Feminist Visions Of Development Gender Analysis And Policy:

Feminist Visions of Development Cecile Jackson, Ruth Pearson, 2005-07-27 Key issues in gender studies and development today are explored in detail from rural and urban poverty to population and family planning resulting from the 1995 UN Conference on Women

Gender, Development, and Poverty Caroline Sweetman, 2002 This work examines how gender inequalities impact on men's women's and children's experiences of poverty and demonstrates the importance of integrating gender analysis into every aspect of development initiatives

Senegal Robin Sharp, 1994 Up to date view of Senegal from the perspective of the poor

Controversy and Coalition Myra Marx Ferree, Beth Hess, 2002-05-03 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

Nationbuilding, Gender and War Crimes in South Asia Bina D'Costa, 2012-07-26 This book gives a detailed political analysis of nationbuilding processes and how these are closely linked to statebuilding and to issues of war crime gender and sexuality and marginalization of minority groups With a focus on the Indian subcontinent the author demonstrates how the state itself is involved in the construction of a gendered identity and how control of women and their sexuality is central to the nationbuilding project She applies a critical feminist approach to two major conflicts in the Indian subcontinent the Partition of India in 1947 and the Liberation War of Bangladesh in 1971 and offers suggestions for addressing historical injustices and war crimes in the context of modern Bangladesh Addressing how the social and political elites were able to construct and legitimize a history of the state that ignored these issues the author suggests a critical re examination of the national narrative of the creation of Bangladesh which takes into account the rise of Islamic rights and their alleged involvement in war crimes Looking at the impact that notions of nation state and nationalism have on women from a critical feminist perspective the book will be an important addition to the literature on gender studies international relations and South Asian politics

Gender and Practice Vasilikie (Vicky) Demos, Marcia Texler Segal, Kristy E. Kelly, 2019-09-30 In *Gender and Practice* Insights from the Field twelve chapters contribute to the creation of an accessible body of knowledge that looks to provide gender practitioners with examples of what works and what doesn't in the attainment of gender equality

Gender and Agriculture in Turkey Emine Erdogan, 2020-10-15 How have attempts to integrate Turkish agriculture into the global economy impacted rural populations This book reveals the extent to which the increasingly authoritarian political regime in Turkey and the neoliberal economy impacts minority ethnic groups and women The tomato industry in Turkey has the highest export rate amongst fresh and processed fruit and vegetables But Emine Erdogan shows here that global production is gendered relying on the labour of unpaid or poorly paid women and based on a system of what she calls intersectional patriarchy The book is based on participant observation and interviews to foreground the stories of the those involved in production including local rural workers Kurdish seasonal migrant workers women factory workers and factory managers as well as the landowning families This provides a detailed picture of the transformation of rural Turkey and the inequalities of gender class ethnicity and age A

detailed ethnographic account the book is unique in providing an intersectional and feminist analysis on processes of capitalization

Handbook of International Relations Walter Carlsnaes, Thomas Risse, Thomas Risse-Kappen, Beth A Simmons, 2002 NEW IN PAPERBACK FEBRUARY 2005 The most systematic and wide ranging survey of the multi faceted field of International Relations yet produced It is sure to become a standard reference work and teaching text and is unlikely to be superseded at any time in the near future It should be considered as essential reading International Affairs The Handbook of International Relations published 2002 in hardback quickly established itself as the benchmark volume providing a state of the art review and indispensable guide to the study of international relations It is now released in paperback in order to be accessible to students in classroom use Divided into three parts the volume reviews both the historical philosophical analytical and normative roots to the discipline and the key contemporary topics of research and debate today The first part introduces the major approaches within the field and unpacks many of the on going debates within the discipline including those between rationalist and constructivist approaches The second part moves on to explore the key concepts and contextual factors important to the subject from concepts like the state and power to international and transnational actors debates around globalization and contending feminist perspectives The final part reviews a number of the key substantive issues in international relations and is designed to complement the analytical tools and perspectives presented in Parts I and II Examples of the many topics included are foreign policy war and peace security nationalism and ethnicity finance trade development the environment and human rights

Gender, Generation and Poverty Sylvia H. Chant, 2007-01-01 The feminisation of poverty is viewed as a global trend and of particular concern in developing regions Yet although popularisation of the term may have raised women's visibility in development discourses and gone some way to engender gender policies for poverty reduction the construct is only weakly substantiated This work covers this topic

Legislating Gender and Sexuality in Africa Lydia Boyd, Emily Burrill, 2020-05-26 In recent decades a more formalized and forceful shift has emerged in the legislative realm when it comes to gender and sexual justice in Africa This rigorous timely volume brings together leading and rising scholars across disciplines to evaluate these ideological struggles and reconsider the modern history of human rights on the continent Broad in geographic coverage and topical in scope chapters investigate such subjects as marriage legislation in Mali family violence experienced by West African refugees sex education in Uganda and statutes criminalizing homosexuality in Senegal These case studies highlight the nuances and contradictions in the varied ways key actors make arguments for or against rights They also explore how individual countries draft and implement laws that attempt to address the underlying problems Legislating Gender and Sexuality in Africa details how legal efforts in the continent can often be moralizing enterprises illuminating how these processes are closely tied to notions of ethics personhood and citizenship The contributors provide new appraisals of recent events with fresh arguments about the relationships between local and global fights for rights This interdisciplinary approach will appeal to scholars in African

studies anthropology history and gender studies *Gender in Agriculture* Agnes R. Quisumbing, Ruth Meinzen-Dick, Terri L. Raney, André Croppenstedt, Julia A. Behrman, Amber Peterman, 2014-04-29 The Food and Agriculture Organization of the United Nations FAO produced a 2011 report on women in agriculture with a clear and urgent message agriculture underperforms because half of all farmers women lack equal access to the resources and opportunities they need to be more productive This book builds on the report s conclusions by providing for a non specialist audience a compendium of what we know now about gender gaps in agriculture **Political Language and Metaphor** Terrell Carver, Jernej Pikalo, 2008-03-04 This book is the first to develop new methodological approaches to understand and analyze the use of metaphor in political science and international relations **Handbook on the International Political Economy of Gender** Juanita Elias, Adrienne Roberts, 2018-02-23 This Handbook brings together leading interdisciplinary scholarship on the gendered nature of the international political economy Spanning a wide range of theoretical traditions and empirical foci it explores the multifaceted ways in which gender relations constitute and are shaped by global politico economic processes It further interrogates the gendered ideologies and discourses that underpin everyday practices from the local to the global The chapters in this collection identify analyse critique and challenge gender based inequalities whilst also highlighting the intersectional nature of gendered oppressions in the contemporary world order **Mainstreaming Men Into Gender and Development** Sylvia H. Chant, Matthew C. Gutmann, 2000 Based on research commissioned by the World Bank this books primary focus is on incorporating men in gender and development interventions at the grass roots level It draws attention to some of the key problems that have arisen from male exclusion as well as to the potential benefits of and obstacles to men s inclusion **The Routledge Handbook of Feminist Economics** Günseli Berik, Ebru Kongar, 2021-05-23 The Routledge Handbook of Feminist Economics presents a comprehensive overview of the contributions of feminist economics to the discipline of economics and beyond Each chapter situates the topic within the history of the field reflects upon current debates and looks forward to identify cutting edge research Consistent with feminist economics goal of strong objectivity this Handbook compiles contributions from different traditions in feminist economics including but not limited to Marxian political economy institutionalist economics ecological economics and neoclassical economics and from different disciplines such as economics philosophy and political science The Handbook delineates the social provisioning methodology and highlights its insights for the development of feminist economics The contributors are a diverse mix of established and rising scholars of feminist economics from around the globe who skilfully frame the current state and future direction of feminist economic scholarship This carefully crafted volume will be an essential resource for researchers and instructors of feminist economics **Gender and Social Equity in Primary Education** Vimala Ramachandran, 2004-08-19 In recent years India has made impressive strides in increasing literacy rates and in enabling access to education The country now seems well set to provide universal and good quality basic education Yet behind this otherwise rosy picture lie serious concerns relating

primarily to gender and equity This volume provides an insightful understanding of the ground realities of primary education programmes particularly those run by the District Primary Education Programme DPEP Combining secondary research with field studies conducted in six states the contributors explore gender and social equity issues in primary education They conclude that there is a subtle but nevertheless discernible hierarchy of access to education which has resulted in new forms of segregation in primary schools

The Politics of Inclusion and Exclusion David Ericson, 2011-01-26 Assessing the limits of pluralism this book examines different types of political inclusion and exclusion and their distinctive dimensions and dynamics Why are particular social groups excluded from equal participation in political processes How do these groups become more fully included as equal participants Often the critical issue is not whether a group is included but how it is included Collectively these essays elucidate a wide range of inclusion or exclusion voting participation representation in legislative assemblies representation of group interests in processes of policy formation and implementation and participation in discursive processes of policy framing Covering broad territory from African Americans to Asian Americans the transgendered to the disabled and Latinos to Native Americans this volume examines in depth the give and take between how policies shape political configuration and how politics shape policy At a more fundamental level Ericson and his contributors raise some traditional and some not so traditional issues about the nature of democratic politics in settings with a multitude of group identities

Gender Raewyn Connell, Rebecca Pearse, 2014-12-10 How can we understand gender in the contemporary world What psychological differences now exist between women and men How are masculinities and femininities made And what is the relationship between gender issues and globalizing concerns such as environmental change and economic restructuring Raewyn Connell one of the world's leading scholars in the field is here joined by Rebecca Pearse as they answer these questions and more Their book provides a readable introduction to modern gender studies covering empirical research from all parts of the world in addition to theory and politics As well as introducing the field Gender provides a powerful contemporary framework for gender analysis with a strong and distinctive global awareness Highlighting the multi dimensional character of gender relations the authors show how to link personal life with large scale organizational structures and how gender politics changes its form in changing situations The third edition of this influential and accessible book includes a whole new chapter on ecofeminism environmental justice and sustainability It also brings the review of research up to date throughout and explains new debates and emerging gender theories Gender is engaged scholarship that moves from personal experience to global problems and offers a unique perspective on gender issues today

India's Water Futures K. J. Joy, S. Janakarajan, 2018-11-01 When it comes to water we flush and forget We use abuse and almost never recycle Water sector in India since the 1990s has seen some new ideas formalised legally and institutionally while others are still emerging and evolving Confronting the reality of current water management strategies this volume discusses the state of the Indian water sector to uncover solutions that can address the imminent water crises This book
