Femininity And Shame Women Men And Giving Voice To The Feminine:

Femininity and Shame Barbara L. Eurich-Rascoe, Hendrika Vande Kemp, 1997 Femininity is a source of shame for some men and women Scholarship and therapeutic practice have not reckoned with femininity of its shamefulness in helpful healing ways Thus women and men continue to hide their feminine selves This book asserts the positive worth and power of femininity for men and women men s and women s need for validation of their femininity and the need to create child rearing and therapeutic practices that achieve incorporation of femininity in men s conscious self understanding Multivocality Katherine Meizel PhD, 2020-01-02 An exploration of how the singing voice figures in the negotiation of identity Multivocality focuses on transitions and transgressions across genre and gender boundaries cultural borders the lines between body and technology religious contexts and found voices and lost ones *The Bright Side of Shame* Claude-Hélène Mayer, Elisabeth Vanderheiden, 2019-04-25 This book provides new ideas on how to work with and constructively transform shame on a theoretical and practical level and in various socio cultural contexts and professions It provides practical guidelines on dealing with shame on the basis of reflection counselling models exercises simulations specific psychotherapeutic approaches and auto didactical learning material so as to transform shame from a negatively experienced emotion into a mental health resource The book challenges theorists to adopt an interdisciplinary stance and to think outside the box Further it provides practitioners such as coaches counsellors therapists trainers and medical personnel with practical tools for transforming negative experiences and emotions In brief the book shows practitioners how to unlock the growth potential of individuals teams and organisations allowing them to develop constructively and positively **Women's Studies** Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women s studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women s studies is a must purchase for academic libraries that support women s studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women s studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles

substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women s studies It is a must purchase for academic libraries that support women s studies programs and a welcome addition to any academic or public library that endeavors to represent the field

Interdisciplinary Perspectives on Human Dignity and Human Rights Hoda Mahmoudi, Michael L. Penn, 2019-11-18 This timely collection brings together a diverse array of field leading contributors in order to offer an interdisciplinary investigation into a discourse research and action agenda in pursuit of the universal application of human dignity

Environmental Guilt and Shame Sarah E. Fredericks, 2021 This study shows that many people in the US feel guilt about their everyday life It explores many ethical questions including whether individuals or collectives are the guilty or shameful parties whether agents should have these feelings whether people should induce guilt or shame in others and how people can respond to such feelings

Tunisian Women's Writing in French Sonia Alba, 2018-11-21 Tunisian women s literary production in French published or set between the years 1987 and 2011 from Tunisia s second president Zine El Abidine Ben Ali s rise to power to the eve of the Tunisian Revolution reveals the role of women their political engagement and their resistance to patriarchal oppression A great deal of media and scholarly attention has focused on the role of women during the Tunisian Revolution itself yet few studies have considered women s literary and active engagement prior to the uprising By contrast this book focuses specifically on the time period leading to the Revolution The book is structured around three chapters each focusing on a different form of writing and on a number of contemporary Tunisian writers who have chosen to express themselves in French Sonia Alba explores the complex ways in which the authors have attempted to deal with those issues cultural social and political most relevant to them This is the first study of Tunisian women s writing in French to compare and contrast key themes in three different genres within a single study and within the conceptual framework of subaltern counterpublics The work is enhanced by the inclusion of extracts from previously unpublished authors interviews

Tunisian Women s Writing in French is essential reading for all Francophone and Postcolonial scholars and for scholars and students working in Contemporary Women s Writing

Personal and Cultural Shadows of Late Motherhood Maryann Barone-Chapman, 2019-11-28 *Personal and Cultural Shadows of Late Motherhood* explores the topic of delayed motherhood from a Jungian psychoanalytic perspective using both quantitative and qualitative research methods including interview transcripts diaries dreams and Jung s world renowned Word Association Experiment It provides a unique contribution to our understanding of the pressures faced by women today on the topic of delayed motherhood We may consider an affect to be in place when a woman allows her relationship to her body and its procreative capacity to slip away from consciousness only to awaken at a point when redeeming her past choices becomes a hunger This book delves into personal cultural and collective spheres of influence that have been split off waiting for the right moment to reintegrate Working with Interpretive

Phenomenological Analysis and Jung's Word Association Experiment the author identifies aspects of the psyche arousing late procreative desire and considers the differing accounts of maternal and paternal parents within affective experience of growing up female beside a male sibling The book examines women's procreative identity in midlife identifies complexes of a personal cultural and collective nature and considers how the role of mother is psychosocially performed taking in feminist psychoanalytical thinking as well as Queer theory to explore new meanings for late motherhood This book will be of great interest to clinicians researchers academics postgraduate students of Jungian psychoanalysis gender theory psychosocial studies and those travelling alongside a woman's journey into later motherhood *Narrative Identities* George Yancy, Susan Hadley, 2005-04-15 The contributors address challenging questions about identity in relation to personality development language and socialisation They demonstrate how their cultural and historical contexts influenced their theoretical approaches to the nature of self and how these ideas in turn shaped how they perceive their personal histories

Women of Vision Eileen Gavin, Aphrodite Clamar, Mary Anne Siderits, 2007-03-20 From the reviews *Women of Vision* blends biographical narrative with psychological perspectives on human development resulting in a moving and passionate book that is suitable for both academic and nonacademic readers It is a useful tool for teaching purposes or for simple enjoyable and informative reading *Psychology of Women Quarterly* a fascinating look of preservation and perceptiveness that is differentiated from its predecessors in its range of disciplines and emphasis This new life course approach to understanding female leaders gives valuable insight into the lives of these imminent women furnishing insights into how the social economic political milieu and the attitudes and values of the time played a significant role in the lives of these women but also in all our lives *Women of Vision* will serve as a springboard for exploration of how the psychologies of individual human lives affect their life course and as a galvanizing step for many more future women of vision and leadership The accounts in the book should be of substantial significance for readers interested in gender issues However the book will appeal to an even wider audience Persons hoping to move in new directions in their own lives e g women looking wistfully at new academic and occupational paths after years in stereotypic niches can surely also find inspiration in the various accounts SirReadaLot.org We all know of women of great vision women whose efforts and accomplishments have had a major impact on the arts politics women's rights sports or science But often we may not understand how they became such powerful agents of change and what sorts of questions we should ask of their pasts to understand how the trajectories of their lives were formed In this extraordinary textbook leading experts cast new light on the role of circumstance accomplishments and personality in the development of various twentieth century women of vision This is a brand new life course approach to understanding female leaders and gives valuable insight into the lives of such eminent women as Rachel Carson Evelyn Gentry Hooker Georgia O'Keeffe Eleanor Roosevelt Babe Didrikson Zaharias Ella Fitzgerald Alice Paul Lucille Ball and many others Study questions and exercises at the end of each chapter further enhance the text *Women of Vision* will serve as the springboard for

exploration of how the psychologies of individual human lives affect their life course and a galvanizing step for many more future women of vision and leadership [The Psychosocial Implications of Disney Movies](#) Lauren Dundes,2019-07-11 In this volume of 15 articles contributors from a wide range of disciplines present their analyses of Disney movies and Disney music which are mainstays of popular culture The power of the Disney brand has heightened the need for academics to question whether Disney s films and music function as a tool of the Western elite that shapes the views of those less empowered Given its global reach how the Walt Disney Company handles the role of race gender and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume On the other hand other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies The authors of the 15 articles encourage readers to engage with the material showcasing a variety of views about the good the bad and the best way forward [Kidworld](#) Gaile Sloan Cannella,Joe L. Lee,Gordon Wheeler,2013-04-15 Shame and shame reactions are two of the most delicate and difficult issues of psychotherapy and are among the most likely to defy our usual dynamic systemic and behavioral theories In this groundbreaking new collection The Voice of Shame thirteen distinguished authors show how use of the Gestalt model of self and relationship can clarify the dynamics of shame and lead us to fresh approaches and methods in this challenging terrain This model shows how shame issues become pivotal in therapeutic and other relationships and how healing shame is the key to transformational change The contributors show how new perspectives on shame gained in no particular area transfer and generalize to other areas

and settings In so doing they transform our fundamental understanding of psychotherapy itself Grounded in the most recent research on the dynamics and experience of shame this book is a practical guide for all psychotherapists psychologists clinicians and others interested in self psychotherapy and relationship This book contains powerful new insights for the therapist on a full range of topics from intimacy in couples to fathering to politics to child development to gender issues to negative therapeutic reactions Filled with anecdotes and case examples as well as practical strategies *The Voice of Shame* will transform your ideas about the role of shame in relationships and about the potential of the Gestalt model to clarify and contextualize other approaches *American Book Publishing Record* ,1997 *Gender Hierarchy of Masculinity and Femininity during the Chinese Cultural Revolution* Zhuying Li,2020-11-25 Focusing on the influence of Maoist ideology and masculinist power on the representations of women in revolutionary opera films made during the Cultural Revolution this book considers the gendered hierarchy between masculinity and femininity in relation to the historic and cultural context in which they were made Using feminist methodology and epistemology to locate women s social identity this book explores the sociological connections between the masculinisation of women and masculinist domination in the context of the Cultural Revolution Through film analysis the author examines whether women rather than liberated were in fact re gendered and oppressed by masculinist power By critically evaluating gender hierarchy during the Chinese Cultural Revolution the book provides hitherto neglected insights into gender within its social and cultural context This an interdisciplinary book which should appeal to students and scholars across a range of disciplines including gender studies Asian studies China studies cultural studies and film studies *From Shame to Sin* Kyle Harper,2013-06-10 The transformation of the Roman world from polytheistic to Christian is one of the most sweeping ideological changes of premodern history At the center was sex Kyle Harper examines how Christianity changed the ethics of sexual behavior from shame to sin and shows how the roots of modern sexuality are grounded in an ancient religious revolution
