## **Feltmaking Traditions Techniques And Contemporary Explorations:**

**Felting** Lynn Huggins-Cooper, 2021-06-09 A history and handbook explaining this ancient craft including step by step instructions for beginners This book offers a journey through the history of the ancient craft of felting from the earliest times when people first discovered that animal fiber moisture and friction created a durable warm fabric Felt has been used for everything from apparel to housing it has been used for practical decorative and even religious applications This book looks at the rise and fall of felting through history and into the industrial era including its importance to the hat making industry The second part of the book brings us to the modern and some might say golden era of artisanal felting with interviews from felters and textile artists generously sharing their creative process Finally if you are inspired to try this fascinating craft there are step by step instructions for both wet and needle felting and a useful list of resources to get you started on your own felt making journey

**"Women and the Material Culture of Needlework and Textiles, 1750-1950"** Maureen Daly Goggin, 2017-07-05 Rejecting traditional notions of what constitutes art this book brings together essays on a variety of fiber arts to recoup women's artistic practices by redefining what counts as art Although scholars over the last twenty years have turned their attention to fiber arts redefining the conditions practices and products as art there is still much work to be done to deconstruct the stubborn patriarchal art craft binary With essays on a range of fiber art practices including embroidery knitting crocheting machine stitching rug making weaving and quilting this collection contributes to the ongoing scholarly redefinition of women's relationship to creative activity Focusing on women as producers of cultural products and creators of social value the contributors treat women as active subjects and problematize their material practices and artifacts in the complex world of textiles Each essay also examines the ways in which needlework both performs gender and in turn constructs gender Moreover in concentrating on and theorizing material practices of textiles these essays reorient the study of fiber arts towards a focus on process the making of the object including the conditions under which it was made by whom and for what purpose as a way to rethink the fiber arts as social praxis
