Clemens Wendtner

Fence Vol 4 No 1 Springsummer 2001:

A Best of Fence: Poetry & nonfiction Rebecca Wolff, 2009 Ever idiosyncratic Fence evades the tedium of the decade with this anthology co edited by eleven of Fence s editors past and present including founding editor Rebecca Wolff fiction editors Jonathan Lethem Ben Marcus and Lynne Tillman poetry editors Caroline Crumpacker Katy Lederer Matt hew Rohrer Christopher Stackhouse and Max Winter and nonfiction editors Frances Richard and Jason Zuzga In addition to presenting a stunningly eclectic compendium of poetry short fiction criticism and creative nonfiction much of it by younger writers who appeared in Fence at the beginning of careers that went on to be dazzling this volume includes refl ective essays by editors on their experiences with selected texts with authors with the magazine as a collective and with their own editorial identities and serves as an indispensable record of the inception and continuation of one of the most infl uential literary journals of its time Fence ,2001

Pacific Asia? Mel Gurtov, 2001-12-17 Most studies of Asia Pacific security are marked by pessimism and continuing belief in the virtues of a balance of power Pacific Asia goes against the grain by pointing to a number of positive developments especially economic in regional relationships the absence of an arms race the growth of multilateral groups and an emerging consensus on the importance of nonmilitary paths to national security Above all Mel Gurtov stresses a definition of security that focuses on basic human needs social justice and environmental protection The author disagrees with proponents of a China threat criticizes U S Cold War notions of security through forward based power and argues for new efforts at regional dialogue based on multilateral cooperation sensitivity to Asian nationalism and a role for Japan as a global civilian power **Fence 32 V. 18** Rebecca Wolff, 2016-11-04 In War We Trust Chris J.

Dolan, 2018-01-18 There is a long standing tradition in Western culture of differentiating between just and unjust wars 11 September 2001 has stimulated a debate in the West which holds that although people who are opposed to war in principle may disagree that any such distinction can possibly be made the basic ideas involved seem to present a plausible argument that there are times when war is at the very least just and politically necessary These and other issues are addressed in this study The consistent theme throughout this book is that significant ethical issues and moral dilemmas have been raised as they pertain to the forceful expression of American power via the Bush Doctrine s assertion of the right to engage in first strikes against states and non states in the wake of the 11 September 2001 terrorist attacks This book is intended for those with an interest in political science history leadership studies and foreign policy analysis **Small Press Review** ,2001

Sounding Our Way Home Susan Miyo Asai, 2024-01-18 A product of twenty five years of archival and primary research Sounding Our Way Home Japanese American Musicking and the Politics of Identity narrates the efforts of three generations of Japanese Americans to reach home through musicking Using ethnomusicology as a lens Susan Miyo Asai examines the musical choices of a population that historically is considered outside the racial and ethnic boundaries of American citizenship Emphasizing the notion of national identity and belonging the volume provokes a discussion about the challenges

of nation building in a democratic society Asai addresses the politics of music interrogating the ways musicking functions as a performance of social cultural and political identification for Japanese Americans in the United States Musicking is an inherently political act at the intersection of music identity and politics particularly if it involves expressing one's ethnicity and or race Asai further investigates how Japanese American ethnic identification and cultural practices relate to national belonging Musicking cultivates a narrative of a shared history and aesthetic between performers and listeners The discourse situates not only Japanese Americans but all Asians into the Black white binary of race relations in the United States Sounding Our Way Home contributes to the ongoing struggle for acceptance and equal representation for people of color in the US A history of Japanese American musicking across three generations the book unveils the social and political discrimination that nonwhite immigrants and their offspring continue to face when it comes to finding acceptance in US society and culture

Víctimas y verdugos en Shoah, de C. Lanzmann Arturo Lozano Aguilar, 2018-06-21 El presente libro pretende desentrañar el diálogo de Shoah con la genealogía del Holocausto Para ello el estudio recorre las distintas representaciones que han vertebrado la memoria de las novedosas especificidades de los personajes envueltos en el acontecimiento desde la invisibilidad de sus características particulares en la inmediata posguerra hasta las variadas formulaciones que las definieron a partir de los años sesenta La película de Lanzmann retoma las cuestiones más controvertidas del retrato de víctimas y verdugos ofrecidos por los discursos iniciales del Holocausto Shoah interviene para formular una extensión moral de las víctimas raciales que llega hasta el presente del espectador disolver cualquier zona gris respecto a la inocencia intrínseca de los judíos exterminados y los alejar del paradigma heroico que marcó sus primeras representaciones Respecto a los verdugos Lanzmann pondrá un gran énfasis en vincularlos a la desmemoria actual del acontecimiento rechazar cualquier concepto que pudiera mitigar su abyecta participación o incluso el interés psicológico que despertaron en numerosos estudiosos

Wingbeats II: Exercises and Practice in Poetry Scott Wiggerman, David Meischen, 2016-01-19 WINGBEATS II EXERCISES PRACTICE IN POETRY the eagerly awaited follow up to the original WINGBEATS is an exciting collection from teaching poets 58 poets 59 exercises Whether you want a quick exercise to jump start the words or multi layered approaches that will take you deeper into poetry WINGBEATS II is for you The exercises include clear step by step instruction and numerous example poems including work by Lucille Clifton Li Young Lee Cleopatra Mathis Ezra Pound Kenneth Rexroth Patricia Smith William Carlos Williams and others You will find exercises for collaborative writing for bending narrative into new poetic shapes for experimenting with persona for writing nonlinear poems For those interested in traditional elements WINGBEATS II includes exercises on the sonnet as well as approaches to meter line breaks syllabics and more Like its predecessor WINGBEATS II will be a standard in creative writing classes a standard go to in every poet's library
