Reading Mary Alongside Indian Surrogate Mothers Sharon Jacob, 2015-08-18 This book attempts to read the character of Mary in the infancy narratives of Luke and Matthew alongside the lives of experiences of the Indian surrogate mother living a postcolonial India Reading Mary through these lenses helps us see this mother and her actions in a more ambivalent light as a mother whose love is both violent and altruistic

Finding Grace with God Rose Ellen Dunn, 2014-07-30 Finding Grace with God A Phenomenological Reading of the Annunciation engages in an interweaving of phenomenology mystical theology and feminist philosophy to unfold a theopoetic interpretation of the narrative of the Annunciation in the Gospel of Luke It begins with a discussion of the foundational phenomenologies of Edmund Husserl and Martin Heidegger and then moves to the more recent work of several French phenomenologists including Paul Ricoeur Jean Louis Chretien and Michel Henry The interpretation is then expanded through the philosophies of Luce Irigaray Jean Luc Marion and Jacques Derrida Finally the phenomenologies of Maurice Merleau Ponty and Martin Heidegger provide a means to interpret the Annunciation through theopoetics as a text that is infused with possibility Mary filled with grace is beckoned by the divine into possibility responding in grace she in turn beckons the divine into possibility Transgressing the limits of language this possibility slips into apophysis into a moment of Gelassenheit a mutual letting be or releasement of Mary and the divine into a mystical union of love a love that becomes manifest through a gift of life

Survival and Success of an Apocryphal Childhood of Jesus Marijana Vukovic, 2022-04-19 This book explores the transformations of the Infancy Gospel of Thomas in the Middle Ages It also connects the different representations of children childhood everyday and family life in the distinct textual versions to

the ancient and medieval settings in which they appear The text survived and influenced ideas and mentalities that shaped medieval minds in the East and the West but also enhanced anti Jewish sentiments

SCM Studyguide Early Christian Doctrine and the Creeds Piotr Ashwin-Siejkowski,2013-02-11 The SCM Studyguides are becoming increasingly well known recognized and adopted as accessible textbooks for level 1 students who have no prior knowledge of the subject The SCM Studyguide Early Christian Doctrine and the Creeds offers an accessible stimulating and interactive guide book to the emergence of Christian identity with particular attention to the earliest form of the Christian thought and doctrine The author analyses the crucial statements of the early Creeds and rules of faith He explains the creedal statements on the nature of God creation incarnation redemption the Church and eschatology and outlines the theological context which influenced their formulation and later modifications by other texts and authors The Creeds are part of the heritage of all Christian tradition and therefore have to be studied by both theological students and in the context of education for discipleship modules

New Perspectives on the Nativity Jeremy Corley,2009-09-17 The infancy narratives represent some of the most beautiful and intriguing passages in the Gospels The stories they relate are also arguably the most well known in the Christian tradition from the child in the manger to the Magi paying homage to the infant Jesus However there have been relatively few attempts to consider the stories of the Nativity from modern academic perspectives examining them from feminist perspectives political standpoints in cinematic representations as well as more standard but up to date academic approaches New Perspectives on the Nativity attempts to redress this providing a fresh insights on these crucial Christian texts from a cast of distinguished contributors At the outset Henry Wansbrough surveys scholarship on the infancy narratives since Raymond Brown s landmark study The Birth of the Messiah 2nd edition 1993 Thereafter four chapters deal with Luke s infancy story Ian Boxall demonstrates how the narrative offers subtle foreshadowings of the passion and resurrection Barbara Reid surveys Luke s portrayal of three female prophets Elizabeth Mary and Anna who prepare for the later presentation of Jesus as a prophet Leonard Maluf suggests a new understanding of Zechariah s canticle the Benedictus by situating it firmly in its Jewish background Finally Nicholas King indicates how the inn of the nativity prefigures the later journey of the gospel message The next four contributions are concerned with Matthew s narrative Warren Carter shows how the conflict between the infant Jesus and the ruling powers is repeated more dramatically in the life and death of the adult Christ Benedict Viviano proposes that the three stages in Matthew s genealogy of Jesus belong within a grand scheme of seven ages of salvation history Bernard Robinson investigates Matthew s nativity story within the context of biblical and Greco Roman history writing Christopher Fuller highlights the carnivalesque approach to the Magi story in Pasolini s classic film The Gospel According to St Matthew Three final essays focus on the religious value of the infancy stories Ann Loades reflects on late 20th century poems dealing with the nativity John Kaltner explores the references to Jesus birth found in Islamic tradition Finally Thomas O Loughlin argues that contemporary preoccupations with historical investigation can blind

us to the mystery presented in the nativity stories

A Cultural Study of Mary and the Annunciation Gary

Waller, 2015-10-06 This book traces the history of the Annunciation exploring the deep and lasting impact of the event on the Western imagination Waller explores the Annunciation from its appearance in Luke's Gospel to its rise to prominence in religious doctrine and popular culture and its gradual decline in importance during the Enlightenment The

Overshadowed Preacher Jerusha Matsen Neal, 2020-10-08 The Overshadowed Preacher breaks open one of the most important unexamined affirmations of preaching the presence of the living Christ in the sermon Jerusha Matsen Neal argues that Mary's conceiving bearing and naming of Jesus in Luke's nativity account is a potent description of this mystery Mary's example calls preachers to leave behind the false shadows haunting Christian pulpits and be overshadowed by the Spirit of God Neal asks gospel proclaimers to own both the limits and the promise of their humanness as God's Spirit-filled servants rather than disappear behind a pulpit prince ideal It is a preacher's fully embodied witness lived out through Spirit-filled acts of hospitality dependence and discernment that bears the marks of a fully embodied Christ This affirmation honors the particularity of preachers in a globally diverse context challenging a status quo that has historically privileged masculinity and whiteness It also offers hope to ordinary souls who find themselves daunted by the impossibility of the preaching task Nothing in the angel's words is impossible with God

Women and the Gender of God Amy Peeler, 2022-10-04

A robust theological argument against the assumption that God is male God values women While many Christians would readily affirm this truth the widely held assumption that the Bible depicts a male God persists as it has for centuries This misperception of Christianity not only perniciously implies that men deserve an elevated place over women but also compromises the glory of God by making God appear to be part of creation subject to it and its categories rather than in transcendence of it Through a deep reading of the incarnation narratives of the New Testament and other relevant scriptural texts Amy Peeler shows how the Bible depicts a God beyond gender and a savior who while embodied as a man is the unification in one person of the image of God that resides in both male and female Peeler begins with a study of Mary and her response to the annunciation through which it becomes clear that God empowers women and honors their agency Then Peeler describes from a theological standpoint how the virgin birth of Jesus the second Adam reverses the gendered division enacted in the garden of Eden While acknowledging the significance of the Bible's frequent use of Father language to represent God as a caring parent Peeler goes beneath the surface of this metaphor to show how God is never sexualized by biblical writers or described as being physically involved in procreation making the concept of a masculine God dubious at best From these doctrinal centers of Christianity Peeler leads the way in reasserting the value of women in the church and prophetically speaking out against the destructive idolatry of masculinity The Michael Ramsey Prize Longlist 2023

Motherhood and Love Cristina

Grenholm, 2011 It is possible to reinterpret the biblical portrayal of motherhood so that it no longer perpetuates the subordination of women Responding to a perceived conflict between feminism and theology feminist theologian Cristina

Grenholm blends systematic theology gender studies and biblical interpretation to construct a nontraditional understanding of motherhood in the Bible Grenholm s innovative approach revisits the biblical figure of Mary whom she calls a theological challenge in our time with a view to analyzing critiquing and revising the traditional Christian understanding of motherhood and maternal love

The Celluloid Madonna Catherine O'Brien,2011 The Celluloid Madonna is the first book to analyze the life of the Virgin Mary on screen from the silent era through to the present For decades Mary has caught the imagination of filmmakers from a range of religious backgrounds whether Catholic Protestant Muslim Marxist or atheist and film s intersection of theology and secular culture has inspired some of the most singular and controversial visions of this icon in cinema history Focusing on the challenge of adapting Scripture to the screen this volume discusses Cecil B DeMille s *The King of Kings* 1927 Pier Paolo Pasolini s *The Gospel According to St Matthew* 1964 Franco Zeffirelli s *Jesus of Nazareth* 1977 Jean Luc Godard s *Hail Mary* 1984 Jean Delannoy s *Mary of Nazareth* 1994 Mel Gibson s *The Passion of the Christ* 2004 Catherine Hardwicke s *The Nativity Story* 2006 and Mark Dornford May s *Son of Man* 2006

Religion, Feminism, and Idoloclasm Melissa Raphael,2019-01-22 Religion Feminism and Idoloclasm identifies religious and secular feminism s common critical moment as that of idol breaking It reads the women s liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women s consciousness from a three fold cognitive captivity to the self idolizing god called Man the God who is a projection of his power and the idol of the feminine called Woman that the god called God created for Man Examining a period of feminist theory theology and culture from about 1965 to 2010 this book shows that secular as well as Christian Jewish and post Christian feminists drew on ancient and modern tropes of redemption from slavery to idols or false ideas as a means of overcoming the alienation of women s being from their own becoming With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture this original book also examines idoloclasm in feminist visual art literature direct action and theory not least that of the sexual politics of romantic love the diet and beauty industry sex robots and other phenomena whose idolization of women reduces them to figures of the feminine same experienced as a de realization or death of the self This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed As such it will be vital reading for scholars in theology religious studies gender studies visual studies and philosophy

Jesus, Paul and Matthew, Volume Two Andries Van Aarde,2020-04-16 This book is the second of two volumes which reflect on the trend in biblical scholarship that contrasts the vision of the historical Jesus with that of the apostle Paul on the one hand and the vision of Paul with that of the evangelist Matthew on the other It argues that Jesus replaced the concept of politics of holiness with that of politics of compassion This means that the church as a community of Jesus followers forms a fictive family replacing a soteriology grounded in the biological family God s adoption of people as God s children is based on the potential of people to absorb the divine into their humanity This truism is to be found in the visions shared by the peasant

Jesus the apostle Paul and the rabbi Matthew as well as in creedal Christianity The book concludes with autobiographical reflective notes analogous to the parabolic story of the travellers to Emmaus from Jerusalem Luke 24 and that of the African eunuch Acts 8 on his way back from Jerusalem to Africa The notes serve to consolidate the two volumes on Jesus Paul and Matthew and their messages of God's wisdom justice and mercy Christian Women in the Patristic World Lynn H. Cohick, Amy Brown Hughes, 2017-10-03 From facing wild beasts in the arena to governing the Roman Empire Christian women as preachers and philosophers martyrs and empresses virgins and mothers influenced the shape of the church in its formative centuries This book provides in a single volume a nearly complete compendium of extant evidence about Christian women in the second through fifth centuries It highlights the social and theological contributions they made to shaping early Christian beliefs and practices integrating their influence into the history of the patristic church and showing how their achievements can be edifying for contemporary Christians *The Oxford Handbook of New Testament, Gender, and Sexuality* Benjamin H. Dunning, 2019-10-10 The Oxford Handbook of Gender and Sexuality in the New Testament provides a roadmap to the relevant problems debates and issues that animate the study of sex gender sexuality and sexual difference in early Christianity Leading scholars in the field offer original contributions by way of synthesis critical interrogation and proposals for future research trajectories Wisdom Commentary: Luke 1:29 Barbara E. Reid, OP, Shelly Matthews, 2021-01-15 Because there are more women in the Gospel of Luke than in any other gospel feminists have given it much attention In this commentary Shelly Matthews and Barbara Reid show that feminist analysis demands much more than counting the number of female characters Feminist biblical interpretation examines how the female characters function in the narrative and also scrutinizes the workings of power with respect to empire to anti Judaism and to other forms of othering Matthews and Reid draw attention to the ambiguities of the text both the liberative possibilities and the ways that Luke upholds the patriarchal status quo and guide readers to empowering reading strategies **Mary, the Apostles, and the Last Judgment** Stanislava Kuzmova, Andrea-Bianka Znorovszky, 2020-12-31 This volume presents a timely contribution to the growing body of scholarship on the apocryphal writings and their reception in the Middle Ages especially in connection with visual representation It aims to bridge what often remains disconnected the visual art and the written text the early Christian roots and medieval reception the East and the West as well as methodologies of various disciplines The studies in this volume firstly investigate issues related to the Virgin Mary and through them also the status function and identity of women Mary and the female element thus represent significant models and or background figures in fields pertaining to theology religious studies textual studies manuscript studies and art history in a trans disciplinary perspective Secondly the studies focus on the apostles and the Last Judgment their visual representations and the use of apocryphal sources The volume is divided in two parts according to two major topics Part I dealing with Mary in the Apocrypha and Part II focusing on the Apostles and the Last Judgment Mysticism and Narcissism Kathleen Lyons, 2015-11-25 *Mysticism and Narcissism*

details the exceptional personal narrative of a long serving Cenacle nun during a time of particular historical significance for the Catholic Church. The book's unique and original approach is highlighted by its application of psychoanalytic theory to questions of theological and Marian identity and relationality, exploring narcissism and mysticism within the context of religious life. In addition, it provides an excellent historical resource for the study of women's religious orders in the twentieth century and in analysing the impact of Vatican II on the self-understanding of all women.
