Wrangling Women Kristin M. McAndrews, 2008-08-15 The small Methow Valley community of Winthrop Washington has reinvented itself as a western theme town Winthrop women function as trail guides wranglers horse trainers packers and ranchers and work in an environment where gender stereotypes must be carefully preserved for the sake of the tourist based economy Yet these women often subvert and undermine traditional gender images with humor How the wrangling women of Winthrop accomplish this challenging balancing act is a fascinating study of women s manipulation of language and gender stereotypes in the modern West Kristin McAndrews states that she began to suspect that the reason there was so little scholarship on women s humor was that male researchers didn t understand it or

perhaps they didn't recognize it. To examine the humor of one group of women she conducted interviews with Winthrop's female wranglers collecting stories about their lives as workers and as members of their community. For all these women professional success depends on courage, ingenuity, a sense of humor, and a facility with language as well as on an ability to perform within the traditional gender stereotypes evoked by their town's Wild West image. On My Way Sarah Albritton, 1998. On her journey away from the Hell of poverty, abuse, and racism she experienced, Sarah Albritton has expressed herself verbally and visually in a variety of modes: food preparation, preservation, and demonstration; restaurant decor; yard art; annual outdoor Christmas decorations; autobiographical prose and poetry; and most recently, personal experience narratives and painting. *Women in Mexican Folk Art* Eli Bartra, 2013-12-15. The aim of this book is to engender Mexican folk art and locate women at its centre by studying the processes of creation, distribution, and consumption as well as examining iconographic aspects and elements of class and ethnicity from the perspective of gender. The author will demonstrate that the topic provides unique insights into Mexican culture and has enormous relevance within and without the country given the fact that much folk art is made for the United States and Europe either in terms of the tourists who buy it on coming to Mexico or that which is exported. *Feminism and Folk Art* Eli Bartra, 2019-06-04. This book is a mosaic or quilt of folk art around the world from polychrome clay figures made in Izcar de Matamoros, Puebla, Mexico, to the baskets Maori women create in New Zealand, from Japanese lacquer work and decorated paddles to black dolls in Rio de Janeiro, Brazil. The creative impulse found in three continents, four countries, and four geographical regions is juxtaposed to make up a harmonious whole. The book carries out a detailed dissection of a variety of ethnic, racialized, and gender representations in their contemporary forms. **Encyclopedia of Women's Folklore and Folklife** Pauline Greenhill, Liz Locke, Theresa A.
