**Academic Inbreeding and Mobility in Higher Education** Maria Yudkevich, Philip G. Altbach, Laura E. Rumbley, 2015-01-19 Academic inbreeding appointing one's own graduates for academic positions is a controversial but surprisingly common practice internationally. This book is the first comparative analysis of the phenomenon, the causes, implications, and future of inbreeding. *Educational Inbreeding* Harold Elam Snyder, 1943

**Academic Inbreeding and Mobility in Higher Education** Maria Yudkevich, Philip G. Altbach, Laura E. Rumbley, 2015-01-19 Academic inbreeding appointing one's own graduates for academic positions is a controversial but surprisingly common practice internationally. This book is the first comparative analysis of the phenomenon, the causes, implications, and future of inbreeding. *Educational Inbreeding* Harold Elam Snyder, 1943

**International Perspectives on Leadership in Higher Education** Alasdair Blair, Darrell Evans, Christina Hughes, Malcolm Tight, 2022-11-21 As complex large institutions, universities present unique challenges for leaders. *International Perspectives on Leadership in Higher Education* examines how contemporary leaders in higher education in different disciplines at different levels and in different parts of the world are identified, developed, and supported. *Educational Inbreeding* Harold Elam Snyder, 2012-06-01

**Reform and Change in Higher Education** Alberto Amaral, Orlanda Tavares, Cristina Sin, 2025-07-15 This insightful book explores the complexities and opportunities of implementing reform in higher education systems. Chapters analyse the diverse factors taken into account at the system level, the institutional level, and the individual grass root level, outlining potential causes of resistance from the academic community and highlighting innovative avenues for change.

**Handbook on Corruption in Higher Education** Elena Denisova-Schmidt, Philip G. Altbach, Hans de Wit, 2025-09-10 This insightful Handbook provides an overview of corruption within the context of higher education. Through a variety of international case studies, theoretical frameworks, and methodologies, it examines the underlying issues involved in corruption as well as the damaging impact on scholarly cultures and the academic enterprise. *Research Handbook on Academic Careers and Managing Academics* Sarrico, Cláudia S., Rosa, Maria J., Carvalho, Teresa, 2022-04-12 This timely Research Handbook provides a broad analysis and discussion on how academics are managed. It addresses key issues including the changing nature of academic work and academic labour markets, issues of power, leadership, ageing, human resource management practices, and mobility.

*Biographies and Careers throughout Academic Life* Jesús F Galaz-Fontes, Akira Arimoto, Ulrich Teichler, John Brennan, 2016-06-01 The book draws on the 2007 Changing Academic Profession international survey in order to document the personal characteristics, career trajectories, sense of identity, commitment, and job satisfaction of academics in 14 countries with different levels of economic and social development and different higher education systems. With nearly 26 000 academics surveyed in 19 countries of which 14 are reporting their results in this volume, the empirical basis of the book is the most up to date and far reaching in the area. With major changes taking place both in the local and global contexts of

higher education and in the working conditions within individual universities as exemplified by increasing managerialism and performance based funding it is important to consider the impact of these changes on the profiles and working lives of the academic profession across different countries But it is also important to look at the ways in which the faculty s changing profile impacts on the organisation and management of universities and on the delivery of their central functions Although not always obvious in the short term academic work and its conditions attract incorporate and promote different types of individuals who in turn exert considerable influence on the nature of academic work higher education institutions and potentially society As faculty members are central to the teaching research and service enterprise activities of higher education it is important to understand their personal characteristics career trajectories sense of identity and commitment and job satisfaction These are central for understanding the academic profession in general and in particular the factors affecting their involvement and productivity in the work of their institutions These are a complex result of a mixture of contextual factors e g the status and regulatory framework of the higher education system the features and atmosphere of the particular institution and personal factors e g gender educational attainment family background attitudes to work and broader social values This book examines the different situations facing the academic profession in individual countries and provides comparative studies of country differences
