Requiescat Nigel Barley,2013-09-29 Between the two World Wars the most famous employee of the British Museum was

a cat called Mike For some twenty years Mike made it his home and his friend was a most irregular Egyptologist Wallis Budge a freebooting fieldworker and smuggler of antiquities It was a time when the wildest spiritualist ideas were in full resurgence when ghosts mummies and lethal curses were held to stalk the earth and many leading scientists writers and thinkers saw no contradiction between science and belief in the supernatural And through such tempestuous times Budge and Mike remained friends and allies as unearthly forces flickered all about them and the objects of the museum collection refused to be mere exhibits but pursued their own dark purposes across the years Animation: A Handy Guide Sheila Graber,2009-01-01 Accompanying DVD ROM contains examples an animation flick book program and Web links *Felix* John Canemaker,1996-08-21 Handsomely illustrated with over 150 photos and with full color inserts Felix is a stylish account of the intrigue behind the creation and marketing of the most popular well executed and lucrative cartoon of the silent era Based on a combination of Sammy Johns in a Sambo caricature and Charlie Chaplin Felix the Cat was the first cartoon character to exhibit an individual personality in moving pictures preceding Mickey Mouse by a decade From 1919 to 1933 Felix was internationally celebrated as popular as Chaplin and Buster Keaton Felix s producer Pat Sullivan a journeyman artist chronic alcoholic and convicted rapist claimed credit for creating and developing Felix But as John Canemaker discovered in truth it was Otto Messmer Sullivan s brilliant self effacing production manager who conceived animated and directed the more than two hundred Felix films during the period of his greatest popularity And by focusing on Messmer s amazing achievement Canemaker illuminates the entire world of film animation in the years before Walt Disney **Heritage Comics Auctions, Dallas Signature Auction Catalog #817** Ivy Press,2005-06 **Working for Victory** Sue Bruley,2011-09-30 During the Second World War over 1 5 million women found themselves thrust into the previously male dominated domain of the workplace having to learn new skills within a matter of weeks Their contribution to the war effort often remains unheralded but it is without doubt that these women played a central role in an Allied victory Kathleen Church Bliss and Elsie Whiteman were two such women The previous owners of a genteel restaurant they volunteered for war work and soon found themselves in an aircraft components factory Thrown into tough industrial work they kept a joint diary providing a unique insight into life in a wartime factory Working for Victory reveals the poor conditions suffered on the factory floor as well as the general disorganisation and bad management of this essential part of the war effort but it also describes how war work opened up a new world of social freedom for many women This diary both tragic and humorous brings women s war work vividly to life FELIX - Memoirs of a Cat Burglar Warren ?Stainless? Baker, 2014-04-16 *CANNON FODDER* An English Boy Raised and Blooded in the Cannon's Mouth Like many English couples exhausted and disenchanted after World War One Douglas Baker's mother and father emigrated with their children to South Africa searching for new opportunities to settle the restlessness that the war had engendered in them South Africa itself was a potpourri of races and cultures which offered opportunities that favoured some whilst allowing them to retain their very English culture Douglas himself born in England had to contend with conditions in the foreign land in which his family had chosen to raise him South Africa was a war torn nation where there had been 82 fiercely fought battles against indigenous peoples like the Zulus more recent settlers like the immigrant Boers German colonials and more recently rebellious elements bordering on civil war Added to this furore a mix of contending civilizations was the discovery of gold and diamonds on the Rand and at Kimberly which added to the excitement and competition It was through the English residents and Empire

builders like Cecil Rhodes that the curse of Apartheid and its stark regulations were challenged Cannon Fodder is the prequel to War Wine Valour published in 2005 and documents the author's childhood up to his volunteering to fight for king and country during the Second World War Douglas Baker is a remarkable man and has written a remarkable book As an infantryman he rescued a wounded comrade at Gazala while under intensive cross fire In the carnage at Alamein a shell took away most of his right shoulder blade He retrained on Sherman tanks Near Florence an 88mm shell burst on his tank perforating his right lung and almost severing his left arm He absconded from hospital and fought once more at the front Although just one man's experience of the war it is a gift to the historian with its engrossing accounts and accurate detail It is also a fascinating insight into day to day events and personal feelings during this difficult time He is undecorated and receives no military pension from the British Government William Roach MBE Douglas Baker now in his eighty eighth year is a medical doctor academic and public speaker who has spent the past fifty years researching the hidden facets of human nature The second volume of the author's autobiography War Wine and Valour describes in vivid detail the six arduous years he spent in the British Armed forces during World War Two Born in England but raised in South Africa he responded to the threat of Nazism and barely sixteen years old enlisted in the Natal Mounted Rifles His regiment faced Axis forces on five fronts in Kenya Central Abyssinia Cyrenaica and with the British Eighth army he participated in the Battle of El Alamein in which he was dangerously wounded During the Italian Campaign he fought with the United States Fifth Army and again suffered near mortal injuries when his Sherman tank was hit with enemy shell fire Through six years of active service he came to understand the psychology of men at bay when confronted repeatedly with bombardment direct attack and sustained terror The experience of war evoked in him curiosity and discovery which led to the mastery of medicine at Sheffield University Interweaving the narrative are detailed descriptions and maps thoroughly researched of the major battles that the author and his comrades participated in Their first hand experience adds richness to these events This is a remarkable story of a remarkable man **Musical Standard** ,1924
