## **Feminism And Deconstruction:**

**Feminism and Deconstruction** Diane Elam, 2006-10-19 At last an intelligent and accessible introduction to the relationship between feminism and deconstruction In this incisive and illuminating book Diane Elam unravels the contemporary relevance of feminism and deconstruction how we can still understand and talk about the materiality of women's bodies whether gender can be distinguished from sex the place of ethics and political action in the light of postmodernist theory Clearly and brilliantly written *Feminism and Deconstruction* is essential reading for anyone who needs a no nonsense but stimulating guide through one of the mazes of contemporary theory *Yielding Gender* Penelope Deutscher, 2002-01-22 Traditional accounts of the feminist history of philosophy have viewed reason as associated with masculinity and subsequent debates have been framed by this assumption Yet recent debates in deconstruction have shown that gender has never been a stable matter In the history of philosophy female and woman are full of ambiguity What does deconstruction have to offer feminist criticism of the history of philosophy *Yielding Gender* explores this question by examining three crucial areas the issue of gender as troubled deconstruction and feminist criticism of the history of philosophy The first part of the book discusses the work of Judith Butler Jacques Derrida and contemporary French feminist philosophy including key figures such as Luce Irigaray Particular attention is given to the possibilities offered by deconstruction for understanding the history of philosophy The second part considers and then challenges feminist interpretations of some key figures in the history of philosophy Penelope Deutscher sketches how Rousseau St Augustine and Simone de Beauvoir have described gender and argues that their readings of gender are in fact empowered by gender's own contradiction and instability rather than limited by it ***Beyond Accommodation*** Drucilla Cornell, 1999-09-01 This new edition of Drucilla Cornell's highly acclaimed book includes a substantial new introduction by the author which situates the book within current feminist debates In *Beyond Accommodation* Drucilla Cornell offers a highly original vision of what feminist theory can give contemporary women She challenges essentialist and naturalist accounts of feminine sexuality arguing that any attempt to affirm woman's value and difference by either emphasizing her maternal role or repudiating the feminine only entraps women once again in a container that curtails feminine sexual difference legitimates the masculine fantasy of woman and reinstates rather than dismantles the gender hierarchy In response to these movements *Beyond Accommodation* strives to broaden the scope of feminist theory by articulating a platform under the concept of relative universalism which proposes the idea that women are not a unified and homogenous group although they are positioned as women in patriarchy Cornell's theory allows for differences in women's situations without giving up on the idea that women are fighting a common phenomenon called patriarchy *Reading Marginally* Rutledge, 2021-09-06 This volume provides an introduction to the deconstructive criticism of Jacques Derrida discussing its relevance to feminism in general and to feminist interpretation of the Bible in particular The first part of the book provides a critical overview of current trends in feminist exegesis and proceeds with an outline of some key strategies

in Derridean theory which could prove useful for feminist critical purposes The theological implications of deconstructive biblical interpretation are considered and the book's final chapter offers a reading of Genesis 2:4b-3:24 in which some of these reading strategies are put to work This study addresses a wide range of current issues in theology and biblical criticism and offers a valuable perspective on the advent of postmodernism in contemporary religion Deconstruction, Feminist Theology, and the Problem of Difference Ellen T. Armour, 1999-06-15 Ellen T. Armour shows how the writings of Jacques Derrida and Luce Irigaray can be used to uncover feminism's white presumptions so that race and gender can be thought of differently In clear concise terms she explores the possibilities and limitations for feminist theology of Derrida's conception of woman and Irigaray's multiple woman as well as Derrida's thinking on race and Irigaray's work on religion **Beyond Accommodation** Drucilla Cornell, 1999-09-01 This new edition of Drucilla Cornell's highly acclaimed book includes a substantial new introduction by the author which situates the book within current feminist debates In *Beyond Accommodation* Drucilla Cornell offers a highly original vision of what feminist theory can give contemporary women She challenges essentialist and naturalist accounts of feminine sexuality arguing that any attempt to affirm woman's value and difference by either emphasizing her maternal role or repudiating the feminine only entraps women once again in a container that curtails feminine sexual difference legitimates the masculine fantasy of woman and reinstates rather than dismantles the gender hierarchy In response to these movements *Beyond Accommodation* strives to broaden the scope of feminist theory by articulating a platform under the concept of relative universalism which proposes the idea that women are not a unified and homogenous group although they are positioned as women in patriarchy Cornell's theory allows for differences in women's situations without giving up on the idea that women are fighting a common phenomenon called patriarchy

*Deconstruction, Feminism, Film* Sarah Dillon, 2019-01-22 This book probes the feminist faultlines in Derrida's thought and generates original feminist insight into key concerns of contemporary film studies including spectatorship realism vs artifice narrative adaptation auto biography and the still *Derrida and Feminism* Ellen Feder, Mary Rawlinson, Emily Zakin, 2015-12-22 The first ever compilation of articles that highlights the intersection of Derridean and feminist theories a work that represents the extensive and diverse response feminist theorists have had to Derrida particularly to the issues of gender identity and the construction of the subject *From Revolution to Deconstruction* Pam Papadelos, 2010 Feminist theory is no longer guiding the development of policy interventions in Australia because it is seen to be irrelevant to modern women Many leading feminists are locked into a politics that is based on liberal or socialist principles and do not want or know how to move away from these even when this type of politics is failing to change many women's circumstances This book confronts feminism and challenges its relationship to philosophy which the author argues impacts on the reception of poststructural theories like deconstruction It provides a narrative of why the potential for deconstruction has been denied as well as where it has been taken on It gives an account of deconstruction that tackles some of its more difficult aspects

namely its political applications The book also outlines the history of Women s Studies as a discipline that is its institutionalization and identifies its theoretical concerns as a social movement with a political agenda The book maps deconstruction s impact on feminism in Australia and more specifically its introduction to Women s Studies programs

**Feminist Interpretations of Jacques Derrida** Nancy Holland,2010-11-01 Aandacht voor het werk van Derrida vanuit feministisch perspectief De volgende bijdragen zijn opgenomen Choreographies interview door Jacques Derrida en Christie V McDonald Displacement and the discourse of woman door Gayatri Chakravorty Spivak Ontology and equivocation Derida s politics of sexual difference door Elizabeth Grosz Deconstruction and feminism a repetition door Peggy Kamuf Toward an ethic of desire Derrida fiction and the law of the feminine door Peg Birmingham Civil disobedience and deconstruction door Drucilla Cornell The force of law metaphysical or political door Nancy Fraser Sentiment recuperated the performative in women s AIDS related testimonies door Kate Mehegan Crossing the boundaries between deconstruction feminism and religion door Ellen T Armour Kolossos the measure of a man s size door Dorothea Olkowski **Beyond Accommodation** Drucilla Cornell (jurist.),1991 **Feminism in the Study of Religion** Darlene Juschka,2001-08-02 Written by feminist scholars over a period of nearly thirty years the selected readings are wide ranging in content offer a multi ethnic and multi cultural perspective and reflect the work of scholars working within religious studies as well as other disciplines The introductory essays link the sections and are packed with useful information on resources issues and the current debates The book illustrates how debates about feminism within the study of religions have been impacted by broader theoretical discussions and provides evidence that feminist scholars working on religion have made their own contribution to feminist theory **A Readers Guide to Contemporary Feminist Literary Criticism** Maggie Humm,2015-07-17 This introduction to feminist literary criticism in its international contexts discusses a broad range of complex critical writings and then identifies and explains the main developments and debates within each approach Each chapter has an easy to use format comprising an introductory overview an explanation of key themes and techniques a detailed account of the work of specific critics and a summary which includes critiques of the approach Each chapter is accompanied by a guide to the primary texts and further reading **Derrida and Feminism** Ellen Feder,Mary C. Rawlinson,Emily Zakin,2015-12-22 The first ever compilation of articles that highlights the intersection of Derridean and feminist theories a work that represents the extensive and diverse response feminist theorists have had to Derrida particularly to the issues of gender identity and the construction of the subject **Deconstructions** Nicholas Royle,2017-03-10 Deconstructions A User s Guide is a new and unusual kind of book At once a reference work and a series of inventive essays opening up new directions for deconstruction it is intended as an authoritative and indispensable guide With a helpful introduction and specially commissioned essays by leading figures in the field Deconstructions offers lucid and compelling accounts of deconstruction in relation to a wide range of topics and discourses Subjects range from the obvious feminism technology postcolonialism to the less so drugs film

weaving Backed up by an unusually detailed index this User's Guide demonstrates the innumerable and altering contexts in which deconstructive thinking and practice are at work both within and beyond the academy both within and beyond what is called the West

**Feminism and Postmodern Theory** Joan Nordquist,1996 *Encyclopedia of Feminist Theories*

Lorraine Code,2002-06-01 The path breaking Encyclopedia of Feminist Theories is an accessible multidisciplinary insight into the complex field of feminist thought The Encyclopedia contains over 500 authoritative entries commissioned from an international team of contributors and includes clear concise and provocative explanations of key themes and ideas Each entry contains cross references and a bibliographic guide to further reading over 50 biographical entries provide readers with a sense of how the theories they encounter have developed out of the lives and situations of their authors

**The Science/Fiction of Sex** Annie Potts,2014-02-25 What can we learn from exploring the differences in male and female orgasmic experience Is the penis an entity with a mind of its own These issues and others such as the popular portrayals of male sexuality as active and outwardly focused and female sexuality as passive and internally located are discussed in The Science Fiction of Sex Contemporary feminist and poststructuralist theories of sex and gender are explored alongside an investigation of how people make sense of such concepts as heterosexuality orgasm sexual dysfunction femininity and masculinity and safer sex practice Potts asks men and women about their actual experiences of heterosex This interview material combined with excerpts from sexological and medical texts and features from film and television draws attention to the ways in which western cultural constructs influence our ideas and experiences of the body sex and gender Potts also uses deconstructive theory as a textual tool concentrating on how binary oppositions such as inside outside and mind body impact on our understandings of heterosex and affect the power relations between women and men She also examines how the radical postmodern theories of the body and sexuality proposed by Irigaray Lyotard and Deleuze and Guattari disrupt such dualistic modes of understanding and experiencing sexualized bodies The Science Fiction of Sex will be of interest to those studying women and psychology as well as gender studies cultural studies feminist studies sociology philosophy public health and education

**Servant-Leadership, Feminism, and Gender Well-Being** Jiying Song,Joe Walsh,Kae Reynolds,Jennifer Tilghman-Havens,Shann Ray Ferch,Larry C. Spears,2022-09-01 In a world where leaders and organizations face global pandemics and power conflicts gender dualism still prevails and gender stereotyping and the glass ceiling continue to affect humanity's conceptualizations of leadership How can we integrate the lost aspects of ourselves often socialized by gender so as to recover wholeness How can we discern and develop the feminine and masculine within every leader Servant Leadership Feminism and Gender Well Being offers grace strength and hope by providing evidence of servant leaders crossing gender boundaries and integrating gendered traits and behaviors Feminist ways of knowing honoring both feminine and masculine giftedness deepen the holistic foundation of servant leadership By integrating female perspectives with male perspectives a paradigm shift in leadership theory through avenues inherent to servant leadership can move organizations from hierarchy

driven rules based and authoritative models to value driven follower oriented and participative models      **The Cambridge History of Literary Criticism: Volume 9, Twentieth-Century Historical, Philosophical and Psychological Perspectives** Christa Knellwolf, Christopher Norris, Jessica Osborn, 1989 This ninth volume in The Cambridge History of Literary Criticism presents a wide ranging survey of developments in literary criticism and theory during the last century Drawing on the combined expertise of a large team of specialist scholars it offers an authoritative account of the various movements of thought that have made the late twentieth century such a richly productive period in the history of criticism The aim has been to cover developments which have had greatest impact on the academic study of literature along with background chapters that place those movements in a broader intellectual national and socio cultural perspective In comparison with Volumes Seven and Eight also devoted to twentieth century developments there is marked emphasis on the rethinking of historical and philosophical approaches which have emerged especially during the past two decades as among the most challenging areas of debate

## Decoding **Feminism And Deconstruction**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
