Homeschooling and Libraries Vera Gubnitskaia, Carol Smallwood, 2020-04-30 As families are looking for better ways to educate their children more and more of them are becoming interested and engaged in alternative ways of schooling that are different, separate or opposite of the traditional classroom. Homeschooling has become ever more creative and varied as families create custom-tailored curricula, assignments, goals and strategies that are best for each unique child. This presents a multitude of challenges and opportunities for information institutions including public academic school and special libraries. The need for librarians to help homeschool families become information and media literate is more important than ever. This collection of essays provides a range of approaches and strategies suggested by skilled professionals as well as veteran homeschool parents on how to best serve the diverse needs and learning experiences of homeschooled youth. It includes information on needs assessments for special needs students, gifted students and African American students, advice on how to provide support for the families of homeschoolers, case studies and information on new technologies that could benefit libraries and the homeschooler populations that they serve. **Awaking Wonder** Sally Clarkson, 2020-08-18 Sally, what is your secret? For years parents worldwide have asked beloved author Sally Clarkson how she and her husband have ignited a love for learning and a deep faith in their children. They want to know how the Clarksons launched their children to live such vibrant, flourishing lives as adults. *Awaking Wonder* is Sally's answer to those questions. This book is thirty-six years in the making and provides a deep dive into Sally's most profound legacy: nurturing and guiding her four children into a wonder-filled life. If you are idealistic and hopeful about the process of raising your children to be healthy and vibrant, you will find encouragement through the Clarksons' story. If you are exhausted, confused, ill-equipped or unsupported in your journey as a parent, you will find relief through the countless ideas in this book. *Awaking Wonder* will inspire you, delight you, provide laughter and bring tears through the heartfelt stories of four lively children and the wondrous life they grew up in together. Journey with Sally toward cultivating wonder all around you alongside your children, understanding how to open your children's hearts and minds to the grand design, beauty and goodness scattered throughout the universe, laying a foundation for spiritual formation and a robust faith in God, nurturing your children to live into their capacity in intellect, faith and relationships. If you long for a holistic, spiritually foundational approach to parenting and education, this is the book you've been waiting for. The companion guide *The Awaking Wonder Experience* will help you apply Sally's principles in life-changing ways.
