*El Elyon* W a Richards,2023-09-25 The story has to be told for people to believe in the visitation We know of the existence of God s angels from what other people have said and done but this writer s question is Why are so many people trying to hide the existence of Jesus Christ in his silent years So many authors from the time parchment could be written upon have tried to tell the truth Isn t this what we are

trying to do Here is my question Why did the Catholic Church all the way to the Vatican cease to allow the Apocrypha gospel All of the over three thousand books of the existence of Jesus Christ s silent years were banned from 1940 to 1948 I believe in the body of Christ and there are no accidents or over two thousand years men women and children of all races colors and creeds have been blinded from the truth Jesus said and I quote So if the Son sets you free you will be free indeed John 8 36
