Catherine Delaney,2005-02-01 Kathleen was the average girl of fourteen years brown hair and eyes of green She lives in the most average life Kathleen thought her town average in the most average boring way this in the up most sincere way Soon the halls of her average plain suburbia school would get a rude a wakening to a weird adventure When a boy is sent on a mission to tell a tale centuries old Unbelievable as it is her ears don t close him out Five wizards lived long ago together they ruled each with separate tasks One ruled the earth the soil and her blessings the plants from the smallest tree to the tallest trees One ruled the humans with their ways of being One ruled the waters all of the rivers and mighty oceans One ruled the animals that flew or crawled And finally one ruled the skies Three had been murdered but one of their own Now two remained One hide away to keep his ways alive waiting for someone to help Little did Kathleen know things wouldn t be average around here anymore **Mestenhauser and the Possibilities of International Education** Anne M. D'Angelo,Mary Katherine O'Brien,Gayla Marty,2022-07-26 Focusing on the work of Josef A Mestenhauser 1925 2015 and the depth and breadth of his contribution to the area of internationalization of higher education this book addresses the

theoretical foundations of the field of international education and the implications for practice and strategy. It considers key concepts and poses questions for discussion that make Mestenhauser's work accessible to new readers. Through a series of provocative essays, contributors to this volume examine Mestenhauser's influence on their understanding and practice of international education, the relevance of his work today, the transferability of his ideas across contexts, and current interpretations of the field. They consider areas of agreement and disagreement that illuminate pathways for inquiry and future practice, affirming the importance of his work in a new global landscape. *Mestenhauser and the Possibilities of International Education* is suitable reading for all those interested in the internationalization of higher education, including higher education faculty, students, researchers, and international education and higher education policy makers.
