such a dominant role in her daughter's life that Dare was never able to find her way into the adult world. Only through her work could she speak for herself. In her books she created the happy family she'd always yearned for while her self-portraits betrayed an unresolved tension between sexuality and innocence, a desire to belong and painful isolation. Illustrated with stunning photographs, *The Secret Life of the Lonely Doll* tells the unforgettable story of a woman who imprisoned by her childhood sought to set herself free through art.

Edith And Midnight Dare Wright, 2015-09-01 It was summertime and Edith and The Bears were on a farm in the country. Little Bear wanted Edith to go fishing with him. Edith had her heart set on owning a pony and she couldn't think about anything else. Then late one night Edith woke up and saw a wild black pony running in the moonlight beneath her window. Her mind was made up. Somehow she and Little Bear were going to tame that pony and make him their own. But the pony Midnight had other ideas and he ended up leading the two on quite a chase before they finally became friends.

The Doll and the Kitten Dare Wright, 2013-04-04 A doll Edith and her friends Mr Bear and Little Bear vacation on a farm in the hills of upstate New York in the 1950s where Edith falls in love with a kitten. Illustrated with photographs.

The Absent Mother in the Cultural Imagination Berit Åström, 2017-07-11 This anthology explores the recurring trope of the dead or absent mother in Western cultural productions. Across historical periods and genres, this dialogue has been employed to articulate and debate questions of politics and religion, social and cultural change, as well as issues of power and authority within the family. The volume seeks to investigate the many functions and meanings of the dialogue by covering extensive material from the 1200s to 2014, including hagiography, romances, folktales, plays, novels, children's literature, and graphic novels, as well as film and television. This is achieved by looking at the discourse both as products of the time and culture that produced the various narratives and as part of an ongoing cultural conversation that spans the centuries, resulting in an innovative text that will be of great interest to all scholars of gender, feminist, and media studies.

A Gift from the Lonely Doll Dare Wright, 2015-09-01 Edith The Lonely Doll struggles with the choice of a Christmas gift for Mr Bear, finally realizing that something made by hand would be far better than something bought in a store. A knitted muffler seemed a perfect choice, especially since Edith, Mr Bear, and Little Bear are planning to spend the holidays with cousins Charles Bear and Albert Bear in the snowy hills of upstate New York. Edith knits whenever Mr Bear isn't watching, hiding her project in a woven basket without realizing how much yarn she's been using. When the presents are opened on Christmas morning, Mr Bear's gift is long enough for three bears. Edith is miserable about it until she finds the perfect solution. She cuts the muffler into gifts for both Mr Bear and his two cousins, and the day ends very happily.
