Femininity And The Physically Active Woman

Irina Anderson, Kathy Doherty

Femininity And The Physically Active Woman:

Femininity and the Physically Active Woman Precilla Y. L. Choi, 2000 Explores one reason many women offer for their lack of involvement in sport and exercise that they are not the sporty type *Femininity and the Physically Active Woman* Precilla Y. L. Choi, 2023-05-19 The fitness boom of the last two decades has led to many people incorporating exercise into their lifestyles through activities such as jogging and aerobics However whilst many physical and psychological health benefits have been documented far too few people actually take part in enough exercise to glean significant improvements and this is much more a problem for women than men *Femininity and the Physically Active Woman* explores one reason many women offer for their lack of involvement in sport and exercise that they are not the sporty type Precilla Y L Choi argues that the sporty type is masculine and to determine how this notion might affect women's self-perceptions she critically examines the experiences of women athletes bodybuilders recreational exercisers and girls physical education What emerges is the importance of visible differences between women and men in terms of muscularity strength and agility in order to maintain the gender order Thus if a girl or woman wishes to play the masculine game of sport she must do so in conformity with a number of patriarchal rules which ensure she is first and foremost recognised as a heterosexual feminine being Contributing to a psychology of the physically active woman by examining women's experiences from critical feminist and gendered perspectives *Femininity and the Physically Active Woman* will be of great interest to students researchers practitioners and teachers from a range of disciplines Precilla Y L Choi is the British Association for the Advancement of Science's Joseph Lister Lecturer for 2000 She has co-edited with Paula Nicolson *Female Sexuality* Prentice Hall

Knowing Victims Rebecca Stringer, 2014-06-20 *Knowing Victims* explores the theme of victimhood in contemporary feminism and politics It focuses on popular and scholarly constructions of feminism as victim feminism an ideology of passive victimhood that denies women's agency and provides the first comprehensive analysis of the debate about this ideology which has unfolded among feminists since the 1980s The book critically examines a movement away from the language of victimhood across a wide array of discourses and the neoliberal replacement of the concept of structural oppression with the concept of personal responsibility In derogating the notion of victim neoliberalism promotes a conception of victimization as subjective rather than social a state of mind rather than a worldly situation Drawing upon Nietzsche Lyotard rape crisis feminism and feminist philosophy Stringer situates feminist politicizations of rape interpersonal violence economic inequality and welfare reform as key sites of resistance to the victim-blaming logic of neoliberalism She suggests that although recent feminist critiques of victim feminism have critically diagnosed the anti-victim movement they have not positively defended victim politics Stringer argues that a conception of the victim as an agentic bearer of knowledge and an understanding of resentment as a generative force for social change provides a potent counter to the negative construction of victimhood characteristic of the neoliberal era This accessible and insightful analysis of feminism neoliberalism and the social construction of victimhood will be of great

interest to researchers and students in the disciplines of gender and women s studies psychology sociology politics and philosophy

Equality in the Secondary School Mike Cole,2009-12-22 Draws together a wealth of knowledge from a varied list of contributors all of whom recognise the importance of promoting equality in secondary schools

Sex, Gender, and Sexuality in Sport Vikki Krane,2018-12-07 Diverse sex gender and sexual identities historically have been pushed to the margins in sport While there is more visibility and inclusion for LGBTIQ lesbian gay bisexual transgender intersex queer people in sport today than in the past there still exists bigotry and marginalization In this book Vikki Krane and a team of leading sport scholars critically assess what we know about sex gender and sexuality in sport expose areas in need of further inquiry and offer new avenues for theory research and practice Drawing on cultural studies perspectives and with social justice at the heart of every chapter the book discusses theory policy practice and the experiences of LGBTIQ people in sport Sex Gender and Sexuality in Sport is an important read for undergraduate and postgraduate students in any class with content on LGBTIQ people in sport but particularly for those studying sport and gender sexuality and sport LGBT studies psychology of gender contemporary issues in sport sociology of gender and sport and higher education It is also a vital resource for scholars who conduct research in the area of LGBTIQ people in sport

2019 FIFA Women's World Cup Molly Yanity,Danielle Sarver Coombs,2021-08-12 This book examines the most prolific international women s football tournament the FIFA Women s World Cup through media fandom and how mediated women s soccer can improve on a global scale Women s soccer has exploded in terms of media exposure television audiences and live spectatorship This book explores those macro level issues while also digging into micro level topics such as Megan Rapinoe s celebrations and political activism VAR reviews LGBTQ imagery and cultural obstacles for women s football in Central Eastern Europe and Nigeria Using an interdisciplinary approach scholars look at issues through the lenses of feminist theory cultural studies rhetorical criticism political economy performative sport fandom autoethnography and more Thus the book is important reading for students researchers and media practitioners with interests in women s soccer gender in sports media coverage of women s sport and sport fandom

The Psychological Development of Girls and Women Sheila Greene,2014-11-27 Choice Recommended Read This thoroughly revised new edition updates Sheila Greene s original transformative account of the psychological development of girls and women and the central role of time in shaping human experience Greene critically reviews traditional and contemporary theoretical approaches ranging from orthodox psychoanalysis to relational and post modern theories and argues that even those that claim to focus on development have presented a view of women s lives as fixed and determined by their nature or their past These theories she believes should be rejected because of their inherent lack of validity and their frequently oppressive implications for women Essential but often neglected insights from the more compelling developmental and feminist theories are woven together within a theoretical framework that emphasizes temporality emergence and human agency The result is a liberating theory of women s psychological development as

constantly emerging and changing in time rather than as static and fixed by their nature socio cultural context and personal history Updated for a new generation of readers The Psychological Development of Girls and Women will continue to be essential reading for students and researchers in the psychology of women developmental psychology and women s studies

Sport and Exercise Psychology Stewart Cotterill, Neil Weston, Gavin Breslin, 2016-04-15 Sport and Exercise Psychology Practitioner Case Studies focuses on the most current issues in the field integrating research and practice to develop a coherent understanding of current knowledge future research directions and applied implications within the field This is the first book to include theory based case studies for sport performance exercise and skill acquisition in one publication This text provides content that is directly applicable to those students wishing to enter the profession via various national accreditation schemes in addition to providing chartered psychologists with a text that can directly inform their reflections of their own practice Sport and Exercise Psychology is supported by an online learning environment that includes talking heads videos for each chapter further resources questions and links to relevant external materials

Strong and Hard Women Tanya Bunsell, 2013-04-12 Females with large muscles evoke strong reactions from men and women often involving disgust discomfort anger and threat The controversial nature of female bodybuilding has caused a significant rupture on feminist ground Whilst proponents claim that female bodybuilding is a way of empowering and liberating women others see it as a form of corporeal entrapment This book investigates the controversy Do women who pump iron resist physical restrictions of imposed femininity or are they engaged in an ultimately oppressive quest for perfect bodies In an original two year ethnographic study based in the South of England Tanya Bunsell immersed herself into the world of female bodybuilders By mapping these extraordinary women s lives the research illuminates the pivotal spaces and essential lived experiences that make up the female bodybuilder Whilst the women appear to be embarking on an empowering radical body project for themselves the consequences of their activity remains culturally ambivalent This research exposes the Janus faced nature of female bodybuilding exploring the ways in which the women negotiate accommodate and resist pressures to engage in more orthodox and feminine activities and appearances This book will be of interest to academics and students in the fields of gender studies the sociology of sport the body and research methodology

Women and Exercise Eileen Kennedy, Pirkko Markula, 2011-01-12 This volume examines women s contradictory experiences of their bodies health and exercise within the cultural context of consumerism Featuring contributions by leading scholars on women and exercise across North America and Europe this timely examination of women exercise and fitness will shape the international dialogue on these critical issues

Sport and Society Barrie Houlihan, Dominic Malcolm, 2015-11-16 This third edition of Sport and Society with contributions from some of the field s most highly respected scholars covers the myriad of complex pervasive and global issues confronting sport in the 21st century It continues to be a foundation text for students across most sport disciplines Russel Hoyer La Trobe University Australia The third edition of Sport and Society reinforces its place as one of the most

valuable texts for students and others engaging in social scientific study of sport Overall the book continues to achieve an unrivalled balance between different social science disciplines that have been applied to sport between local national and international issues and between broad overviews and specific detail on every topic The end result is a book that is a must on many academic reading lists Iain Lindsey Durham University UK Fully updated and revised the Third Edition of Barrie Houlihan and Dominic Malcolm's ground breaking *Sport and Society* provides students and instructors with a one stop text that is comprehensive accessible international and engaging This popular book Approaches the study of sport from a multi disciplinary perspective Presents the importance of social structure power and inequality in analysing the nature and significance of sport in society Addresses the rapid commercialization and regulation of sport Engages in comparative analysis to understand problems clearly and produce sound solutions Expands students knowledge through chapter summaries guides to further reading and extensive bibliographies Offers five new chapters addressing the key contemporary issues of lifestyle sport sport for development and peace the governance of international sport organisations sports fandom and sport in East Asia A superb teaching text this new edition will be relished by instructors seeking an authoritative introduction to sport and society and students who want a relevant enriching text for their learning and research needs

Sports Events, Society and Culture Katherine Dashper, Thomas Fletcher, Nicola McCullough, 2014-07-25 This innovative and timely volume moves beyond existing operational and pragmatic approaches to events studies by exploring sports events as social cultural political and mediated phenomena As the study of this area is developing there is now a need for critical and theoretically informed debate regarding conceptualisation significance and roles This edited collection explores the core themes of consumption media technologies representation identities and culture to offer new insight into how sports events contribute to generation of individual and shared meaning over personal community and national identities as well as the associated issues of conflict resistance and power Chapters promote a critical re evaluation of emerging empirical research from a diverse range of sports events and locations from the international to local level A multi disciplinary approach is taken with contributions from areas including sports studies media studies sociology cultural studies communications politics tourism and gender studies Written by leading academics in the area this thorough exploration of the contested relationship between sports events society and culture will be of interest to students academics and researchers in Events Sport Tourism and Sociology

Beauty and Misogyny Sheila Jeffreys, 2014-12-03 The new edition of *Beauty and Misogyny* revisits and updates Sheila Jeffreys uncompromising critique of Western beauty practice and the industries and ideologies behind it Jeffreys argues that beauty practices are not related to individual female choice or creative expression but represent instead an important aspect of women's oppression As these practices have become increasingly brutal and pervasive the need to scrutinize and dismantle them is if anything more urgent now as it was in 2005 when the first edition of the book was published The United Nations concept of harmful traditional cultural practices provides a useful lens for the author to

advance her critique She makes the case for including Western beauty practices within this definition examining their role in damaging women s health creating sexual difference and enforcing female deference First wave feminists of the 1970s criticized pervasive beauty regimes such as dieting and depilation but a later argument took hold that beauty practices were no longer oppressive now that women could choose them In recent years the reality of Western beauty practices has become much more bloody and severe requiring the breaking of skin and the rearrangement or amputation of body parts Beauty and Misogyny seeks to make sense of why beauty practices have not only persisted but become more extreme It examines the pervasive use of makeup the misogyny of fashion and high heeled shoes and looks at the role of pornography in the creation of increasingly popular beauty practices such as breast implants genital waxing surgical alteration of the labia and other forms of self mutilation The book concludes by considering how a culture of resistance to these practices can be created A new and thoroughly updated edition of this essential work will appeal to all levels of students and teachers of gender studies cultural studies and feminist psychology and to anyone with an interest in feminism women and beauty and women s health

Women Voicing Resistance Suzanne McKenzie-Mohr,Michelle N. Lafrance,2014-03-26 Feminist scholars have demonstrated how dominant discourses and master narratives frequently reflect patriarchal influence thereby distorting and depoliticizing women s storying of their own lives In this groundbreaking volume a number of internationally recognized researchers working across a range of disciplines provide a detailed examination of women s attempts to counter story their lives when prevailing discourses are unhelpful or indeed harmful As such it is an exploration of women s agency and resistance which highlights the challenges and complexities of such discursive work The chapters explore women s resistance across a wide range of experiences including intimate partner violence casual sex depression premenstrual change disordered eating lesbian identity women s work in male dominated spaces rape and child birth Each chapter combines theoretical analyses with illuminating first hand accounts and elaborates practical implications that provide directions for individual and social change Providing an incisive and comprehensive exploration of discourse oppression and resistance that cuts across domains of women s everyday lives Women Voicing Resistance will be of great interest to students scholars and practitioners in the fields of psychology gender studies women s studies sociology and social work **Fat Lives** Irmgard Tischner,2013 Ever caught somebody or yourself checking out the content of a fat person s supermarket trolley Ever wondered what lies behind this behaviour or what it might be like to be at the receiving end of this judging gaze Within the context of the current obesity debate this book investigates the embodied experience of being large from a critical psychological perspective Using poststructuralist and feminist theories the author explores the discourses available to and used by self designated fat individuals as well as the societal power relationships that are produced by these Using the issues of body size and fat as an illustration the book describes the benefits of exploring psychological and social matters from a poststructuralist perspective and the dangers inherent in taking reductionist approaches to public health and other social

issues As such this book should be of particular interest to anyone working within the disciplines of psychology sociology and health studies as well as those involved in the study of health gender issues and appearance

Accounting for Rape Irina Anderson, Kathy Doherty, 2007-11-26 Accounting for Rape presents an original perspective on the subject of rape focusing on both female and male sexual violence The authors investigate everyday beliefs about rape to examine how blaming the victim and the normalization of rape are achieved by people in a discussion about sexual violence They synthesize discursive psychology and a feminist standpoint to explore precisely how rape and rape victimhood are defined in ways that reflect the social political and cultural conditions of society By analysing conversational data Anderson and Doherty suggest that the existing social psychological experimental research into rape and rape perception fails to analyse the subtlety and political significance of rape supportive reasoning Accounting for Rape provides a critical interrogation of the dominant theories and methodologies focusing on How the gender and sexual orientation of alleged victims and perpetrators is crucial to social participants when making sense of a rape report and in apportioning blame and sympathy How arguments that are critical of alleged victims are built in ways that are face saving for the participants in the conversations and how victim blaming arguments are presented as common sense The potential of applying this approach in both professional and academic contexts to promote attitude change The book will be of great interest to those studying social and clinical psychology cultural studies sociology women s studies and communication studies

Domestic Violence and Psychology Paula Nicolson, 2019-01-11 Despite changes to laws and policies across most western democracies intended to combat violence to women intimate partner violence and abuse IPVA remains discouragingly commonplace Domestic Violence and Psychology Critical Perspectives on Intimate Partner Violence and Abuse showcases women s harrowing stories of living with and leaving violent partners offering a psychological perspective on domestic violence and developing a theoretical framework for examining the context intentions and experiences in the lives of people who experience abuse and abuse themselves Nicolson provides an analysis of survivors real life stories and thoughts about IPVA The attitudes of the general public and health and social care professionals are also presented and discussed The theoretical perspective employs three levels of evidence the material context discursive explanations and intrapsychic emotional Domestic Violence and Psychology is divided into three parts accordingly engaging qualitative data from interviews and quantitative data from surveys to illustrate these theoretical perspectives Although many pro feminist sociologists and activists firmly believe that any attempt to explain domestic violence potentially condones it this book takes up the challenge to make a compelling case demonstrating how we need to widen understanding of the psychology of survivors and their intimate relationships if we are to defeat IPVA The new edition has been updated to include the latest developments in IPVA research and practice and in particular examines the impact of a violent and abusive family life on all members including children This is essential reading for students academics and professionals interested in domestic abuse as well as professionals and practitioners including psychologists social workers

the police prison officers probation staff policy makers and charity workers **Body Work** Sylvia K. Blood, 2004-03
Reassessing Experimental Psychology from a critical perspective Sylvia Blood demonstrates how its research into Body
Image can be misused and prone to misuse **The Oxford Handbook of the Psychology of Appearance** Nichola
Rumsey, Diana Harcourt, 2014 We live in a society in which messages associating physical attractiveness with success and
happiness are pervasive This book gives a detailed authoritative account of research policy and practice in psychological
aspects of appearance including the role of the media in shaping people's attitudes and behaviors towards appearance
 Philosophy and the Sciences of Exercise, Health and Sport Mike McNamee, 2004-06 This investigation into the rationale
and validity of prevailing research methodologies used in sport exercise and health science calls on researchers to reflect
critically on the nature and aims of scientific enquiry in these disciplines

Femininity And The Physically Active Woman Introduction

In the digital age, access to information has become easier than ever before. The ability to download Femininity And The Physically Active Woman has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Femininity And The Physically Active Woman has opened up a world of possibilities. Downloading Femininity And The Physically Active Woman provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Femininity And The Physically Active Woman has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Femininity And The Physically Active Woman. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Femininity And The Physically Active Woman. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Femininity And The Physically Active Woman, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Femininity And The Physically Active Woman has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Femininity And The Physically Active Woman Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Femininity And The Physically Active Woman is one of the best book in our library for free trial.
