Edna O'Brien Reader:

An Edna O'Brien Reader Edna O'Brien, 1994 **A Fanatic Heart** Edna O'Brien, 1985 In these selections from twenty years of her best short fiction Edna O'Brien pulls the reader into a woman's experience Her stories portray a young Irish girl's view of obsessive love and its often wrenching pain while tales of contemporary life show women who open themselves to sexuality to disappointment to madness Throughout there is always O'Brien's voice wondrous despairing moving examining passionate subjects that lay bare the desire and needs that can be hidden in a woman's heart Modernism and Close Reading David James, 2020-04-15 The kinship between modernism and close reading has long been taken for granted But for that reason it has also gone unexamined As the archives timeframes and cultural contexts of global modernist studies proliferate the field's rapport with close reading no longer appears self-evident or guaranteed even though for countless students studying literary modernism still invariably means studying close reading This authoritative collection of essays illuminates close reading's conceptual institutional and pedagogical genealogies as a means of examining its enduring potential David James brings together a cast of world renowned scholars to offer an account of some of the things we might otherwise know and need to know about the history of modernist theories of reading before then providing a sense of how the futures for critical reading look different in light of the multiple ways in which modernism has been close read Modernism and Close Reading responds to a contemporary climate of unprecedented reconstitution for the field it takes stock of close reading's methodological possibilities in the wake of modernist studies geographical literary historical and interdisciplinary expansions and it shows how the political ethical and aesthetic consequences of attending to matters of form complicate ideological preconceptions about the practice of formalism itself By reassessing the intellectual commitments and institutional conditions that have shaped modernism in criticism as well as in the classroom we are able to ask new questions about close reading that resonate across literary and cultural studies Invigorating that critical venture this volume enriches our vocabulary for addressing close reading's perpetual development and diversification **Reading the Contemporary Irish Novel 1987 - 2007** Liam Harte, 2013-11-07 Reading the Contemporary Irish Novel 1987-2007 is the authoritative guide to some of the most inventive and challenging fiction to emerge from Ireland in the last 25 years Meticulously researched it presents detailed interpretations of novels by some of Ireland's most eminent writers This is the first text focused critical survey of the Irish novel from 1987 to 2007 providing detailed readings of 11 seminal Irish novels A timely and much needed text in a largely uncharted critical field Provides detailed interpretations of individual novels by some of the country's most critically celebrated writers including Sebastian Barry Roddy Doyle Anne Enright Patrick McCabe John McGahern Edna O'Brien and Colm Tóibín Investigates the ways in which Irish novels have sought to deal with and reflect a changing Ireland The fruit of many years reading teaching and research on the subject by a leading and highly respected academic in the field **Girl** Edna O'Brien, 2019-10-15 A stunning novel another remarkable achievement from one of the

English language's greatest living writers the acclaimed author of *The Country Girls* Michael Schaub NPR I was a girl once but not anymore So begins *Girl* Edna O'Brien's harrowing portrayal of the young women abducted by Boko Haram Set in the deep countryside of northeast Nigeria this is a brutal story of incarceration horror and hunger a hair-raising escape into the manifold terrors of the forest and a descent into the labyrinthine bureaucracy and hostility awaiting a victim who returns home with a child blighted by enemy blood From one of the century's greatest living authors *Girl* is an unforgettable story of one victim's astonishing survival and her unflinching faith in the redemption of the human heart The rhythm of *Girl* is intermittent and fearsomely strong reading this novel is like riding the rapids O'Brien's understanding of and sympathy for girls in trouble transcends culture Terrence Rafferty *The Atlantic* A masterpiece a heart-wrenching story of loss and redemption powerfully rendered in O'Brien's singular voice which is at once fierce and tender conscientious and visionary The *Irish Times* Throughout her long career Edna O'Brien has proved to be an exceptionally brave writer resolved to tell the truth loyal to nothing except her memory her imagination and her faith in the power and beauty of language It's a tribute to O'Brien's skill as a writer her ability to inhabit the minds of her characters and to craft virtuosic sentences that *Girl* is immensely painful to read Francine Pose *New York Times Book Review* [Growing Readers](#) Kathy Collins, 2023-10-10

Primary grade teachers face an important challenge teaching children how to read while enabling them to build good habits so they fall in love with reading Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence intention and joy as readers In *Growing Readers* Kathy Collins helps teachers plan for independent reading workshops in their own classrooms She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong well-rounded readers Kathy outlines a sequence of possible units of study for a yearlong curriculum Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini-lessons and reading conferences There are also four Getting Ready sections that suggest some behind-the-scenes work teachers can do to prepare for the units Topics explored in these units include print and comprehension strategies reading in genres such as poetry and nonfiction connecting in school reading and out of school reading developing the strategies and habits of lifelong readers A series of planning sheets and management tips are presented throughout to help ensure smooth implementation We want our students to learn to read and we want them to love to read To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day The ideas found in *Growing Readers* create the kind of primary classrooms where that happens

Narrating Irish Female Development, 1916-2018 Jane Elizabeth Dougherty, 2024-12-31 Narrating Irish Female Development 1916 2018 studies narratives of Irish female and feminized development arguing that these postmodern narratives present Irish female maturation as disordered and often deliberately disorderly The first full length study of the Irish female coming of age story the book develops a feminist psychoanalytic narratology derived from the belated oedipalization of Joyce's bildungsheld to read these stories This study argues that all Irish maturation stories are shaped by the uneven and belated maturation story of the Irish republic itself which took as its avatar the Irish woman whose citizenship in that republic was unrealized as indeed was her citizenship in an Irish republic of letters Dougherty takes the writing of Irish women as seriously as other critics have taken Joyce's work

British and Irish Women Writers and the Women's Movement Jill Franks, 2013-02-07 This study pairs selected Irish and British women novelists of three periods relating their voices to the women's movements in their respective nations In the first wave nationalist and militant ideologies competed with the suffrage fight in Ireland Elizabeth Bowen's *The Last September* illustrates the melancholy of gender performance and confusion of ethnic identity in the dying Anglo Irish Ascendancy class In England suffrage ideologies clashed with socialism and patriotism Virginia Woolf's *Mrs Dalloway* contains a political unconscious that links its characters across class and gender In the second wave heterosexual romantic relationships come under scrutiny Edna O'Brien's *Country Girls* trilogy reveals ways in which Irish Catholic ideologies abject femaleness her characters internalize this abjection to the point of self destruction Doris Lessing's *The Golden Notebook* pits the protagonist's aspirations to write novels against the Communist Party's prohibitions on bourgeois values In the third wave Irish writers express the frustrations of their cultural identity Nuala O Faolain's *My Dream of You* takes her protagonist back to Ireland to heal her psychic wounds In England Thatcherism had created a materialistic culture that eroded many feminists' socialist values Fay Weldon's *Big Woman* satirizes the demise of second wave idealism asking where feminism can go from here
