Feminist Clinicians Guide To The Memory Debate:

A Feminist Clinician's Guide to the Memory Debate Susan Contratto, M Janice Gutfreund, 1996-12-12 A Feminist Clinician's Guide to the Memory Debate accomplishes four goals it publishes a range of chapters which are explicitly feminist to empower feminists activists practitioners scholars and advocates to be knowledgeable and do the most competent work possible it helps feminist friendly clinicians become alert as to how a feminist analysis can expand and contextualize their understanding of the recovered memory controversy it makes proactive statements of what constitutes ethical healing treatment for the profoundly deforming experience of child sexual abuse and it empowers the clinician to be effectively political outside the therapy setting A Feminist Clinician's Guide to the Memory Debate is an invaluable collection of articles that explores nearly every aspect of the controversy over recovered memories that has shaken public life the courts feminist psychotherapy contemporary psychoanalysis and cognitive science Among the important issues the contributors of this volume tackle are repressed memories and clinical practice the Feminist Therapy Institute Code of Ethics therapeutic approaches for adult survivors of childhood incest hypothetical neurobiological mechanisms for coping with trauma belief systems and the stands people take on the veracity of recovered memory False Memory Syndrome movement ongoing empirical research examining the validity of recovered memories postmodern theory and the memory debate A must read this guidebook shows readers how to navigate critical issues in their work with survivors Therapists learn specific ways they can get involved politically at the local state and national levels and guidelines to protect themselves if confronted by civil suits brought against them by alleged perpetrators or clients Combining practice and theory this book discusses applications of feminist therapy theory that work successfully with clients and illustrate how an egalitarian philosophy of therapy will avoid coercive or suggestive treatments A tremendous asset for feminist clinicians particularly those working outside of feminist support networks A Feminist Clinician's Guide to the Memory Debate equips therapists with an intellectual contextual framework for addressing questions of truth about memory

[A Feminist Clinician's Guide to the Memory Debate](#) Susan Contratto, M Janice Gutfreund, 2014-06-03 First published in 1997 A Feminist Clinician's Guide to the Memory Debate accomplishes four goals it publishes a range of chapters which are explicitly feminist to empower feminists activists practitioners scholars and advocates to be knowledgeable and do the most competent work possible it helps feminist friendly clinicians become alert as to how a feminist analysis can expand and contextualize their understanding of the recovered memory controversy it makes proactive statements of what constitutes ethical healing treatment for the profoundly deforming experience of child sexual abuse and it empowers the clinician to be effectively political outside the therapy setting A Feminist Clinician's Guide to the Memory Debate is an invaluable collection of articles that explores nearly every aspect of the controversy over recovered memories that has shaken public life the courts feminist psychotherapy contemporary psychoanalysis and cognitive science

Memory Matters Janice Haaken, Paula Reavey, 2009-09-10 In this

volume the editors make use of current memory scholarship to explore ethical moral and cultural issues that continue to shape the ways in which memory is conceived in a range of scientific therapeutic and legal settings

Feminism and Method Nancy A. Naples, 2013-10-16 Naples draws on different research topics such as welfare poverty sexual identity and sexual abuse to illustrate some of the most salient dilemmas of feminist research the debate over objectivity the paradox of discourse the dilemma of standpoint and the challenges of activist research By linking important feminist theoretical debates with case studies Naples illustrates the strategies she developed for resolving the challenges posed by postmodern Third World postcolonial and queer studies

Feminist Narrative Research Jo Woodiwiss, Kate Smith, Kelly Lockwood, 2017-07-04 This book explores the rich diverse opportunities and challenges afforded by research that analyses the stories told by and about women Bringing together feminist scholarship and narrative approaches it draws on empirical material social theory and methodological insights to provide examples of feminist narrative studies that make explicit the links between theory and practice Examining the story as told and using examples of narratives told about childhood sexual abuse domestic relationship abuse motherhood and seeking asylum it raises wider issues regarding the role of storytelling for understanding and making sense of women's lives This thought provoking work will appeal to students and scholars of women's studies feminist and narrative researchers social policy and practice sociology and research methods

A New View of Women's Sexual Problems Ellyn Kaschak, Leonore Tiefer, 2014-02-25 Take a new look at women's sexuality This fascinating book looks at the wide ranging therapeutic social and political implications of the new paradigm of women's sexuality International in scope and multidisciplinary in approach A New View of Women's Sexual Problems examines the theoretical and practical effects of the landmark document produced by the Working Group on a New View of Women's Sexuality The book brings together gender theory psychology social science and medicine in a powerful cultural critique of the reigning medical approach to women's sexual health International experts from India Costa Rica Israel the US and many other cultures place this revolutionary idea in cultural and political context as well as extrapolating fresh new treatment options for dealing with women's sexual problems A New View of Women's Sexual Problems analyzes the new paradigm's implications in many fields including family medicine couples counseling for straight and lesbian partners STD prevention and sexual health issues sex therapy sex education feminist theory developmental psychology

For Love or Money Marcia Hill, Ellyn Kaschak, 2021-02-27 Realize how you can charge what your services are worth and still care about your clients For Love or Money The Fee in Feminist Therapy examines the rarely talked about topic of payment in therapy taking a symbolic and psychological look at the meaning of fees to both the psychologist and client This intelligent book offers firsthand advice and information concerning how gender can make a difference in your feelings about fees and how the managed care environment affects women clients For Love or Money will help you handle your concerns about fees as it discusses payment for missed sessions bartering the meaning of fees with African American women and with women in prison and a model for

pro bono work Since most therapists don't discuss fees with colleagues *For Love or Money* provides you with a way to gain information that might not otherwise be available to you As a therapist you will explore perspectives on what other therapists think about fees and what feelings other therapists have about the amounts they charge for their services Some of the fee issues you will examine include five typical therapist conflicts that are felt when it comes to fees the need to change managed behavioral health care to include equal payment for mental health care length and type of treatment at the discretion of the client and provider and appropriate training in women's mental health issues for all health care providers setting a frame of therapy that includes session time session length duration of treatment fee confidentiality and the rules of client participation to allow for successful psychotherapy sound clinical reasons for enforcing payment for missed sessions and considering a situation where flexibility is recommended pro bono work that is satisfying With this insightful and well written book you will explore issues such as transference the symbolic meaning of money and feelings you may have that could interfere with your ability to follow through with your own payment policies *For Love or Money* examines many of the issues that surround the taboo topic of fees and will assist you with tackling this seldom addressed and often uncomfortable subject for the therapist who wants to help her clients but may feel distressed at setting and sticking to established fees

From Menarche to Menopause Joan Chrisler, 2014-06-11 *From Menarche to Menopause The Female Body in Feminist Therapy* examines the latest research on the menstrual cycle and women's reproductive health This timely volume focuses on women in therapy who are disconnected from or even repelled by their own bodies due to cultural attitudes abuse trauma or the natural aging process Experts in the fields of psychology and women's health unite to celebrate the physical life stages of women and girls and to offer practical advice for therapists to use when addressing negativity caused by appearance age menstrual symptoms or reproductive concerns In this book you will gain new understanding about the effects on a woman's mental health that transitional life stages can cause from preadolescence through the childbearing years to menopause The suggestions in *From Menarche to Menopause* can help women resist the bombardment of negative messages and misleading information they receive about their bodies and their reproductive concerns This helpful resource can also assist you in opening new lines of communication between mothers and daughter women and men and women and other women *From Menarche to Menopause* discusses how to handle topics such as self loathing caused by media and cultural messages that affect women's acceptance of their bodies overcoming a daughter's reluctance to discuss sensitive topics of bodily maturation menstruation and emerging sexual development helping women men and couples cope with infertility assisting women in overcoming a disappointing birth experience providing therapeutic care to women and couples who experience perinatal loss addressing perimenopause in midlife women and the concerns negative attitudes and uncertainty of this transition This unique book fills the gap in feminist therapy literature with practical advice concerning the functions of women's bodies that can be used within the therapy context *From Menarche to Menopause* includes extensive references and several book reviews to further

your research and provide reading and other resources you can recommend to your clients This practical resource on women's reproductive health as it relates to mental health is an important addition to the bookshelves of feminist psychologists, clinical practitioners, social workers, and health practitioners as well as faculty and students of these disciplines Beyond the Rule Book Ellyn Kaschak, 1999 Learn to take a moral position as a feminist therapist Beyond the Rule Book Moral Issues and Dilemmas in the Practice of Psychotherapy examines feminist therapy and its commitment to work against injustice and work for social and personal change by providing quality and unbiased services to clients A dialogue is opened among feminist psychotherapists about the moral aspects of psychotherapy from the standpoint that psychotherapy without a moral stance is defined as demoralizing You will discover psychotherapeutic situations that do not fit into any established ethical code so that the code must be interpreted and a decision must be made giving your clients unprejudiced and effective service Beyond the Rule Book will help every feminist therapist with the moral and ethical dilemmas that constantly arise in practice You will explore the use of moral codes in feminist therapy and learn practical suggestions for therapeutic self care to improve the quality of your sessions In addition these suggestions will teach you to model positive behavior in sessions and prevent burnout Some of the areas of feminist therapy you will explore include lesbian feminism and deconstructing the lesbian feminist rules of sexuality and physical appearance case examples of clinical situations where the therapist is able to use her moral stance to help low income clients with homophobia and paternalism case examples and creative interpretation of a biblical text to create a moral view for the feminist therapist ways to morally and ethically work in a penal or other institutional system that may be racist and patriarchal and may also be inherently antagonistic to the development of trust in the therapeutic relationship questions about boundaries with clients with disabilities being effective with this population valuing the disability culture and being aware of the differences between disability and impairment the interface between personal and political agendas for the therapist and the client Beyond the Rule Book will show you how the issue of morality affects your services and how to make decisions beyond established ethical codes You will explore and consider questions such as What is the role of morality in psychotherapy and What is the role of psychotherapy in a moral or an immoral society This well written and informative book will assist you in choosing and applying a moral framework to your work as a feminist therapist also giving clients effective and responsible services without any unfair and premature judgements

Misinformation Concerning Child Sexual Abuse and Adult Survivors Paul Jay Fink, Joyanna Silberg, Charles L. Whitfield, 2019-11-20 Successfully navigate the minefield of misinformation that can prevent justice from being done in child sexual abuse cases From the Foreword by Robert Geffner PhD editor of the Journal of Child Sexual Abuse Too often the public and some professionals have been misled by media publicity and articles that appear scientific but in reality are biased opinions or over generalized research Forensic cases are being decided in many courts based upon the recommendations of so called expert witnesses who do not actually know the clinical research or understand the dynamics of such abusive

relationships This much needed book points out and corrects misinformation that everyone who works with victims offenders or families in which sexual abuse has occurred needs to understand clearly Especially vital in today s political climate Misinformation Concerning Child Sexual Abuse and Adult Survivors gives you state of the science information on such myths as false memory syndrome recovered memory therapy and the lack of harm to some sexually abused boys Misinformation Concerning Child Sexual Abuse and Adult Survivors examines forensic issues including the false memory defense and how the long term impact of childhood sexual abuse is often misrepresented in court three separate expert examinations of Rind Tromovitch and Bauserman s well known and often misrepresented review of long term child sexual abuse outcomes treatment recommendations and guidelines for addressing the memory controversy in clinical practice the fascinating case history cautionary tale of the child molester Robert Halsey who was convicted and sentenced to two life sentences in 1993 and how public and academic resources were misused to claim he was wrongly convicted

Biracial Women in Therapy
Cathy Thompson,Angela R Gillem,2019-07-18 Get a unique perspective on the female biracial experience Biracial Women in Therapy Between the Rock of Gender and the Hard Place of Race examines how physical appearance cultural knowledge and cultural stereotypes affect the experience of mixed race women in belonging to and being accepted within their cultures This unique book combines empirical research theoretical papers and first person narrative to address issues relevant to providing therapy to biracial women and girls helping therapists and counselors develop a treatment framework based on sociocultural factors Researchers practitioners and academics provide insight into the biracial reality taking multiple aspects of clients lives into account rather than looking for simple hierarchies of well being based on race Biracial Women in Therapy is a building block for mental health practitioners in the construction of theory and practice in working with biracial females The book examines how a biracial women s racial ethnic identity intersects with her gender and sexual identity to affect her sense of belonging and acceptance addressing issues of appearance social class disability power and guilt and dating and marriage Topics addressed in the book include the complexities of multiple minority status how ethnic differences affect biracial adolescents issues encountered by biracial women from a sociohistorical context biracial women s attitudes toward counseling stereotypes of marginalization and identity confusion a multicultural feminist approach to counseling and a first person narrative of one author s racial and sexual identity development Biracial Women in Therapy Between the Rock of Gender and the Hard Place of Race is a one of a kind resource for counselors therapists researchers and academics seeking insight into unique issues of mixed race women

[The Next Generation](#) Ellyn Kaschak,2018-10-24 Shape a better future with the insights of the third wave Is feminism still necessary How can older feminists and younger ones find a common ground to discuss issues that affect them both What does it mean to be a third wave feminist The Next Generation explores these and other issues that deeply concern feminist therapists of all ages This powerful book examines the psychological and cultural context of the third wave of feminism The young feminists whose voices are heard in The Next Generation grew up in

a very different world than the feminists who came of age in the 1960s and 1970s Dialogues between older and younger feminists explore conflicting cultural images of the feminist establishment as successful freedom fighters or angry anti sex activists The Next Generation discusses the issues young feminists face including the false sense that feminism is no longer necessary the social and historic context of young women s lives finding and sharing power in the therapeutic relationship building healthy mentoring relationships creating psychotherapy partnerships with adolescent girls The Next Generation offers a fruitful dialogue between older women who remember the bitter battles for the ERA and younger feminists who take for granted women s presence on the Supreme Court Each generation builds on the foundations of the past and the feminist psychotherapists represented in this volume offer fresh insights and techniques appropriate for the way we live now The Next Generation is an essential resource for therapists and feminists of any age **Critical Issues in Child Sexual Abuse**

Jon R. Conte,2002 This book is intended to describe what is known and what is not known but needs to be known in several specific areas of childhood abuse Chapters include sexual offenders child s memory adult memory for trauma and victims in court

Women with Visible and Invisible Disabilities Martha Banks,Ellyn Kaschak,2014-01-14 This thoughtful collection addresses the issues faced by women with disabilities examines the social construction of disability and makes suggestions for the development and modification of culturally relevant therapy to meet the needs of disabled women Written in an accessible style with a minimum of jargon this book provides clinical material from the perspectives of psychotherapists clients personal assistants and health administrators Women with Visible and Invisible Disabilities also highlights the importance of considering age ethnicity and sexual orientation in its examination of feminist approaches to assessment psychotherapy disability management coping and discusses how the Americans with Disabilities Act impacts employment and education for women **Pillar of Salt**

Janice Haaken,1998 Introduces the controversy over recollections of childhood sexual abuse as the window onto a broader field of ideas concerning memory storytelling and the psychology of women

The Foundation and Future of Feminist Therapy Marcia Hill,Mary Ballou,2013-04-03 Explore the obstacles and challenges involved in bringing feminist values and techniques into mainstream therapy Feminist therapy has been challenging mainstream therapy thinking and practice for the past thirty years The Foundation and Future of Feminist Therapy is the first book to provide a summary and compilation of that history It describes the work of the major contributors early and recent and gives a terrific overview of the rich and radical development of feminist therapy from a variety of perspectives The Foundation and Future of Feminist Therapy honors the work of women such as Laura Brown Iris Fodor Miriam Greenspan Hannah Lerman and Lenore Walker who developed and who continue to develop feminist therapy theory and practice This book breaks new ground by envisioning a feminist informed future in the areas of therapy practice the education of therapists and community It also provides an unflinching look at the challenges and threats to developing that future and offers suggestions for action The Foundation and Future of Feminist Therapy includes the work of past and

present contributors to feminist theory on topics such as the complex intertwining of gender and other oppressions the impact of race and ethnicity the effects of sexual orientation age class disability and refugee and immigrant status discussions about violence against women feminist theory from a wide range of perspectives from relational cultural to multicultural theory perspectives on trauma the discussions at a conference that imagined a future informed by feminist principles and much more For those interested in feminist therapy theory The Foundation and Future of Feminist Therapy is an excellent starting point and many references are provided for readers who want to pursue specific topics further This book will interest practicing therapists at all levels including psychologists counselors and social workers It is also appropriate as a textbook for women s studies psychology of women counseling psychology and social work classes

Contesting Stories of Childhood Sexual Abuse J. Woodiwiss, 2009-08-26 Located within a burgeoning therapeutic self help culture this book explores stories of childhood sexual abuse recovered memories and multiple personalities and explodes the myths surrounding women who without memories redefine themselves as victims

Breaking the Rules Marcia Hill, Judith Harden, 2018-10-24 Breaking the Rules Women in Prison and Feminist Therapy challenges therapists public policymakers voters and those in the criminal justice system to find treatment options empowerment strategies viable resources community support and policies that can help women with problems such as drug abuse domestic violence poverty and prostitution rather than perpetually punishing them Breaking the Rules shows you how our society makes other of those among us who are most vulnerable injured and without resources It digs under your skin and forces you to look at the histories of abuse among women who have murdered their partners the impact of race and ethnicity on patterns of mothering and caretaking of children of women prisoners the lack of treatment options for addicted women prisoners how prison reawakens the feelings of powerlessness in women who have suffered childhood physical and sexual abuse helping women inmates develop marketable educational and vocational skills support systems and positive perceptions of themselves collaborative strategies that challenge the status quo of programs and support available to female offenders and their families a relational model of treatment that is based on the integration of three theoretical perspectives the strengths and limitations of twelve step programs for women Mapping the problems and offering solutions Breaking the Rules walks you through treatment strategies and self confirming experiences such as feminist therapy prisoner led support groups affirmative prison programming and art therapy that help women draw on their strengths come to terms with their pasts and meet future challenges head on

Sociological Perspectives of Health and Illness Constantinos N. Phellas, 2010-10-12

Medical sociology has evolved from being considered as an unimportant area of enquiry to being regarded as central to the study of private troubles and public issues At present much of what is deemed in sociology as exciting is advancing or contributing to the field of health It is appropriate therefore that an edited text is published to specifically examine some of the important themes currently in medical sociology research and writing This volume documents thinking frameworks and

processes that are actively shaping the medical sociology research of today It covers a wide range of topics ranging from the morality of death and euthanasia to the conflict that exists between different status health care providers Sociological Perspectives of Health and Illness will be of interest to students across a wide range of courses in sociology and the social sciences Specifically students undertaking undergraduate and postgraduate courses in health studies and health promotion would benefit by reading this textbook However professionals will also be attracted to the book due to the dissemination of current practises in health promotion issues and practices

Social Work Ethics Eileen Gambrill, 2017-05-15 This collection of essays highlights ethical issues in social work which are often overlooked as well as recurring clashes that influence how they play out for example among different values and related moral judgements A wide range of ethical issues are addressed such as the types of technologies incorporated into social work issues raised by the common position of social workers as double agents required to carry out state mandates while also honoring obligations to clients and issues concerning the distribution of scarce resources These topics are integrally related to other often neglected concerns such as harming in the name of helping the ethics of claims making regarding what is true and what is not and related concerns regarding empowerment and social justice This collection which includes essays from an array of professions and disciplines is designed to bring these neglected topics to the attention of readers and to offer suggestions for addressing them in a manner that is faithful to obligations described in social work codes of ethics

Feminist Clinicians Guide To The Memory Debate Introduction

In today's digital age, the availability of Feminist Clinicians Guide To The Memory Debate books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Feminist Clinicians Guide To The Memory Debate books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Feminist Clinicians Guide To The Memory Debate books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Feminist Clinicians Guide To The Memory Debate versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Feminist Clinicians Guide To The Memory Debate books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Feminist Clinicians Guide To The Memory Debate books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Feminist Clinicians Guide To The Memory Debate books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Feminist Clinicians Guide To The Memory Debate books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Feminist Clinicians Guide To The Memory Debate books and manuals for download and embark on your journey of knowledge?
