Educational Administration in Uttar Pradesh R. S. Tyagi, Shardindu, 1999-11-01 Report of a survey conducted by the National Institute of Educational Planning and Administration in 1973 74 Education in India Padma Ramachandran, Vasantha Ramkumar, 2005 A thorough study of the theory and practice if education in context of present day india realities this exhaustive volume provides an authoritative insight **Indian Books in Print** ,2003 Cost and Finance of Higher Education in Mizoram Abdul Hannan Barbhuiya, 2014-01-01 For a positive change in the society and sustained economic growth education plays a pivotal role Expenditure on education is now viewed as investment expenditure as it brings in economic returns to the individuals as well as to the society Financing of education has thus emerged as an important area of concern for researchers and economists The present book examines the growth of higher education in Mizoram and the trend of public expenditure on it More emphatically it deals with the estimation of per unit public cost and private cost of higher education in the state along with an analysis of the various sources of finance for education Determination of optimum enrolment size in various types of higher educational institutions has also been tried

Educational Administration in Lakshadweep Baldev Mahajan, J. C. Goyal, Ganesh Datt Sharma, 1995 This Book With Special Reference To Lakshadweep Provides A Critical Analysis Of Various Functions Of Educational Planning And Administrative System Outlining The Tasks Ahead For Educational Planners And Administrators Decentralisation and Privatisation in Education Joseph Zajda, 2007-11-29 Decentralisation and Privatisation in Education explores the ambivalent and problematic relationship between the State privatisation and decentralisation in education globally Using a number of diverse paradigms ranging from critical theory to globalisation the authors by focusing on privatisation marketisation and decentralisation will attempt to examine critically both the reasons and outcomes of education reforms policy change and transformation and provide a more informed critique on the Western driven models of accountability quality and school effectiveness We want to demonstrate that claims of advantages in efficiency brought about by privatisation in education are not always supported empirically as proposed by proponents The book examines the overall interplay between privatisation decentralisation and the role of the state The authors draw upon recent studies in the areas of decentralisation privatisation and the role of the state in education By referring to Bourdieu s call for critical policy analysts to engage in a critical sociology of their own contexts of practice and poststructuralist and postmodernist pedagogy this collection of book chapters demonstrate how central discourses surrounding the debate of privatisation decentralisation and the role of the state are formed in the contexts of dominant ideology power and culturally and historically derived perceptions and practices The authors discuss the newly constructed and re invented imperatives of privatisation decentralisation and marketisation and show how they may well be operating as an educational model of a new global master narrative playing a hegemonic role within the framework of economic political and cultural hybrids of globalization **Guide to Indian Periodical Literature**

,1999 **Transformative Perspectives and Processes in Higher Education** Amber Dailey-Hebert,Kay S.

Dennis,2014-11-07 This book aims to provide insight into the complexities confronting higher education today and to highlight tangible opportunities that exist to address such issues We are in a constant state of flux and higher education needs to respond in more proactive intentional and innovative ways to remain a relevant cornerstone to society and culture The editors begin by asking how our collective reality might change if the complexity and uncertainty surrounding us were embraced and leveraged to serve the learner and society as a whole They invite the reader to explore collaborative approaches to individualized learning pathways networked learning and a reimagined ecosystem of academia The chapters are arranged to inform the reader seeking knowledge on how to 1 reshape and redefine the 21st century university with its evolving role in these transformative times 2 design and implement courses that address the changing needs of the university and the non traditional student and 3 utilize research on innovative strategies with processes that promote organizational learning The chapters profile the fluid nature of learning as it evolves in higher education and the workplace often with a blurred line separating the two environments Exciting ideas related to heutagogy problem based learning innovative constructivist strategies authentic learning and self regulated learning all converge in this volume **Distance Learning**
