Edmunds Struggle Under The Spell Of The White Witch:

Edmund's Struggle Michael Flexer, 2006-02 C S Lewis's *The Lion The Witch and The Wardrobe* has been a fantasy classic for more than fifty years and is now a major motion picture Edmund isn't happy when he and his brother and sisters are sent to the Professor's house in the countryside But when he follows Lucy into an old wardrobe and into the land of Narnia things get much much worse There he meets the evil White Witch who convinces him to betray his family Before Edmund knows it he's in over his head How can he escape from the White Witch's clutches and find the strength to help save Narnia and his family from a terrible fate **Edmund's Struggle** Michael Flexer, 2006-01-24 Adapts C S Lewis's tale in which four English girls and boys discover a passage into a magical land and find themselves in a battle between good and evil focusing on the experiences of Edmund **Edmund's Struggle** Michael Flexer, 2007-01-01 **C.S. Lewis** Michelle Ann Abate, Lance Weldy, 2012-11-01 Beginning with the publication of *The Lion the Witch and the Wardrobe* in 1950 and concluding with the appearance of *The Last Battle* in 1956 C S Lewis's seven book series chronicling the adventures of a group of young people in the fictional land of Narnia has become a worldwide classic of children's literature This stimulating collection of original essays by critics in a wide range of disciplines explores the past place present status and future importance of *The Chronicles of Narnia* With essays ranging in focus from textual analysis to film and new media adaptations to implications of war trauma and race and gender this cutting edge New Casebook encourages readers to think about this much loved series in fresh and exciting ways **Lucy's Adventure** Michael Flexer, 2006-02 C S Lewis's *The Lion The Witch and The Wardrobe* has been a fantasy classic for more than fifty years and is now a major motion picture At first Lucy Pevensie is terribly sad when she is sent with her sister and brothers far away to the countryside to escape the dangers of wartime London But when they arrive something wonderful happens A game of hide and seek turns into the adventure of a lifetime In the magical land of Narnia Lucy and her brothers and sister meet Aslan the Great Lion who calls them to fulfill their destiny free Narnia from the evil White Witch **The Horn Book Guide to Children's and Young Adult Books**, 2006 **Story and Reality** Robert Paul Roth, 2004-12-10 No Christian will dispute the importance of properly understanding the gospel And throughout the centuries the function of theology has been to aid that understanding In good part as the author of this challenging study indicates theology has turned to philosophy history sociology or yet other disciplines in an effort to make its own message clear that is theology has used philosophical or historical or sociological concepts of reality and has then attempted to impose upon reality so defined a deeper theological significance But that effort Robert Roth believes can never be completely successful since each of these disciplines valuable as they are in themselves are compelled by their nature to reduce both reality and theology to the level of what is human thus leaving out the very thing that theology is all about God Roth contends that theology must use as its model what he terms story the kind of large comprehensive tale or myth that takes into account the basic facts of the universe and human existence The nature of story he tells us is

essentially dramatic filled with tension between opposing forces The conflict between good and evil for example or between hope and despair has always characterized great literature And it is precisely those same conflicts that characterize reality Little wonder that God s account of reality the gospel is cast in story form Story and Reality is an exciting and unusual approach to the question of what constitutes God s message to humanity it offers as well new insights into the nature of literature and the role story can play in helping us properly apprehend reality Roth demands an effort on the part of his readers but it is an effort that will be richly repaid
