Clements, 2016-02-11 Responding to Titanic's distress calls in the early hours of 15 April 1912 Captain Arthur Rostron raced the Cunard liner *Carpathia* to the scene of the sinking rescued the

seven hundred survivors of the world's most famous shipwreck and then carried them to safety at New York. After twenty-five years at sea, the competence and compassion Rostron displayed during the rescue made him a hero on two continents and presaged his subsequent achievements. During the First World War, he participated in the invasion of Gallipoli and commanded Cunard's *Mauretania* as a hospital ship in the Mediterranean and a troop transport in the Atlantic. As her longest-serving master, he commanded that legendary vessel in transatlantic passenger service through most of the 1920s. Rostron retired in 1931 as the most esteemed master mariner of his era, celebrated for the Titanic rescue, decorated for his war service, and knighted for his contributions to British seafaring. This account uses newspaper reports, company records, government documents, contemporary publications, and memoirs to recount Rostron's seafaring life from his first voyage as an apprentice rounding Cape Horn in sail to his retirement forty-four years later as commodore of the Cunard Line. Set within the context of his times and featuring particulars of the ships in which he served and commanded, this is the first comprehensive biography of Arthur Rostron before, during, and after his year as captain of the *Carthage*.

Captain Roslyn Hollis, 2022-01-16 Roslyn is the captain of the *Saw Horse*, a large fishing boat. Roslyn grew up on that boat and went to high school in the fishing village and had a casual friend in another boat, captain Dave. After an avoidable accident at sea, Roslyn rescues her friend and another sailor, and they remain onboard for the duration of the fishing season. Roslyn trusts her friend with the helm of her boat and begins relying on him. Roslyn's friend, captain Dave, is lonely and begins to understand that Roslyn is lonely too, and although Roslyn is brash and abrasive, she has a pure and untouched heart and is romantically available. Captain Dave lives alone in a house in town, and Roslyn knows his ex-wife from high school, as well as Dave's younger sister, Linda, who is an adventurous cook who signs up with Roslyn to feed the crew.

Nelson's Right Hand Man E.J. Hounslow, John Fremantle, 2016-09-05 This is the story of Thomas Fremantle, one of Britain's greatest naval captains and Lord Nelson's closest friend and ally. The two, bound in friendship, were part of a Navy that ensured Napoleon could never invade Britain. The naval campaign culminated in the great victory at Trafalgar, and with the fleet in mourning for the loss of Admiral Nelson, it was Thomas Fremantle who towed the shattered *Victory* and Nelson's body back to Gibraltar. Promoted to Vice Admiral, Fremantle liberated the whole of the Adriatic from the clutches of the French revolutionary government, and in doing so, captured many ships, thus earning him and his family a fortune in prize money. Yet there is more to Thomas Fremantle's story than his accomplishments at sea. He was also a lover, a husband, and a doting father to his large family. Together with Betsey Wynne, the woman he wooed and subsequently married in Italy, he created a domestic idyll in the small Buckinghamshire village of Swanbourne. It is through Betsey's comprehensive diaries that we are able to gain a fascinating insight into her husband, the man behind the uniform.

Nelson's Band of Brothers Captain Peter Hore, 2015-05-20 While there is a perennial interest in the Royal Navy during the Napoleonic wars, and in Nelson himself, there is no reference work that chronicles all the captains of his ships, their social origins, their characters, and the achievements in their lives beyond their

Machiavelli on War Christopher Lynch,2023-12-15 Machiavelli on War offers a comprehensive interpretation of the philosopher historian s treatment of war throughout his writings from poems and memoranda drafted while he was Florence s top official for military matters to his posthumous works The Prince and Discourses on Livy Christopher Lynch argues that the issue of war permeates the form and content of each of Machiavelli s works the substance of his thoughts and his own activity as a writer concluding that he was the first great modern philosopher because he was the first modern philosopher of war Lynch details Machiavelli s understanding of warfare in terms of both actual armed conflict and at the intellectual level of thinkers competing on the field of knowledge and belief Throughout Machiavelli s works he focuses on how military commanders knowledge of human necessities beginning with their own enables and requires them to mold soldiers organizationally and politically to best deploy them in operations attuned to political context and changing circumstances Intellectually leaders must shape minds their own and others to reject beliefs that would weaken their purpose for Machiavelli this meant overcoming the classical and Christian traditions in favor of a new teaching of human freedom and excellence As Machiavelli on War makes clear prevailing both on the battlefield and in the war of ideas demands a single minded engagement in reasoning about everything beginning with oneself For Machiavelli Lynch shows the successful military commander is not just an excellent leader but also an excellent human being in constant pursuit of the truth about themselves and the world
