padgett Panikos Panayi and Mathias Siekmeier [A History of Modern Germany](#) Martin Kitchen, 2011-01-25 Featuring revised and extended coverage the second edition of *A History of Modern Germany* offers an accessible and engagingly written account of German history from 1800 to the present Provides readers with a long view of modern German history revealing its continuities and changes Features updated and extended coverage of German social change and modernization class religion and gender Includes more in depth coverage of the German Democratic Republic Examines Germany's social political and economic history Covers the unification of Germany the German Empire the Weimar Republic the Third Reich post war division the collapse of Communism and developments since reunification Addresses regional history rather than focusing on the dominant role of Prussia

The United States and Germany in the Era of the Cold War, 1945-1990 Detlef Junker, Philipp Gassert, Wilfried Mausbach, David B. Morris, 2004-05-17 Publisher Description *Current Catalog* National Library of Medicine (U.S.), 1979 First multi year cumulation covers six years 1965-70 *Germany since Unification* Klaus Larres, 2016-07-27 Almost a decade after the opening of the Berlin Wall the collapse of the GDR and the end of the Cold War Germany has begun to cope with the political economic social and nationalistic challenges unification has posed to its institutions and way of life in both the western and eastern part of the once divided country The book's nine authors all experts in their field analyse the way united Germany has tackled the many unforeseen problems and highlight Germany's slow adjustment to the new realities The emergence of a new economic political and perhaps military superstate as feared by many in 1990 has not materialised Instead Germany today is only just coping with the domestic and external challenges of unification The economic and social integration of the former East Germany may yet take another 10 to 15 years This timely and well researched book outlines the many challenges facing Germany and its European neighbours in the post Cold War world

A Concise Encyclopedia of the United Nations Helmut Volger, 2021-12-28 This English edition of the German *Lexikon der Vereinten Nationen* provides concise and comprehensive information not only about the structure of the UN system its goals and functions but about recent developments and reform efforts in the face of global opportunities and challenges The contributing authors are academic scholars of international law economics and political sciences active and former diplomats and UN officials journalists and members of non governmental organizations NGOs and offer a variety of

interesting perspectives The entries are provided with Internet addresses for further information and are supplemented in the annex with a trilingual list English French German of the most important institutions and items of the official terminology and a list of information facilities concerning the UN Readership scholars and students of international law international economics and political sciences teachers journalists diplomats and politicians in the parliaments of the UN member states This new encyclopedia on the United Nations is a welcome addition to the works of academic research and political analysis covering the organization its complex goals in the post cold war era and its ever broader role in the new millennium While taking stock of more than half a century s achievements and setbacks the encyclopedia also reflects the many ways in which the United Nations touches the lives of people everywhere from the Preface by UN Secretary General Kofi Annan An Ethnic History of Europe since 1945 Panikos Panayi,2018-10-08 The first history of Europe since 1945 which examines the continent from a mainly ethnic perspective Panikos Panayi has drawn on years of research to produce this comparative and exploratory account of the experience of ethnic minorities in post war Europe The coverage encompasses all categories of minorities including immigrants and refugees localised ethnic groupings and dispersed peoples Geographically the scope of the book ranges from the Atlantic to the Urals and the Mediterranean to the Arctic looking in particular at the Soviet Union Britain France Germany Romania Cyprus and the former Yugoslavia Opposition in Western Europe Eva Kolinsky,2016-06-10 This book first published in 1987 analysed the state and changing nature of political opposition in Western Europe at the time For each country covered it discusses the concept of opposition and the approach adopted by opposition parties It explores the institutional framework that was in place at the time the electoral support for opposition attitudes towards opposition and the criteria for the success of opposition parties It shows how opposition had changed in nature as a result of both voter re alignments and also because some interest groups have engaged directly in opposition activities rather than working through opposition parties as was done previously thereby increasing the scope of extra parliamentary opposition Opposition is a fundamental element in democratic politics and this book therefore throws considerable light on the whole range of political activity in the countries covered This title will be of interest to students of politics *Germans on Drugs* Robert P. Stephens,2007 The first history of German drug culture in the psychedelic age *The Statesman's Yearbook 2008* B.
