1882-1930

Stewart E. Tolnay
and E. M. Beck

Festival Of Violence An Analysis Of Southern Lynchings 1882 193

**Beth Barton Schweiger, Donald G.
Mathews**

Festival Of Violence An Analysis Of Southern Lynchings 1882 193:

A Festival of Violence Stewart Emory Tolnay, E. M. Beck, 1995 This finely detailed statistical study of lynching in ten southern states shows that economic and status concerns were at the heart of that violent practice Stewart Tolnay and E M Beck empirically test competing explanations of the causes of lynching using U S Census and historical voting data and a newly constructed inventory of southern lynch victims Among their surprising findings lynching responded to fluctuations in the price of cotton decreasing in frequency when prices rose and increasing when they fell **The Shaping of Southern Culture** Bertram Wyatt-Brown, 2001 Extending his investigation into the ethical life of the white American South beyond what he wrote in *Southern Honor* 1982 Bertram Wyatt Brown explores three major themes in southern history the political aspects of the South s code of honor th *Religion in the American South* Beth Barton Schweiger, Donald G. Mathews, 2004 This collection of essays examines religion in the American South across three centuries from the beginning of the eighteenth century to the civil rights movement of the 1960s The first collection published on the subject in fifteen years Religion i *Racial Conflict and Violence in the Labor Market* Cliff Brown, 1998 Taking one of the many strikes during the period as a case study argues that the migration of black workers to northern US cities looking for work during World War I and the practice and pattern of racial discrimination by the mainstream labor unions created a split labor market in which black workers had no choice but to scab on strikers Focuses on community level race relations during the strike and also considers the impact of local governments repressing labor the organizational strength of local union and employers efforts to inflame racial tension Developed from a 1996 Ph D dissertation for Emory University Annotation copyrighted by Book News Inc Portland OR *The Harvard Guide to African-American History* Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America Racial Conflicts and Violence in the Labor Market Cliff Brown, 2014-01-09 This book focuses on community level race relations during the 1919 Steel Strike when intense job competition contributed to racial conflict among the nation s steel workers As the Great Migration brought thousands of black workers to northern cities their lower labor costs generated racially split labor markets in the industrial sector Further the discriminatory policies of labor unions forced many blacks to serve as strike breakers during periods of class conflict As a result the migration heightened racial conflict and undercut important union organizing initiatives The 1919 Steel Strike illustrates how racial divisions crippled many American unions a pattern that helps to explain the demise of organized labor during the 1920 s No previous studies of the 1919 Steel Strike have systematically compared community processes to determine how local events shaped the strike s outcome Despite the failure of the 1919 Steel Strike the varied experiences of workers in different communities reveal much about the causes of racial conflict and the possibilities of interracial solidarity This study finds that patterns of black migration local government

repression of labor the organizational strength of local unions and employers efforts to inflame racial tension all help to explain community level variation in interracial solidarity and conflict Ph D dissertation Emory University 1996 revised with new preface

Handbook of the Sociology of Racial and Ethnic Relations Hernan Vera, Joe R Feagin, 2007-08-03 The study of racial and ethnic relations has become one of the most studied aspects in sociology and sociological research In both North America and Europe many traditional cultures are feeling threatened by immigrants from Latin America Africa and Asia Sociology is at the hub of the human sciences concerned with racial and ethnic relations Since this discipline is made of multiple paradigms and methodological orientations it has been able to make relevant contributions to disciplines ranging from individual psychology social psychology and psychiatry to economics anthropology linguistics cultural studies health care delivery and education

Official Reports of the Supreme Court United States. Supreme Court, 2009 *Life and Death Decisions* Sheldon Ekland-Olson, 2014-11-12 Issues of Life and Death such as abortion assisted suicide capital punishment and others are among the most contentious in many societies Whose rights are protected How do these rights and protections change over time and who makes those decisions Based on the author's award winning and hugely popular undergraduate course at the University of Texas this book explores these questions and the fundamentally sociological processes which underlie the quest for morality and justice in human societies The Author's goal is not to advocate any particular moral high ground but to shed light on the social movements and social processes which are at the root of these seemingly personal moral questions Under 200 printed pages this slim paperback is priced and sized to be easily assigned in a variety of undergraduate courses that touch on the social bases underlying these contested and contentious issues

D.W. Griffith's the Birth of a Nation Melvyn Stokes, 2008-01-15 In this deeply researched and vividly written volume Melvyn Stokes illuminates the origins production reception and continuing history of this ground breaking aesthetically brilliant and yet highly controversial movie By going back to the original archives particularly the NAACP and D W Griffith Papers Stokes explodes many of the myths surrounding The Birth of a Nation 1915 Yet the story that remains is fascinating the longest American film of its time Griffith's film incorporated many new features including the first full musical score compiled for an American film It was distributed and advertised by pioneering methods that would quickly become standard Through the high prices charged for admission and the fact that it was shown at first only in live theaters with orchestral accompaniment Birth played a major role in reconfiguring the American movie audience by attracting more middle class patrons But if the film was a milestone in the history of cinema it was also undeniably racist Stokes shows that the darker side of this classic movie has its origins in the racist ideas of Thomas Dixon Jr and Griffith's own Kentuckian background and earlier film career The book reveals how as the years went by the campaign against the film became increasingly successful In the 1920s for example the NAACP exploited the fact that the new Ku Klux Klan which used Griffith's film as a recruiting and retention tool was not just anti black but also anti Catholic and anti Jewish as a way to mobilize new allies in opposition

to the film This crisply written book sheds light on both the film's racism and the aesthetic brilliance of Griffith's filmmaking It is a must read for anyone interested in the cinema **Jumpin' Jim Crow** Jane Dailey, Glenda Elizabeth Gilmore, Bryant Simon, 2020-07-21 White supremacy shaped all aspects of post Civil War southern life yet its power was never complete or total The form of segregation and subjection nicknamed Jim Crow constantly had to remake itself over time even as white southern politicians struggled to extend its grip Here some of the most innovative scholars of southern history question Jim Crow's sway evolution and methods over the course of a century These essays bring to life the southern men and women some heroic and decent others mean and sinister most a mixture of both who supported and challenged Jim Crow showing that white supremacy always had to prove its power Jim Crow was always in motion always adjusting to meet resistance and defiance by both African Americans and whites Sometimes white supremacists responded with increased ferocity sometimes with more subtle political and legal ploys Jumpin Jim Crow presents a clear picture of this complex negotiation For example even as some black and white women launched the strongest attacks on the system other white women nurtured myths glorifying white supremacy Even as elite whites blamed racial violence on poor whites they used Jim Crow to dominate poor whites as well as blacks Most important the book portrays change over time suggesting that Strom Thurmond is not a simple reincarnation of Ben Tillman and that Rosa Parks was not the first black woman to say no to Jim Crow From a study of the segregation of household consumption to a fresh look at critical elections from an examination of an unlikely antilynching campaign to an analysis of how miscegenation laws tried to sexualize black political power these essays about specific southern times and places exemplify the latest trends in historical research Its rich accessible content makes Jumpin Jim Crow an ideal undergraduate reader on American history while its methodological innovations will be emulated by scholars of political history generally In addition to the editors the contributors are Edward L Ayers Elsa Barkley Brown W Fitzhugh Brundage Laura F Edwards Kari Frederickson David F Godshalk Grace Elizabeth Hale Jacquelyn Dowd Hall Stephen Kantrowitz Nancy MacLean Nell Irwin Painter and Timothy B Tyson **Matters of Culture** Roger Friedland, John Mohr, 2004-07-22 American sociology is in the midst of a cultural turn Where sociologists once spurned culture today they embrace and explore it seeking to understand the construction of social forms and the way culture matters Problems of meaning discourse aesthetics value textuality form and narrativity topics traditionally within the humanists purview have come to the fore as sociologists increasingly emphasize the role of meanings symbols cultural frames and cognitive schema in their theorizations of social process and institution Matters of Culture first published in 2004 is an introduction to some of the best theorizing in cultural sociology focusing in particular on questions of power the sacred and cultural production With a major theoretical introduction that lays out the internal structure of the field and its relation to cultural studies and contributions from leading academics Matters of Culture offers students and professors alike a representative range of the types of cultural sociological analysis available **Globalization and America** Angela J. Hattery, David G. Embrick, Earl

Smith,2008-05-21 Hattery Embrick and Smith present a collection of essays that explore the ways in which issues of human rights and social inequality are shared globally The editors focus on the United States role in contributing to human rights violations both inside and outside its borders Essays on contemporary issues such as immigration colonialism and reparations are used to illustrate how the U S and the rest of the world are inextricably linked in their relationships to human rights violations and social inequality

Born to Rebel Benjamin E. Mays,2011-07-01 Born the son of a sharecropper in 1894 near Ninety Six South Carolina Benjamin E Mays went on to serve as president of Morehouse College for twenty seven years and as the first president of the Atlanta School Board His earliest memory of a lynching party storming through his county taunting but not killing his father became for Mays an enduring image of black white relations in the South Born to Rebel is the moving chronicle of his life a story that interlaces achievement with the rebuke he continually confronted

The Birth of a Jungle Michael Lundblad,2013-01-10 According to the law of the jungle the behavior of wild animals can be equated with natural human instincts not only for competition and reproduction but also for violence and exploitation Drawing on numerous novels and cultural events at the turn of the twentieth century The Birth of a Jungle examines how the characteristics and imagery of wild animals were evoked to explore a wide range of human behaviors including homosexuality labor exploitation and the lynching of African Americans Throughout the study Michael Lundblad emphasizes what he terms the discourse of the jungle Darwinist Freudian constructions of the human and the animal that redefined various behaviors in relation to animal instincts With nuanced attentive readings Lundblad reveals how these formulations of the human animal despite reigning critical interpretations were often contested rather than reinforced in Progressive Era texts Henry James s The Beast in the Jungle and fiction by Jack London serve as opportunities to examine changing attitudes toward sexuality and queer desire Works like Andrew Carnegie s The Gospel of Wealth and Frank Norris s The Octopus offer insights into another type of jungle the capitalist marketplace The real life electrocution of a circus elephant at Coney Island and Upton Sinclair s muckraking classic The Jungle inform the subsequent discussion of animalized class warfare Understandings of race and evolution are explored through the work of William James Edgar Rice Burrough s Tarzan of the Apes and the role of William Jennings Bryan at the Scopes Monkey Trial of 1925 Engagingly written and cogently argued The Birth of a Jungle reveals the significance of animality in relation to the history of sexuality literary naturalism and critical race studies while highlighting how the discourse of the jungle remains a disturbing yet powerful presence in today s culture

Raising Racists Kristina DuRocher,2011-05-06 White southerners recognized that the perpetuation of segregation required whites of all ages to uphold a strict social order especially the young members of the next generation White children rested at the core of the system of segregation between 1890 and 1939 because their participation was crucial to ensuring the future of white supremacy Their socialization in the segregated South offers an examination of white supremacy from the inside showcasing the culture s efforts to preserve itself by teaching its beliefs to the next generation In Raising Racists The

Socialization of White Children in the Jim Crow South author Kristina DuRocher reveals how white adults in the late nineteenth and early twentieth centuries continually reinforced race and gender roles to maintain white supremacy DuRocher examines the practices mores and traditions that trained white children to fear dehumanize and disdain their black neighbors Raising Racists combines an analysis of the remembered experiences of a racist society how that society influenced children and most important how racial violence and brutality shaped growing up in the early twentieth century South United States Reports United States. Supreme Court,2008 **Civil Society** John Keane,2007-09-01 At the moment no other European city attracts so much fascination as the city of Berlin An unrivalled symbol of modern urban life Berlin is a dynamic city whose inhabitants in the course of the past two centuries have lived through both the rapid growth and the violent destruction of the institutions of civil society several times over This volume situates itself within these developments by presenting for the first time in English a sample of the best recently written essays on contemporary civil societies their structural problems and their uncertain future written by scholars with a close long standing relationship with the city They are pre occupied with a broad sweep of substantive themes but in each case they focus upon one or other of the key trends that are shaping actually existing civil societies **Organized Crime and American Power** Michael Woodiwiss,2001-01-01 Historisch overzicht van de samenhang en wederzijdse be nvloeding van de georganiseerde misdaad en de politiek in de Verenigde Staten *Race, Crime, and Policing in the Jim Crow South* Brandon T. Jett,2021-07-07 Winner of the Florida Book Award general nonfiction category Throughout the Jim Crow era southern police departments played a vital role in the maintenance of white supremacy Police targeted African Americans through an array of actions including violent interactions unjust arrests and the enforcement of segregation laws and customs Scholars have devoted much attention to law enforcement s use of aggression and brutality as a means of maintaining African American subordination While these interpretations are vital to the broader understanding of police and minority relations Black citizens have often come off as powerless in their encounters with law enforcement Brandon T Jett s *Race Crime and Policing in the Jim Crow South* by contrast reveals previously unrecognized efforts by African Americans to use manage and exploit policing In the process Jett exposes a much more complex relationship suggesting that while violence or the threat of violence shaped police and minority relations it did not define all interactions Black residents of southern cities repeatedly complained about violent policing strategies and law enforcement s seeming lack of interest in crimes committed against African Americans These criticisms notwithstanding Blacks also voiced a desire for the police to become more involved in their communities to reduce the seemingly intractable problem of crime much of which resulted from racial discrimination and other structural factors related to Jim Crow Although the actions of the police were problematic African Americans nonetheless believed that law enforcement could play a role in reducing crime in their communities During the first half of the twentieth century Black citizens repeatedly demanded better policing and engaged in behaviors designed to extract services from law enforcement

officers in Black neighborhoods as part of a broader strategy to make their communities safer By examining the myriad ways in which African Americans influenced the police to serve the interests of the Black community Jett adds a new layer to our understanding of race relations in the urban South in the Jim Crow era and contributes to current debates around the relationship between the police and minorities in the United States

Whispering the Strategies of Language: An Psychological Journey through **Festival Of Violence An Analysis Of Southern Lynchings 1882 193**

In a digitally-driven world where screens reign supreme and immediate transmission drowns out the subtleties of language, the profound secrets and psychological subtleties concealed within phrases usually go unheard. Yet, set within the pages of **Festival Of Violence An Analysis Of Southern Lynchings 1882 193** a fascinating fictional value pulsating with natural thoughts, lies an exceptional quest waiting to be undertaken.
