**Deeds and Suspicious Deaths In & Around The Fens** Glenda Goulden,2008-10-16 Discover this coastal plain in England and the crimes that have taken place there over the centuries The Fens of England thinly populated with isolated farmsteads has been the setting for a number of popular crime novels but it has also been the actual site of many horrific bloody and bizarre incidents This book takes a gripping look at the darker side of the area s history from crimes of callous premeditation to those born of passion or despair Included are tales of conspiracy robbery violence cruelty and murder that reveal a previously neglected side of Fenland society Unforgettable cases are featured a mother who murdered her son a police officer who hid the body of his mother a farmer brutally slain for his money a dustman who killed a local girl and the headless body of a woman who has never been identified Covering a wide range of human weakness and wickedness this chronicle of the hidden side of the Fens will be compelling reading for anyone who is interested in the sinister side of human nature and the social conditions that nurture it *Brass Button Broadcasters* Trent Christman,1992 **The Fens** Cate

Cullington,2022-12-16 *The Fens* is a gripping modern crime novel which opens with the discovery of a body lying dead on top of a grave in a local churchyard Mysteriously it has been laid out in decorous and reverential fashion completely at odds with the fact that the victim has been murdered Detective Inspector John Naylor is put in charge of the murder of local councillor and MP Malcolm Fenton He chooses newly qualified Police Constable Cassandra Money to help him untangle the MP s complex private life and business interests It seems that everyone they meet had a good reason to want to get rid of Malcolm Fenton The investigation takes a turn when one of Fenton s colleagues complains about Inspector Naylor s attitude and a commissioner from Scotland Yard arrives at the rural police station to take over Is Inspector Naylor simply annoyed because he has lost control over the investigation or is he more involved in the case than he is letting on Constable Cassandra Money

is torn between her loyalty to the inspector and her growing suspicion that he is keeping secrets Can she solve the murder and save the inspector s reputation      *The MASCC Textbook of Cancer Supportive Care and Survivorship* Ian Olver,2010-10-19 Addressing physical and psychosocial matters of survivorship prior to during and after anticancer treatment is central to a patient s wellbeing The MASCC Textbook of Cancer Supportive Care and Survivorship explores not only the diagnosis and treatment but also the increasingly recognized complex and ongoing symptoms experienced by long term cancer survivors Significant advances have been made designing strategies to manage the side effects and symptoms of treatment and to prevent them from occurring maximizing the person s ability to pursue daily activities The MASCC Textbook of Cancer Supportive Care and Survivorship assembles international multidisciplinary experts who focus on a comprehensive range of symptoms and side effects associated with cancer and its treatment Intended for health professionals involved with cancer care medical oncologists radiation oncologists surgeons general practitioners nurses and allied health workers this textbook provides current information on the management and prevention of cancer related side effects referring to up to date sources that are useful for conducting further research      **Demystifying Opioid Conversion Calculations: A Guide for Effective Dosing** Mary Lynn McPherson,2009-08-24 Have you ever wondered if you calculated your patient s dosage correctly Against a backdrop of the growing scrutiny of appropriate dosages this textbook takes a fresh new approach to helping health professionals strengthen care to and possibly save the lives of patients living with pain This easy to understand and often humorous book is the most comprehensive to date on opioid calculations for pain management and palliative care It carefully walks clinicians through a five step process for performing opioid conversion calculations in the real world situations they often see The book has case examples simple charts and tables and practice problems throughout on topics such as difficult conversions for methadone fentanyl PCA and neuraxial opioid therapy conversions between routes and dosage formulations of the same opioids and different opioids titrating opioid dosages up and down to include dosage change and timing calculating doses for rescue opioid therapy Written by pain management expert Dr Mary Lynn McPherson the book gives helpful tips that practitioners should incorporate into their practices It is a must for clinicians at all levels hospice and palliative care physicians physician s assistants nurses nurse practitioners and pharmacists Clinicians will come away with more confidence in doing the calculations and higher service levels from the improvement in care      *MMORPG : The Return Of The Legend* Nann, GAME cannot be separated from people s lives A Famous MMORPG GAME The strange World II becomes the game that dominates the top A GAME that can make anyone get Wealth glory and even Fame In game ranking affects everything The Holder of the Number 1 position his existence is so mysterious that he doesn t even want to gain fame Suddenly the Number 1 left GAME The Strange World II for no reason Time after time passed The Legend number 1 returns to the game With his new identity Ready to shake the arrogant and arbitrary players      Pain Medicine Salim M. Hayek,Binit J. Shah,Mehul J. Desai,Thomas C. Chelimsky,2015 Pain Medicine

approaches the management of common chronic pain conditions using a unique interdisciplinary approach focusing on multiple facets of patients clinical presentations The comprehensive discussions in each chapter are centered on a vignette that mimics a fairly typical case presentation In addition to detailed classical descriptions of the epidemiology pathophysiology prognosis and confounding psychosocial factors of each disease entity the text provides various interdisciplinary management approaches The case based approach illustrates key clinical points and demonstrates how practitioners from a variety of disciplines can work together to deliver optimal patient care The ACGME criteria for fellowship training in Pain Medicine calls for an interdisciplinary approach with required training and exposure to the fields of Anesthesiology Neurology Psychiatry and Physical Medicine Rehabilitation As this trend is occurring in private pain clinics and practices as well as in academic institutions there is a need for a volume which integrates the approaches of the various disciplines into a coherent whole to guide clinicians and trainees in the interdisciplinary management of pain With each chapter authored by respected experts in the key specialties involved with pain management Pain Medicine is a highly applicable clinical reference for practitioners an excellent anchor text for fellows and residents in training and a thorough review for initial board certification as well as maintenance of certification exams **Spirit of the Herd** Sally Borden

Buteau,2013-02-18 Every person deserves a second chance But do other creatures of this Earth deserve them too This story tells of a thirteen year old girl named Fen whose love of horses could lead to tragedy her brother challenged by Autism a stallion who was so abused he may be too dangerous to train a lone wild mare and her foal who are dodging the paws of predators as they search for their herd the mare s herd lead by her strong stallion as they gallop through the rocky mountains and lush valleys of Montana outrunning ranch hands who only want money from the capture of wild horses Each of them will learn that a second chance is the only path to survival Each will learn that second chances come only to those who have courage hope persistence and people who love them enough to risk everything to save them **The**
