Menken, Annette P. Radick**

Fertility Conception:

Fertility, Pregnancy, and Wellness Diana Vaamonde, Anthony C. Hackney, Juan Manuel Garcia-Manso, 2022-02-09
Fertility Pregnancy and Wellness is designed to bridge science and a more holistic approach to health and wellness in particular dealing with female male fertility and the gestational process Couples seeking to solve fertility issues for different reasons whether failed assisted reproductive techniques or the emotional impact they entail economic or moral reasons are demanding more natural ways of improving fertility This book explores the shift in paradigm from just using medications which in the reproductive field can be very expensive and not accessible to the entire population to using lifestyle modifications and emotional support as adjunctive medicine therapies This must have reference brings together the current knowledge highlighting the gaps and delivers an important resource for various specialists and practitioners Offers insights from scientific and holistic methods providing the available scientific evidence for or against different holistic approaches aimed at improving fertility health and wellness Bridges the more peripheral yet critical and multidisciplinary considerations in fertility infertility pregnancy and wellness Includes clear concise and meaningful summary conclusion sections within each chapter *Sterility and Conception* Charles Gardner Child, 1922 **Conceive Magazine**, 2009

Mathematical Models of Conception and Birth Mindel C. Sheps, Jane A. Menken, Jane Menken, Annette P. Radick, 1973
