anthology blends early stories from writers like Denis Johnson Jamaica Kincaid Mary Gaitskill and Raymond Carver which have gone on to become part of the American canon with remarkable and often transgressive work from some of the most celebrated writers of the underground including Dennis Cooper Eileen Myles Lynne Tillman and Gary Indiana Peck has also included powerful work by writers such as Gil Cuadros Essex Hemphill and Sam D Allesandro whose untimely deaths from AIDS ended their careers almost before they had begun Almost a third of the stories are out of print and unavailable elsewhere The Soho Press Book of 80s Short Fiction is a daring reappraisal of a decade that is increasingly central to our culture

High Risk Amy Scholder,Ira Silverberg,1991 This provocative collection of short fiction essays and poetry freely delves into forbidden zones of sex and transgressive behavior The writers and artists featured in High Risk are black white and Latino gay and straight but they share one strong conviction that art must be bound only by the limits of the imagination

Hijinx Val Hill,2006 Featuring three plays produced by the Hijinx Theatre this collection is both stirring and diverse Paul Robeson Knew My Father is the story of a young boy growing up in the South Wales Valleys in the 1950s The son of a single mother he is an isolated child who becomes obsessed with Paul Robeson the movie star and retreats into a fantasy world of spies and fighter pilots while struggling to find out the truth about his father Dreaming Amelia inspired by Amelia Earhart s landing in Burry Port in 1928 reveals how the success of one person can inspire others to have the courage to follow their dreams while Spinning the Round Table a take on the love triangle of Arthurian legend explores love and betrayal in the corridors of power

Cunt-ups Dodie Bellamy,2001 Poetry Prose CUNT UPS is an explosion of textual sexuality that resists principles of formal ordering is polyvalent in its voice and range and as perverse in its sentence construction as its content Its setting is the mediated exchange itself the fractured articulation of a female body who has sex writing about sex While the title might imply a gendered site of production it also suggests a sexual textual violence that is more than a mere disorganization of the senses but a dismemberment of the gendered body as well The text becomes a feminist desiring machine its writing a prosthetic device mediating the traces of physicality imagination abjection and pleasure Throw on the switch plug into the

mediating machine the flesh object writes back becomes subject suspect the gaze cut up and fed back into vibrating loops of unobtainable desire David Buuck **The Art of Practice** Dennis Barone, Peter Ganick, 1994 Poetry In THE ART OF PRACTICE the poem is viewed as primary not prior to or about experience but itself experience The editors make clear that neither expression description nor voice is the point of this poetry it is the embodiment of the mind discovering Jackson Mac Low *Outlook* ,1991 *Lipstick Eleven* ,1998 *A Poetics of Criticism* ,1994 *River City* ,1995 **Contemporary Gay American Novelists** Emmanuel S. Nelson, 1993-01-26 Publication of this sourcebook on important gay American fiction writers grants legitimacy and recognition to this rapidly emerging area of literary studies Though wary of canon formation in this groundbreaking work editor Nelson has selected fifty seven writers whose works have received serious critical acclaim and or have won large audiences or in a few cases are worthy of greater attention Included are representative writers of detective fiction and science fiction but not authors of erotic fiction or pulp novels Also excluded are a few novelists whose expressed wishes for privacy were respected Writers and their works are examined in the gay literary context and a majority of the contributing essayists are themselves gay male scholars and writers who bring with them a level of personal and political sensitivity that is generally lacking in non gay assessments of this literature Each entry begins with biographical information proceeds to an interpretive summary of major works and themes provides an overview of critical reception accorded the author and concludes with bibliographies of primary and secondary materials In a lively and perceptive introductory essay Bredbeck inquires into what we mean by gay literature and the inherent tensions in these terms Conceding the impossibility of speaking conclusively of gay literature he nevertheless stresses the importance of the task and ends with a survey of critical studies of the gay male novel and works of gay male criticism *Community and Contestatory Writing Practices in the San Francisco Bay Area, 1970-present* Robin Tremblay-McGaw, 2009 **Shark** ,1998 **Paperbound Books in Print** ,1991 **Outward Openings** ,1997 *Situation* , *Poetics Journal* ,1998-06
