The Slum and the City Agnese Codebò, 2024-07-15 The Argentine capital is largely perceived as a middle class space Yet in reality urban poverty and precarious settlements are defining features of the city Agnese Codebò investigates how slums have produced culture as well as their representation in literature and the visual arts from the 1950s to the present Looking at government led urban projects as well as novels artworks films militant magazines poems and music she tells the story of how villas miseria have mattered culturally and socially as spaces that produce new aesthetics cultural trends and social alliances while offering a vantage point to understand the city and its problems Slums represent a heterogeneous urban space and Codebò makes the case for their relevance in Argentine culture demonstrates the need to rethink spaces of production and develops a new premise for a decolonial approach to Argentine cultural production

The Epic World Pamela Lothspeich, 2024-01-30 Reconceptualizing the epic genre and opening it up to a world of storytelling The Epic World makes a timely and bold intervention toward understanding the human propensity to aestheticize and normalize mass deployments of power and violence The collection broadly considers three kinds of epic literature conventional celebratory tales of conquest that glorify heroism especially male heroism anti epics or stories of conquest from the perspectives of the dispossessed the

oppressed the despised and the murdered and heroic stories utilized for imperialist or nationalist purposes The Epic World illustrates global patterns of epic storytelling such as the durability of stories tied to religious traditions and or to peoples who have largely stayed put the tendency to reimagine and retell stories in new ways over centuries and the imbrication of epic storytelling and forms of colonialism and imperialism especially those perpetuated and glorified by Euro Americans over the past 500 years resulting in unspeakable and immeasurable harms to humans other living beings and the planet Earth The Epic World is a go to volume for anyone interested in epic literature in a global framework Engaging with powerful stories and ways of knowing beyond those of the predominantly white Global North this field shifting volume exposes the false premises of Western civilization and Classics and brings new questions and perspectives to epic studies **El Gaucho**
