**Feminist Activism in the Post-2010s Sinosphere** Elisabeth L. Engebretsen, Jinyan Zeng, 2024-11-14 Bringing together scholars and scholar activists from a wide range of disciplines this groundbreaking book delves into the diversity and vibrancy of feminist activism in Xi era China Feminist Activism in the Post 2010s Sinosphere examines a variety of urgent feminist issues in 21st century China including the MeToo movement online misogyny feminism in popular media and the experiences and rights of queer trans and ethnic minority groups The chapters explore shifting dynamics between state feminism NGO and grassroots movements the intersection of academia and intellectual discourse the interplay of art and activism the increasing reliance on digital media platforms and the evolving re formations of transnational and diasporic alliances alongside their creative strategic practices Drawing on timely research and situated knowledges the contributors offer innovative and provocative perspectives supported by nuanced conceptual frameworks and rich empirical data What are the specific characteristics of feminist activism grounded in the Sinosphere and Chinese contexts today How is violence analyzed through an intersectional lens and how do feminist engagements respond to precarity in the context of a pandemic and authoritarian governance This anthology is an insightful and stimulating read for anyone interested in intersectional feminist mobilizations contemporary Sinophone and Chinese society and politics and LGBTQ studies

**Policing and Gendered Justice** Marilyn Corsianos, 2009-01-01 An excellent overview of the position of women working as police officers in both Canada and the United States past and present The integration of theory empirical evidence and policy implications is striking Nancy Jurik Arizona State University

**Gender Dynamics, Feminist Activism and Social Transformation in China** Guo Guang Wu, Yuan Feng, Helen Lansdowne, 2018-11-02 This book explores the extent to which women have been initiators mobilizers and driving forces of social transformation in China The book considers how conceptions of women s roles have changed as China has moved from state socialism to engagement with capitalist globalization examines the growth of women s gender and sexual consciousness and social movements for women s rights including for marginalized social and sex gender groups and discusses women s roles in society state interactions including many forms of social activism cultural events educational innovations and more Overall the book demonstrates that women have not simply been passive receivers of the consequences of the forces of global capitalism but that they have had a profound active impact on social transformation in China

**Feminist Politics in Neoconservative Russia** Inna Perheentupa, 2022-07-05 This is a nuanced and compelling analysis of grassroots feminist activism in Russia in the politically turbulent 2010s Drawing on rich

ethnographic data the author illustrates how a new generation of activists chose feminism as their main political beacon and how they negotiated the challenges of authoritarian and conservative trends As we witness a backlash against feminism on a global scale with the rise of neoconservative governments this highly relevant book decentres Western theory and concepts of feminism and social movements offering significant insights into how resistance can mobilize and invent creative tactics to cope with an increasingly repressed space for independent political action      **Ecofeminist Natures** Noel

Sturgeon,2016-01-08 Examining the development of ecofeminism from the 1980s antimilitarist movement to an internationalist ecofeminism in the 1990s Sturgeon explores the ecofeminist notions of gender race and nature She moves from detailed historical investigations of important manifestations of US ecofeminism to a broad analysis of international environmental politics      **Feminist Activism in the 1990s** Gabriele Griffin,2005-11-01 Feminist activism is often taught as an historical phenomenon and many students entering courses on women s studies are not familiar with current feminist work in the field This book documents a wide variety of different forms of feminist activism in the 1990s from organisations such as Rights for Women and Southall Black Sisters to Asian Women s Work in Refuges It raises questions about the meaning of feminist activism and its interpretation within women s studies and other academic disciplines The chapters suggest against much current representation within women s studies and elsewhere that feminism is still alive With a comprehensive introduction providing an historical overview of the development of feminist activism from second wave feminism onwards this text is intended to be of use as a resource for all students of women s studies and related courses

**The Wounds of Exclusion** Colleen Reid,2017-07-28 This participant observer study chronicles the stories of a group of poor Canadian women their experience with exclusion by health and social service providers and their involvement in a feminist action research project      *Technofeminist Storiographies* Kristine L. Blair,2018-12-20 *Technofeminist Storiographies* Women Information Technology and Cultural Representation analyzes both historical and contemporary accounts of women s lived experiences of technology from Ada Lovelace and Hedy Lamarr to women working across the tech industry today and juxtaposes them with larger cultural representations of women and technology The book explores both the relationship between gender and technology and the cultural contexts that enable and constrain that relationship questions that call for opportunities for women to share their lived experiences and to have such experiences represented across media genres Despite the rich complex stories and histories women have with technology as programmers inventors and workers media throughout history including film television games toys children s books and biographies often inadequately and inaccurately represent them Throughout the book Kristine Blair chronicles the portrayal of the relationship between women and information technology across these media genres Inevitably the societal conditions that surround technology use including portrayal through popular media impact the extent to which women and girls gain and maintain access within those cultural contexts This book calls for a more visible history of women s technological achievements in

which their stories are heard for generations to come rather than be forgotten and unknown      *Emotions, Consciousness-Raising and Feminisms in the Global South* Gabriela Silva Loureiro, 2025-05-23 This book is about the role of emotions in the creation and dissipation of feminist collectives and grapples with difficult questions that have been circulating for a while in activist circles but are far from answered What are the emotions involved in building and sustaining solidarity What can we learn from previous waves of feminist activism and what is worth saving in social media activism today These questions are tackled via the discourse analysis of hashtagged posts of two popular feminist hashtags in Brazil *PrimeiroAss dio* and *MeuAmigoSecreto* and interviews with Brazilian feminist actors But instead of merely analysing the content of the hashtags or over celebrating aesthetics I interpret them as empirical evidence of the emotional life of varied feminisms and therefore useful to reflect upon historical build ups and dissipation of solidarity The unique feature of the book is making a bridge between sociology of emotions feminist theory and decolonial Black and Global South literature and praxis that articulate solidarity based on principles of difference instead of sameness This book will be of interest to students scholars teachers activists and community members interested in the emotions involved in building and sustaining feminist solidarity from a non Western perspective      **Femmes Et L'état Canadien** Caroline Andrew, Sanda Rodgers, 1997 A collection of essays presented at a conference to commemorate the twentieth anniversary of the release of the Report of the Royal Commission on the Status of Women Women and the Canadian State both celebrates and critically assesses the Report Women bureaucrats activists and academics consider the impact successes and failures of the Report from a variety of viewpoints and reflect on the experience of Canadian women since its publication in 1970      **Feminism, Economics and Utopia** Karin Schonpflug, 2008-03-26 Are there feminist economic utopian visions amongst feminist economists What are these visions Is there a common vision for feminist economics or should there be Can feminist economics be effective without a utopian vision Comprehensive and original this book surveys the entire field of utopian literature from Plato to the present Answering      *Ain't I a Feminist?* Aaronette M. White, 2008-08-28 *Ain t I a Feminist* presents the life stories of twenty African American men who identify themselves as feminists centering on the turning points in their lives that shaped and strengthened their commitment to feminism as well as the ways they practice feminism with women children and other men In her analysis Aaronette M White highlights feminist fathering practices how men establish egalitarian relationships with women the variety of Black masculinities and the interplay of race gender class and sexuality politics in American society Coming from a wide range of family backgrounds ages geographical locations sexualities and occupations each man also shares what he experiences as the personal benefits of feminism and how feminism contributes to his efforts towards social change Focusing on the creative agency of Black men to redefine the assumptions and practices of manhood the author also offers recommendations regarding the socialization of African American boys and the reeducation of African American men in the interest of strengthening their communities      The Narrow Bed Sophie Hannah, 2016-02-11 What if having a best

friend was the most dangerous thing you could do A killer that the police are calling Billy Dead Mates is murdering pairs of best friends one by one Before they die each victim is given a small white book For months detectives have failed to catch Billy or work out what the white books mean And then a woman scared by what she s seen on the news comes forward Stand up comedian Kim Tribbeck has one of Billy s peculiar little books A stranger gave it to her at a gig she did a year ago Was he Billy and does he want to kill her Kim has no friends and trusts no one so how and why could she possibly be Billy Dead Mates next target This is the next chilling novel from the queen of psychological crime a literary puzzle set to unlock the dark side of the mind      *Girls' Feminist Blogging in a Postfeminist Age* Jessalynn Keller,2015-10-05 Girls Feminist Blogging in a Postfeminist Age explores the practices of U S based teenage girls who actively maintain feminist blogs and participate in the feminist blogosphere as readers writers and commenters on platforms including Blogspot Facebook Twitter and Tumblr Drawing on interviews with bloggers between the ages of fifteen and twenty one as well as discursive textual analyses of feminist blogs and social networking postings authored by teenage girls Keller addresses how these girls use blogging as a practice to articulate contemporary feminisms and craft their own identities as feminists and activists In this sense feminist girl bloggers defy hegemonic postfeminist and neoliberal girlhood subjectivities a finding that Keller uses to complicate both academic and popular assertions that suggest teenage girls are uninterested in feminism Instead Keller maintains that these young bloggers employ digital media production to educate their peers about feminism connect with like minded activists write feminist history and make feminism visible within popular culture practices that build upon and continue a lengthy tradition of American feminism into the twenty first century Girls Feminist Bloggers in a Postfeminist Age challenges readers to not only reconsider teenage girls online practices as politically and culturally significant but to better understand their crucial role in a thriving contemporary feminism      *Writing the Public in Cyberspace* Ann Travers,2018-10-24 Popular claims that new information technology will expand democratic and public spaces are problematic given the exclusive history of the public and the restriction of access to computer technology to elites This book investigates patterns of behavior in a cybercommunity consisting of Americans and Canadians and discusses the ways in which these so called public spaces are likely to reshape the boundaries between social insiders and outsiders rather than eliminate them Traverse analyses the ways in which the norms for participation within cyberspaces often play a role in undermining public tendencies but notes that new information technologies provide educators feminists and other social groups concerned with broadening the inclusive nature of public spaces with unique opportunities The book s final section explores current efforts by feminists on line to expand public access for women and suggests further strategies for developing more genuinely inclusive public spaces Ph D dissertation University of Oregon 1996 revised with new introduction bibliography and index      **The SAGE Handbook of Digital Society** William Housley,Adam Edwards,Roser Beneito-Montagut,Richard Fitzgerald,2022-11-23 This SAGE Handbook brings together cutting edge social scientific research and theoretical insight into the emerging contours of digital

society Chapters explore the relationship between digitisation social organisation and social transformation at both the macro and micro level making this a valuable resource for postgraduate students and academics conducting research across the social sciences The topics covered are impressively far ranging and timely including machine learning social media surveillance misinformation digital labour and beyond This innovative Handbook perfectly captures the state of the art of a field which is rapidly gaining cross disciplinary interest and global importance and establishes a thematic framework for future teaching and research Part 1 Theorising Digital Societies Part 2 Researching Digital Societies Part 3 Sociotechnical Systems and Disruptive Technologies in Action Part 4 Digital Society and New Social Dilemmas Part 5 Governance and Regulation Part 6 Digital Futures

**The Global Women's Movement** Peggy Antrobus, 2013-04-04 The spread and consolidation of the women s movement in North and South over the past thirty years looks set to shape the course of social progress over the next generation Peggy Antrobus draws on her long experience of feminist activism to set women s movements in their changing national and global context
