Martusewicz, Jeff Edmundson, John Lupinacci, 2011-05-20 This text offers a powerful model for cultural ecological analysis and pedagogy of responsibility providing educators with information and classroom practices they need to educate future citizens for diverse democratic and sustainable communities

**Deculturalization and the Struggle for Equality** Joel Spring, 2016-02-26 Joel Spring's history of school policies imposed on dominated groups in the United States examines the concept of deculturalization the use of schools to strip away family languages and cultures and replace them with those of the dominant group The focus is on the education of dominated groups forced to become citizens in territories conquered by the U S including Native Americans Enslaved Africans Chinese Mexicans Puerto Ricans and Hawaiians In 7 concise thought provoking chapters this analysis and documentation of how education is used to change or eliminate linguistic and cultural traditions in the U S looks at the

educational legal and social construction of race and racism in the United States emphasizing the various meanings of equality that have existed from colonial America to the present Providing a broader perspective for understanding the denial of cultural and linguistic rights in the United States issues of language culture and deculturalization are placed in a global context The major change in the 8th Edition is a new chapter Global Corporate Culture and Separate But Equal describing how current efforts at deculturalization involve replacing family and personal cultures with a corporate culture to increase worker efficiency Substantive updates and revisions are made throughout all other chapters *Higher Education in a Globalising World* J. Enders, Oliver Fulton, 2012-12-06 This Festschrift is dedicated to Ulrich Teichler who is celebrating his sixtieth birth day in 2002 Ulrich Teichler has been a central actor in the development of the field of research on higher education in Germany Europe and beyond Not only has he dedicated his professional career to studying a large number of higher education topics through national and international research projects He was also in the fore front of the efforts to strengthen the structure and profile of higher education research for example through his involvement in the establishment of the Consortium of Higher Education Researchers CHER In addition he has contributed to many important scholarly works reflecting on the state of the art and the nature of the field The conventional wisdom is that working in a university or college makes you an expert on higher education Consequently while academics like to do research on every possible topic they are in general reluctant to examine their own social institution Within the European context Ulrich Teichler is one of the main exceptions to this rule Already in his student days he has recognised the unique characteristics of higher education institutions and systems and he understood that special efforts are needed to improve our knowledge on higher education

*Minority Status, Oppositional Culture, & Schooling* John U. Ogbu, 2008-06-30 This book is the definitive and final presentation of John Ogbu's cultural ecological model and the many debates that his work has sparked during the past decade Organized as a dialogue between John Ogbu and the scholarly community *Minority Status Oppositional Culture and Schooling* is essential reading for anyone interested in the study of the academic achievement gap **Second**
