The tactics of Egypt's democratic dictator

■ Morsi's strongman push to cleanse judiciary may be democracy's only chance

■ Opposition forces cannot be described as model of democratic principles either

BY OMAR KHORRAM

Mohamed Morsi, Egypt's first elected president, recently granted himself sweeping emergency powers in order, he claims, to ensure the integrity of the constitution. On the surface, Morsi's move appears to be a necessary step to ensure the integrity of the constitution. But it is also a move to ensure that he can do anything he wants in Egypt's future.

Morsi has that been just the old pattern of having to defend his decision by using emergency powers. He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers.

with emergency and/or abuse of power, to protect the constitution. He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers.

The same Morsi has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers.

But Morsi's move is not just a move to ensure the integrity of the constitution. It is also a move to ensure that he can do anything he wants in Egypt's future. He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers.

He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers.

According to the Morsi camp, the judicial council was not just a move to ensure the integrity of the constitution. It is also a move to ensure that he can do anything he wants in Egypt's future. He has been using emergency powers to defend his decision to use emergency powers. He has been using emergency powers to defend his decision to use emergency powers. And that is not all. Morsi's move is also a move to ensure that he can do anything he wants in Egypt's future. He has been using emergency powers to defend his decision to use emergency powers.
