# PETER NICHOLS FEELING YOU'RE BEHIND

*an autobiography*

For Phyllis and Adolphe  
I hope you manage to decipher  
some of this story of a  
provincial English childhood.  
As I said, at least the pictures  
are funny and wasn't Thelma  
daisy?

It was great to see you this time  
round and I hope next time you'll  
come here and eat off our  
convertible breakfast-table.

Much love,

Peter

Diaries, 1969-1977 Peter Nichols, 2000 This candid and often hilarious personal account of Nichols experiences of being an up and coming successful writer also reveals a man still coping with the daily grind of everyday living in the 70s For some it will bring back memories while for others it will provide an insight into the 70s      **English Drama Since 1940** David Ian Rabey, 2014-10-13 English Drama Since 1940 considers the bids of successive post war dramatists to find language and images of remorseless disclosure appropriate to the public manifestation of sensed crisis and the interrogation of the ideal of renewal This book introduces the period and its discourse whilst redefining them to give proper consideration to developments of themes styles concerns and contexts from the 80s to the present The book offers succinct and analytical introductions to the work of 60 dramatists whilst arguing for re appraisal of many dates critical perspectives in order to stimulate further argument in the field      **Shut Up He Explained** John Metcalf, 2007-09-15 John Metcalf s Shut Up He Explained defies expectations and strict definition Part memoir part travelogue part criticism wholly Metcalf it is thoughtful engaged contentious and often very funny It offers a full dose of Metcalfian wisdom and wit and provides ample evidence that neither age nor indifference nor attack have withered him he remains as sharp critical constructive and insightful as ever Indeed this may just be his most important and engaged book Certainly it will be among his most controversial What his critics will refuse to see of course is that it is also among his most positive that it is a celebration of the best literature Canada has to offer the birth of which Metcalf himself both witnesses and actively encouraged Shut Up He Explained is magisterial a virtuoso performance melding several seemingly different strands into one coherent narrative which should delight and entertain as it serves to argue elucidate and celebrate      *National Service* Richard Vinen, 2014-08-28 SUNDAY TIMES BOOKS OF THE YEAR and FINANCIAL TIMES BOOKS OF THE YEAR 2014 WINNER OF THE TEMPLER MEDAL AND THE WOLFSON HISTORY PRIZE Sunday Times Top 10 Bestseller Richard Vinen s new book is a serious if often very entertaining attempt to get to grips with the reality of National Service an extraordinary institution which now seems as remote as the British Empire itself With great sympathy and curiosity Vinen unpicks the myths of the two gap years which all British men who came of age between 1945 and the early 1960s had to fill with National Service Millions of teenagers were thrown together and under often brutal conditions taught to obey orders and to fight The luck of the draw might result in two years of boredom in some dilapidated British barracks but it could also mean being thrown into a dangerous combat mission in a remote part of the world By any measure National Service had a huge impact on the nature of British society and yet it has been remarkably little written about As the military s needs wound down and Britain ceased to be a great power National Service came to be seen as just an embarrassment and its culture of rank and discipline something which many British people were by the 1960s running away from But without a proper understanding of National Service the story of post war Britain barely makes sense Richard Vinen provides that missing book It will be fascinating to those who endured or even

enjoyed their time in uniform but also to anyone wishing to understand the unique nature of post war Britain **In Two Minds** Kate Bassett,2014-10-01 In Two Minds is the first comprehensive biography of Jonathan Miller the story of one of post war Britain s most intriguing polymaths Descended from immigrants who fled Tsarist anti Semitism to become shopkeepers in Ireland and London s East End Miller was born into an intellectual milieu between Bloomsbury and Harley Street the son of a novelist and a leading child psychiatrist Miller trained as a doctor but then forged a career as a stellar comedian and as a world renowned theatre and opera director He is a controversial humorist public intellectual and TV personality As a star in the groundbreaking satirical revue Beyond the Fringe he shot to fame alongside Peter Cook Dudley Moore and Alan Bennett His expertise and interests encompass many areas from medicine he wrote and presented the hugely acclaimed BBC documentary series The Body in Question to the history of art Mozart atheism and the nature of laughter Jonathan Miller is one of the most multi talented Britons of his generation celebrated for his dazzling intelligence and anti establishmentarian wit Drawing on in depth interviews this is an entertaining and illuminating portrait of a fascinatingly complex man

**British Playwrights, 1956-1995** William W. Demastes,1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged alphabetically to facilitate use Each entry supplies biographical information the production history for particular plays a survey of the playwright s critical reception an assessment of the dramatist s work and primary and secondary bibliographies A selected general bibliography at the end of the volume directs the reader to important sources of additional information about this period in theater history Vulgar Tongues Max Décharné,2017-06-06 This rollercoaster ride through the colorful history of slang from highwaymen to hip hop is a fresh and exciting take on the subject entertaining and authoritative without being patronizing out of touch or voyeuristic Slang is the language of pop culture low culture street culture underground movements and secret societies depending on your point of view it is a badge of honor a sign of identity or a dangerous assault on the values of polite society Of all the vocabularies available to us slang is the most alive constantly evolving and as it leaks into the mainstream and is taken up by all of us infusing the language with a healthy dose of vitality Witty energetic and informative Vulgar Tongues traces the many routes of slang beginning with the thieves and prostitutes of Elizabethan London and ending with the present day where the centuries old terms rap and hip hop still survive though their meanings have changed On the way we will meet Dr Johnson World War II flying aces pickpockets schoolchildren hardboiled private eyes carnival geeks and the many eccentric characters who have tried to record slang throughout its checkered past If you re curious about flapdragons and ale passion the changing meanings of punk and geek or how fly originated on the

**Kenneth Williams: Born Brilliant** Christopher Stevens,2010-10-14 Kenneth Williams was the stand out comic actor of his generation Beloved as the manic star of Carry On films and as a peerless raconteur on TV chat shows he was also acclaimed for serious stage roles Born Brilliant includes previously unseen material from Williams s candid daily journal and also draw on rare in depth interviews with friends and colleagues Since the publication of edited extracts from his diaries

much controversy has surrounded Williams's personal and professional lives. This biography traces the complex contradictions that characterised an extraordinary life and presents the first full portrait of a star who was born brilliant.

*Feeling You're Behind* Peter Nichols, 1984-01-01      **Twentieth-Century English Literature** A. Norman Jeffares, Michael Morony, 1986-12-12 In revising this book for a second edition Harry Blamires has updated his final chapters to give a thorough coverage to the work of dramatists, novelists and poets who have achieved prominence in the 1980s either as new writers or rediscovered authors who have recently been brought back into print or revived by radio and television.

*Remains of ... C. W. With a Brief Memoir of His Life, by ... J. A. Russell, Etc* Charles Wolfe, 1826      **A National Joke** Andy Medhurst, 2007-09-18 Comedy is crucial to how the English see themselves. This book considers that proposition through a series of case studies of popular English comedies and comedians in the twentieth century ranging from the Carry On films to the work of Mike Leigh and contemporary sitcoms such as *The Royle Family* and from George Formby to Alan Bennett and Roy Chubby Brown. Relating comic traditions to questions of class, gender, sexuality and geography, *A National Joke* looks at how comedy is a cultural thermometer taking the temperature of its times. It asks why vulgarity has always delighted English audiences, why camp is such a strong thread in English humour, why class influences what we laugh at and why comedy has been so neglected in most theoretical writing about cultural identity. Part history and part polemic, it argues that the English urgently need to reflect on who they are, who they have been and who they might become, and insists that comedy offers a particularly illuminating location for undertaking those reflections.      **The poetical works of Thomas**

### **Feeling Youre Behind An Autobiography Introduction**

In today's digital age, the availability of Feeling Youre Behind An Autobiography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Feeling Youre Behind An Autobiography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Feeling Youre Behind An Autobiography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Feeling Youre Behind An Autobiography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Feeling Youre Behind An Autobiography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Feeling Youre Behind An Autobiography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Feeling Youre Behind An Autobiography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Feeling Youre Behind An Autobiography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Feeling Youre Behind An Autobiography books and manuals for download and embark on your journey of knowledge?
