**Handbook of the Economics of Population Aging** John Piggott, Alan Woodland, 2016-12-01 Handbook of the Economics of Population Aging Volume 1B provides the economic literature on aging and associated subjects presenting comprehensive portraits of both social and theoretical issues As the second of two volumes in this series on the economics of population aging it continues the discussion delving deeper into topics such as the labor market and human resource issues

gerontology history and the sociological and political ramifications of this fascinating topic whose inception dates back to the late 1970s. This volume includes literature that has appeared in general economics journals in various field journals in economics especially but not exclusively those covering labor market and human resource issues information from interdisciplinary social science and life science journals and data presented in papers by economists published in journals associated with gerontology history sociology political science and demography amongst others. Presents comprehensive portraits of social and theoretical issues that can be used by both policymakers and scholars. Readers receive diverse perspectives on subjects that can be closely associated with national and regional concerns. Chapters offer comprehensive critical reviews and expositions on the essential aspects of the economics of population aging.

**A New Introduction to Poverty** Louis Kushnick, James Jennings, 1999. Since the end of the Second World War poverty in the United States has been a persistent focus of social anxiety public debate and federal policy. This volume argues convincingly that we will not be able to reduce or eliminate poverty until we take the political factors that contribute to its continuation into account. Ideal for course use. *A New Introduction to Poverty* opens with a historical overview of the major intellectual and political debates surrounding poverty in the United States. Several factors have received inadequate attention: the impact of poverty on women, the synergy of racism and poverty, race and gender stratification of the workplace and crucially the ways in which the powerful use their resources to maintain the economic status quo. Contributors include Mimi Abramovitz, Peter Alcock, Bonnie Thornton Dill, Raymond Franklin, Herman George Jr, Michael B. Katz, Marlene Kim, Rebecca Morales, Sandra Patton, Valerie Polakow, Jackie Pope, Jill Quadagno, David C. Ranney, Barbara Ransby, Bette Woody, and Maxine Baca Zinn.

**Commitment to Full Employment** Aaron W. Warner, Mathew Forstater, Sumner Rosen, Robert Heilbroner, 2015-05-20. The 15 papers collected in this book encompass important macroeconomic theories and policies espoused by 1996 Nobel laureate economist William S. Vickrey and his associates. Vickrey wrote a number of papers in the last few years of his life elucidating his commitment to full employment as a prerequisite for a decent standard of living for all. Drawing on the foundation of Vickrey's work the contributors expand and elaborate on issues relative to full employment theory and policy and on related macro policy issues.

**Global Trafficking in Women and Children** Obi N.I. Ebbe, Dilip K. Das, 2007-12-13. War, poverty and famine, political social and economic change and the deep seated views and rituals rooted in a culture's history and traditions all contribute to the widespread and growing trafficking of women and children. The multilayered complexity, myriad contributing factors, enormous amount of money involved and sheer magnitude of the

**We Are Each Other's Business** Nicole M. Brown, 2024-08-20. In the 1960s and 1970s the Welfare Rights Movement organized at both local and national levels advocating for poor people's inclusion, dignity and autonomy. *We Are Each Other's Business* examines Black women's leadership within the Chicago Welfare Rights Movement recasting their consumer activism as a form of Black feminist technology. Nicole M. Brown calls for understanding the Black women of the Welfare Rights Movement as sophisticated

strategists who engaged the tensions among capitalism consumerism and economic liberation She analyzes Black women s engagement with consumer credit tracing how they linked consumption with citizenship and critiqued the state s treatment of the poor Brown offers a radical reframing of the struggle between Black women and the state as a battle of technologies showing how Black women challenged algorithmic assemblages of race class and gender and analog algorithms of poverty She also shows how racism sexism and classism stifled opportunities for alliances although the Welfare Rights Movement converged with consumer and women s rights movements white and middle class activists were unwilling to recognize poor Black women as fellow political actors Bringing together historical sociology computational methods and intersectional Black feminist theory **We Are Each Other s Business** offers innovative and generative insights into Black women s struggle for political and economic equity

**Invisible Children in the Society and Its Schools** Sue Books,2003-06-20 Reports on groups of children and young people who are largely unseen or unheard in the society and its schools Provides basic information and analysis of social conditions in a form accessible and useful to educators

**Diminishing Welfare** Gertrude Schaffner Goldberg,2001-11-30 Particularly in the 1990s social welfare programs have been cut back in a number of countries Indeed the phrases ending welfare as we know it or dismantling the welfare state have been used to describe this trend In this analysis by well recognized social welfare scholars the nature and extent of changes in social welfare programs in key industrial or post industrial countries is scrutinized Determining if and how social welfare and employment prospects have been cut back in the United States Canada Sweden the United Kingdom France Germany Italy Hungary and Japan helps to identify the population groups hardest hit by cutback In the United States for example poor single mother families have suffered major reductions in income support while more powerful groups have avoided major losses This cross national study not only sheds light on general trends in social welfare but also provides clues to what constitutes successful reform and what has failed This major comparative analysis will be of interest to scholars students policy makers and professionals as well as the general public concerned with social welfare issues full employment poverty and economic inequality

**Poor and Homeless in the Sunshine State** James Wright,2017-07-05 A place like Orlando Florida is not transformed from swampland to sprawling metropolis through Peter Pan like flights of fancy but through theme park expansions requiring developmental schemes that are tough minded and often worsen relationships between the wealthy and the poor The homeless arrive with their own hopes and illusions which are soon shattered The rest of the local population makes its peace with the system Meanwhile the homeless are reduced to advocacy models that neither middle nor working class folks much worry about They are modern members of Ellison s invisible men but they comprise a racial and social mixture unlike any other in the American landscape This book is primarily about the dark side of this portrait the poor near poor homeless and dispossessed who live in the midst of this verdant landscape The phrase down and out has been used to describe people who are destitute or penniless since the late nineteenth century Here the term is used in a more expansive

sense as synonymous with anyone who lives near at or over the edge of financial catastrophe      **A Policy Travelogue**  
Catherine Kingfisher,2013-09-01 An ethnography of the development and travel of the New Zealand model of neoliberal welfare reform this study explores the social life of policy which is one of process motion and change Different actors including not only policy lites but also providers and recipients engage with it in light of their own resources and knowledge Drawing on two analytic frameworks of the contemporary anthropology of policy translation and assemblage Kingfisher situates policy as an artifact and architect of cultural meaning as well as a site of power struggles All points of engagement with policy are approached as sites of policy production that serve to transform it as well as reproduce it As such A Policy Travelogue provides an antidote to theorizations of policy as a cultural rational and straightforwardly technical

Reinventing Citizenship Kazuyo Tsuchiya,2014-04-15 In the 1960s and 1970s the United States and Japan went through massive welfare expansions that sparked debates about citizenship At the heart of these disputes stood African Americans and Koreans Reinventing Citizenship offers a comparative study of African American welfare activism in Los Angeles and Koreans campaigns for welfare rights in Kawasaki In working class and poor neighborhoods in both locations African Americans and Koreans sought not only to be recognized as citizens but also to become legitimate constituting members of communities Local activists in Los Angeles and Kawasaki ardently challenged the welfare institutions By creating opposition movements and voicing alternative visions of citizenship African American leaders Tsuchiya argues turned Lyndon B Johnson s War on Poverty into a battle for equality Koreans countered the city s and the nation s exclusionary policies and asserted their welfare rights Tsuchiya s work exemplifies transnational antiracist networking showing how black religious leaders traveled to Japan to meet Christian Korean activists and to provide counsel for their own struggles Reinventing Citizenship reveals how race and citizenship transform as they cross countries and continents By documenting the interconnected histories of African Americans and Koreans in Japan Tsuchiya enables us to rethink present ideas of community and belonging

**Japanese Modernity and Welfare** R. Vij,2007-11-13 Challenging conventional thought on the nature of welfare and civil society in modern Japan Ritu Vij offers an original theoretical and historical interpretation of both Drawing upon a neo Hegelian understanding of the formation of modern subjectivity in political economy this book uncovers a specific pattern of welfare provision in Japan      **The Road Not Taken** Michael Reisch,Janice Andrews,2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company      *Social Policy and Practice in Canada* Alvin

Finkel,2012-05-09 *Social Policy and Practice in Canada* A History traces the history of social policy in Canada from the period of First Nations control to the present day exploring the various ways in which residents of the area known today as Canada have organized themselves to deal with or to ignore the needs of the ill the poor the elderly and the young This book is the first synthesis on social policy in Canada to provide a critical perspective on the evolution of social policy in the country While earlier work has treated each new social program as a major advance and reacted with shock to neoliberalism s attack

on social programs Alvin Finkel demonstrates that right wing and left wing forces have always battled to shape social policy in Canada He argues that the notion of a welfare state consensus in the period after 1945 is misleading and that the social programs developed before the neoliberal counteroffensive were far less radical than they are sometimes depicted Social Policy and Practice in Canada A History begins by exploring the non state mechanisms employed by First Nations to insure the well being of their members It then deals with the role of the Church in New France and of voluntary organizations in British North America in helping the unfortunate After examining why voluntary organizations gradually gave way to state controlled programs the book assesses the evolution of social policy in Canada in a variety of areas including health care treatment of the elderly child care housing and poverty
